Tormenting Rectal Itch Of Hemorrhoidal Tissues Promptly Relieved

Gives Prompt, Temporary Relief from Such Burning Itch and Pain in Many Cases.

The burning itch and pain caused by infection and inflammation in hemorrhoidal tissues can cause much suffering. But there is an exclusive formulation that in many cases gives prompt relief for hours from this itch and pain so that the sufferer is more comfortable again. It also actually helps shrink swelling of hemorrhoidal tissues caused by inflammation and infection.

Tests by doctors on hundreds of patients in New York City, Washington, D.C. and at a Midwest Medical Center reported similar successful results in many cases. This is the same medication you can buy at any drug counter under the name *Preparation H®*.

Preparation H also lubricates to protect the inflamed surface area and it doesn't sting or smart. In fact, it has very soothing qualities which make it especially helpful during the night when itching becomes more intense.

There's no other formula like Preparation H. In ointment or suppository form.

Pot pourri

If you're looking for something exciting to do with chicken a la king, here's jst the thing . . . Creamed Chicken Over Confetti Rice Squares. Not only is it a delicious treat, but it looks so good and is so easy to serve. It's a good meu for a crowd of any age.

A pretty baking dish filled with fluffy rice dotted with parsley, chopped onion and pimiento and flavored with shredded Swiss cheese is a colorful addition to the buffet table. Cut the rice into squares and cover each piece with a generous helping of creamed chicken. It's a lot more exciting than most creamed chicken recipes.

You can use leftover or canned chicken or specially stew a chicken. If you stew a chicken, you have delicious broth to cook the rice in and to use as part of the liquid in the creamed chicken.

Chicken bouillon cubes can be added to the liquid in which the rice is cooked to give that extra flavor when broth is not available. Chunks of turkey, tuna or shrimp can be used as an alternate for chicken, too. But any way you make it, be sure you make enough because everyone is sure to want seconds.

CONFETTI RICE SQUARES

To prepare Chicken: In a 2-quart saucepan melt butter; blend in flour, salt and marjoram. Cook over low heat until mixture is smooth. Heat to boiling, stirring constantly. Boil and stir 1 minute. Remove from heat. Stir in milk. Add chicken and heat to serving temperature. Serve over Rice Squares and sprinkle with paprika. Makes 8 servings.
