MAYOR'S OFFICE,

BALTIMORE.

MEMORANDUM.

Baltimore, May 25,1904.

1554 City Engineer Fendall tells me this proposed parking would be on property belonging to the State of Maryland. Has the Park Board legal right to maintain other than City property; and should not this property be deeded to and accepted by city, for park purposes?

Should not the consent of the Board of Trustees of the Fifth Regiment Armory be in writing, and attached to this proposed ordinance?

What about some expression from the Park Board?
