Beauty tips for women, Nov. 13

Make-up and grooming advice for the young black woman from an expert cosmetologist will be offered Tuesday, November 13, in a program scheduled at 6 p.m. at the Walbrook branch of the Enoch Pratt Free Library, North Ave. near Hilton Street.

A trained beauty culture representative from a major department store will introduce a cosmetics line designed especially for black women, and will demonstrate how the products can be used to the best advantage.

Books and pamphlets from the Pratt collection on hair and skin care, make-up, and grooming will be available for borrowing.

Admission to the program will be free, with seating provided on a first-come, first-served basis.

PEARL BAILEY

Pearl Bailey hospitalized

LAS VEGAS (UPI) — Singer Pearl Bailey will remain under observation in Sunrise Hospital for several days as a precautionary measure, her physician said Tuesday.

Miss Bailey, 55, was taken to the hospital Monday night when she collapsed after the early show in the Tropicana Hotel.

She was placed in the intensive care unit because of her previous history of heart attacks, but hospital attendants said she apparently was suffering only from fatigue.

Health problems have bothered Miss Bailey repeatedly in recent years. In 1965, she was hospitalized on five different occasions and once collapsed in a Manhattan supper club that year and went out to give a second hour-long performance after being given oxygen.

In 1972, she was treated for two mild heart attacks within a month. Later that year, she received the "Heart of the Year" award from President Nixon, who cited her courage as a good example for others with heart problems.

Postal Service offers mailing tips for Yule

In an effort to help holiday shoppers with their "mailing worries," Warren M. Bloomberg, U.S. Postal Service district manager, offers the following helpful tips.

If a single item is being mailed, it should be cushioned with shredded paper, excelsior, compressed tissue paper, cloth or expanded plastic foam.

Tape used to seal containers should be durable type and should cover or secure firmly all flaps.

Paper for the outer wrapping should be at least equal in quality and strength to the kraft stock used for grocery bags. Incidentally, such bags, in good condition, provide excellent wapping when trimmed to the proper size to fit the package snuggly.

Wrapped packages also should be secured with strong twine, not ordinary light string. Twine should be knotted at several intersecting points to keep it from loosening.

All packages that contain delicate articles should be marked — FRAGILE.

Each package should contain the name and address of the person to whom it is being mailed inside the package as well as outside. An address contained inside is insurance that it will be received promptly even if accidentally opened or if the outside address should become obliterated.

Be sure to put your return address on the package.

And, finally, address the package correctly and legibly. Be sure to include the ZIP Code.

DEATH NOTICES — When a loved one dies, you can have your funeral director let your friends know. Simply call AFRO Classified, 728-8200. Death notices accepted up until two hours before publication, noon on Tuesdays and Fridays.

Tormenting Rectal Itch Of Hemorrhoidal Tissues Promptly Relieved
Gives Prompt, Temporary Relief from Such Burning Itch and Pain in Many Cases.
The burning itch and pain caused by infection and inflammation in hemorrhoidal tissues can cause much suffering. But there is an exclusive formulation that in many cases gives prompt relief for hours from this itch and pain so that the sufferer is more comfortable again. It also actually helps shrink swelling of hemorrhoidal tissues caused by inflammation and infection.
Tests by doctors on hundreds of patients in New York City, Washington, D.C. and at a Midwest Medical Center reported similar successful results in many cases. This is the same medication you can buy at any drug counter under the name *Preparation H®*.
Preparation H also lubricates to protect the inflamed surface area and it doesn't sting or smart. In fact it has very soothing qualities which make it especially helpful during the night when itching becomes more intense.
There's no other formula like Preparation H. In ointment or suppository form.
