CORRESPONDENCE.

DEPARTMENT

OF

PUBLIC PARKS AND SQUARES.

Baltimore, May 28th, 1904.

Mr. W. Cabell Bruce,

City Solicitor.

Dear Sir:-

1566 I am very desirous to get at the bottom of the relations between the Parks and the United Railways and Electric Company, and particularly at the right of the Park Board to have an accounting from the United Railways and Electric Company, so that the Park Board may see that the per centum of the earnings of the road to which it is entitled, is paid to it.

Having lost all my Acts of Assembly and Ordinances, I am like a man without hands, therefore, I request that you have one of the young men in your office examine this matter and furnish me with a statement of the Acts of Assembly and Ordinances relating to this subject so that I may look into it.

Very truly,

(Signed) Richard M. Venable.
