OPINION.

File No. 3788.

LAW DEPARTMENT.

Baltimore, November 22,1905.

B. T. Fendall, Esq.,
City Engineer.

Dear Sir:-

I return herewith the letter from Dr. H. H. Biedler to you, dated the 20th inst., with reference to the re-erection of the broken hitching post to which he refers.

If the right to erect this hitching post had been exercised at the time that the Semmes Law went into effect, which was April 12, 1904, I think that Dr. Biedler can lawfully restore it now. In other words, if the hitching post was standing on that day, I think that he

2959 can lawfully restore it now.

Truly yours,
(Signed) W. Cabell Bruce,
City Solicitor.
