WE HAVE A LARGE SELECTION OF CHRISTMAS WREATHS AND DECORATIVE GARLANDS FOR YOUR HOLIDAY NEEDS!

MAKE A&P WEO YOUR HEADQUARTERS —FOR YOUR HOLIDAY— BAKING NEEDS, NUTS IN SHELL AND CHRISTMAS CANDY!

THANK YOU, MR. PRESIDENT.

Since A & P announced Operation Aware, the response has been tremendous. And perhaps the number one response came from America's number one citizen.

In a letter to A & P, President Ford wrote:

"Your effort to hold the line on prices and help consumers with an early warning system is a real contribution to fighting inflation.

Americans need the encouragement such a program offers. It will give them hope inflation can be conquered if we all work toward that goal.

Stabilizing the American economy will take time. But it can be done if each one does what he can.

A & P is to be congratulated on its program."

Maybe we started something. Other food stores have followed A & P with programs of their own. And we invite all our competitors to do the same.

We're trying to win a fight against inflation and inflation is everybody's battle. Here are the first steps we're taking to fight it.

1. AN EARLY WARNING SYSTEM ON PRICE INCREASES: THE AWARE LIST.

Every week we will voluntarily post a list of price increases such as those received from manufacturers a full seven days before we actually change our price. That gives you one week to purchase at the old price—subject, of course, to product availability. You'll also find "Be Aware" shelf tags on many frequently purchased items, with the day of the price increase right on the tag. Of course, the Aware List won't include perishables like meat, eggs or fresh fruit and vegetables, where markets fluctuate daily; items controlled by law; or advertised specials. So before you plan your next week's shopping list, check this week's Aware List.

2. A PRICE FREEZE ON A&P PRIVATE LABELS.

A & P voluntarily has put a ceiling on over 1000 A & P Products. (Smaller stores may not regularly stock all items, but a list is available in all stores.) That means prices will go no higher at least until the end of the year, on many products that you use everyday . . . bread, cheese, pasta, coffee, non-fat dry milk, frozen dinners and canned peas and corn. Advertised specials below the freeze prices will still be offered. We've put the freeze on our private labels because they represent the best values in our stores. And we'll hold down the prices, even if our ingredient costs go up.

3. OUR 13 POINT CONSUMER PROTECTION POLICY.

It's our continuing commitment to making you an Aware shopper by reminding you of what every A & P store owes you and by informing you of ways to get the most for your money. Look for the signs going up inside A & P stores spelling out all the protection A & P gives you:
1. Guaranteed Satisfaction 2. Exceptional Value 3. Low Price With Absolutely No Compromise in Quality 4. Rain Check-Product Availability 5. Product Freshness Through Open Dating 6. Consumer Information 7. Courteous Service 8. Cleanliness 9. Safe And Healthy Products 10. Shopping Convenience 11. The Butcher's Pledge 12. Variety of Choice and 13. People To People Communication.
