Worcester County Planning & Zoning Commission

Lot 2 is approved for agricultural purposes only. Any future approval for water and sewage systems to utilize this land for building purposes will be subject to the regulations in effect at that time.

1. The grant of a permit or approval of this subdivision shall not constitute a representation, guarantee, or warranty of any kind by Worcester County or by any official or employee thereof of the practicability or safety of any proposed use and shall create no liability upon the county, its officials or employees.
2. Any approval by the Worcester County Health Department of any sewer or water system or suitability thereof is based upon state and county standards existing as of the date of approval; such standards are subject to change and a building permit denied in the future, in the event standards cannot be met as of the date of application for such permit.
