Clean Blocks protect homes

Rosemont neighbors purchased 100 trash cans for area. These trash cans were purchased through Self Help Housing from Mondawmin Pantry Pride. They were purchased for $4.49 each. Shown here giving a check to the manager, James E. Knight, are Mrs. Aretha Manning, Block Captain; Mrs. Shirley Fisher, President and Miss Ann Richmond, Environmental Coordinator, Self Help Housing.

Rosemont area fights rats

Neighbors in the Rosemont area bought 100 metal trash cans for neighbors. This association is trying to keep their area clean and without rats. In order to do this, they know metal trash cans with tops is the only solution.

They purchased these cans through Self - Help Housing. Pantry Pride gave the best price, $4 per can for 100 so they purchased the cans from the Mondawmin Pantry Pride where there is a black manager.

The Rosemont Association hopes this will encourage other neighborhood organizations to buy cans in bulk.

Anyone wanting to purchase cans in a large number, should call, Richard Lewis, Self-Help Housing, 685 - 4141.

The Rosemont Home Owners and Tenant Association is bounded by Ashburton, Bentalou, Edmondson and Franklin Streets.

Officers of the association are: Mesdames Shirley Fisher, president; Ruby Boulware, vice - president; Catherine Daniels, secretary; Jessie Boulware, treasurer and Arnetta Johnson, financial secretary.

Rules and Regulations

Purpose

The purpose of this campaign is to get all residents in your block to keep a clean home and beautify the block.

A clean block is one in which steps and sidewalks are washed once a day and the street kept free from trash.

Woodwork is kept free from fingerprings and vestibules are scrubbed. Windows are kept clean and curtains hung evenly. Garbage and trash cans are removed as soon as emptied.

Windowboxes have flowers in them as well as on the porch.

No one sits at the front window or on the front steps, unless his clothing be neat and clean.

Loud talking or any other disturbance which annoys others is not permitted.

A beautiful block must have flowers in it, and must be clean both back and front.

Judges

One hundred percent cooperation of the block residents will be attested by the window signs as well as by the improved appearance of the block itself.

Explanation

A block is a row of houses between two cross streets. For the purpose of this campaign, a block includes the houses on both sides of the street.

There must be three or more houses before there is a block.

Window Signs

Judges appointed by the director, will choose the best block on these counts. (1) Appearance of block at time of inspection. (2) Improvement of block over what it was when contest began. (3) Theary of the flowers.

Judges may make as many inspections as they see fit in case of delay, dispute or contest, the director's decision will be final in all cases.

Prizes

Special certificates of merit will be awarded to all workers recommended by captain and advisor.

Cash prizes and flags will be awarded to blocks showing the most improvement.

Cash prizes should be used for block parties or improvement in the block and the spending of the money should be voted upon in the block.

The Eutaw-Marshburn Elementary School Brown Memorial Tutorial Program recently toured the AFRO for the Newspaper in the Classroom Project.

Or sat quietly in a chair;
Perhaps you sent beautiful flowers.

Whatever you did to console the heart,
We "THANK YOU" so much — whatever the part.
