As a tribute to America's 200th Birthday, the editors of Random House and McCall's have created for you one of the finest treasuries of recipes ever assembled — McCall's Great American Recipe Card Collection.
Capturing the spirit of America through its recipes, we have brought together famous dishes from the great riverboats and restaurants . . . spicy Creole dishes from New Orleans . . . chowders and barbecues . . . stews and casseroles . . . cakes and pies from the 50 states.
We have combed through century-old files to recover long-lost, mouth-watering recipes from early America, and have captured all of their variety, elegance, and excitement on individual RECIPE CARDS. Each card has a full-color photograph of the dish just as it will appear on your table. The cards are plastic-coated and stain-resistant. And what is even more exciting, they are available NOW!
Start acquiring the entire collection on your next visit to our supermarket. You will find it a most delightful and rewarding experience.
