Elm trees replaced

By Arnetta Lottier

City Forrestry replaced 700 Elm trees in the Baltimore area a few weeks ago. Remember the city's action in spraying the Elm trees when so many were hit with the Dutch Elm disease?

John Bukema, Park Forestry, said his department sent over 900 applications to the areas that had lost the Elm trees. Unfortunately, they only received responses from 600 persons. Some folk, seeing the trees planted called Park Forestry to have their trees replaced. Most of these requests were filled. Mr. Bukema explained it is too late now to plant these trees.

When applications come in the mail asking if you want a tree in front of your house, remember, they must be filled out immediately and returned.

Some of the streets receiving new Elm trees are: Carlview Ave., Glen Allen Drive, Roland Ave., Ashburton area, Homewood, Northwood, Argonne Drive and Lochwood Rd.

Orchids to

Ms. Mereida Goodman, Housing and Community Development, for her response to the problem of the vacant house in the 900 block N. Wolfe St. Neighbors had complained about the odor coming from this house. The owner of the house has been given 10 days to clean out and board up. If he doesn't the city will do it and put a lien against the property.

Rat Eradication for their prompt attention to the plea from a neighbor in the 1600 block Ruxton Ave. A resident has rats and rat holes all over her yard and seemingly hasn't done anything about it. A call to Rat Eradication and they immediately responded by visiting this yard and doing the necessary things to get rid of them. Neighbors in this area should watch their yards carefully to make sure these rats don't take up residence there.

Public Housing beautification

Dear Resident:

Once again, the winter months are behind us and our attention is now directed toward beautifying our lawns, gardens, homes and communities as a part of the Annual Spring Beautification Program and activities.

This is the time of year when residents and the housing development staff combine their efforts to make public housing communities among the most attractive in Baltimore City. With your help and support, Baltimore's public housing, with its many beautiful lawns, gardens, flower beds and balconies, will continue to be a center of attention, not only for fellow neighbors to see and admire, but also for the many visitors from other communities.

We all hope that this year's Spring Beautification will be extremely successful — with your cooperation, it will.

To further assist you in your beautification activities, grass seed, flower seeds and gardening tools will be available in the Maintenance Shop at no charge.

If you should have any questions regarding the Spring Beautification Program, or wish to share ideas you may have on ways to further beautify your development, please do not hesitate to contact your Management Office staff.

In closing, let me thank you for your splendid cooperation during our 1977 Spring Beautification Program.

M. J. BRODIE
Commissioner Department of Housing and Community Development

Thank you!

Dear AFRO:

Please extend my sincerest thanks to your committee for selecting my name for one of Baltimore's Best. It really pleases me to know that there are warm people like you who care what's going on and who also take the time to say so.

Thanks so much!

MS. MARY SUE JOHNSON

Rules and Regulations

A block is a row of houses between two cross streets. For the purpose of this campaign, a block includes the houses on both sides of the street.

Purpose

Explanation

The purpose of this campaign is to get all residents in your block to keep a clean home and beautify the block.

A clean block is one in which steps and sidewalks are washed once a day and the street kept free from trash.

Woodwork is kept free from fingerprints and vestibules are scrubbed. Windows are kept clean and curtains and trash cans are removed as soon as emptied.

Windowboxes have flowers in them as well as on the porch.

No one sits at the front window or on the front steps unless his clothing be neat and clean.

Loud talking or any other disturbance which annoys others is not permitted.

A beautiful block must have flowers in it, and must be clean both back and front.

Judges

One hundred percent cooperation of the block residents will be attested, by the window signs as well as by the improved appearance of the block itself.

IN MEMORIAM

COOK — In loving memory of my wife, ANNIE T. COOK, who passed away May 31, 1953.
Beyond life's Gateway there's an open gate
At the end of the road, through which each must go alone.
And there in a light we can not see
Our Father claims his own.
Beyond the gate your loved one finds happiness and rest,
And there is comfort in the thought; that a loving God knows best.
Husband
WINFREDA. COOK
