Prince George's County September 4th 1811 —

Anthony Davis, aged seventy six years, deposeth & saith, that his father Arnold Davis, late of Prince George's County deceased was possessed of a number of negro slaves, and that the elder and parents of most of them, was a certain negro man named Cheser, and a negro woman named Maria, which negro man & woman, the deponent always understood & believed were brought from Africa and purchased by his said father as slaves, and that from their language, colour, which was as black as other negroes and woolly hair, this deponent never doubted or knew it to be doubted that the negroes aforesaid were africans. This deponent says his said father has been dead about ~~forty~~ sixty five or six years. — that the said negro Maria died before his father, as well as he can collect. The names of her children were Nan, Luca, Sukey, Molly, Celia, & Simon. — This deponent further says ~~further says~~ that the above named Maria, was the only ~~black~~ negro woman of that name, of which his father was possessed. There was a yellow man named Malaquaiar back in his father's family. This deponent was about the age of Celia before mentioned.

this deponent understood what he has above stated, about the
