Your petitioner therefore further, respectfully to present to your Honors together with this his petition an account for passage against the estate of the said George Scott Deceased for one moiety or half part of the rents and profits of the Land, Negro's &c held jointly between them as aforesaid from the time the same came into their possession to the death of the said Robert, whereof no part hath been accounted for to the said Robert Turner Cary Deceased in his life time by the said George Scott, or to your petitioner as administrator aforesaid since the death of the said Robert

Your petitioner therefore prays that the said George French may be compelled without delay to settle the estate of the said George Scott Deceased as by law he is required, that your petitioner may be enabled thereby to discharge his duties in the settlement of the estate of the said Robert Turner Cary and that he be compelled by due process to settle and liquidate the claim of the said R. T. Cary against him as adm.r of the said G. Scott. and that your Honors will further do and act in the premises as to justice, equity and good conscience appertain — And your petitioner will pray &c —
