MARYLAND DEPARTMENT OF TRANSPORTATION

NOTICE TO ARCHITECTS & ENGINEERS

TRANSPORTATION PROFESSIONAL SERVICES SELECTION BOARD

REQUEST FOC PROFESSIONAL SERVICES

The Secretary of the Maryland Department of Transportation has certified to the Transportation Professional Services Selection Board the need by modal administrations to utilize the services of architects or engineers for the specific projects listed hereinafter by the individual modal administrations.

Firms interested in being considered for work on a Project must submit a separate letter of interest, in duplicate, for each individual Project. Each letter of interest shall be in a separate envelope marked with the specified contract number for each Project. Said letter will indicate the firm's desire to perform services and indicate what percent of the work will be subcontracted. In addition thereto, the letter of interest will specify the specific tasks or areas of expertise which are expected to be subcontracted. Interested firms and their designated subcontractors not having a current U.S. Government Form 254 on file with the Bureau of Consultant Services must submit one extra copy of same, in addition to that copy submitted with each individual letter of interest, as set forth hereinafter, or the interested firm will not be considered for services on the project. Additional information, if available, may be obtained from the responsible modal administration Project representative at the telephone number specified.

Of all the firms expressing interest in a Project, those adjudged most qualified shall be requested to submit technical and price proposals. Additional information will be supplied to the aforementioned selected firms so that they can prepare such proposals for the Project. The final contract shall be awarded on a competitive basis.

Questions concerning submissions and procedures may be addressed to the Bureau of Consultant Services, telephone number (301) 383-4000.

No response received after 4:00 P.M. on the dates specified herein will be accepted, no matter how transmitted.

1. State Highway Administration

A. Contract Number: BCS 8101

1. Project description: Rehabilitation of three (3) dual structures located along US Route 50 in Prince George's County, Maryland. The structures are designated as Bridge No. 1409 (length 176 feet) over Maryland Route 564, Bridge No. 1409D (length 81 feet) over Profile Branch and Bridge No. 1409E (length 292 feet) over Maryland Route 704. Work for all three (3) structures will include deck replacements and widenings, minor approach roadway work and maintenance of traffic control plans during construction. Minor substructure work will be required for Bridge No. 1409 and 1409D, major substructure work will be required for Bridge No. 1409E.

Consultant Services Required: Final engineering design and preparation of construction contract plans and documents, all as required for advertisement to complete construction of each site for the Project.

2. Specific Type Firm Solicited: A structural engineering firm with documented experience in design of bridge deck replacements and widenings, substructure modifications and major work and development of detailed maintenance of traffic control plans.

3. Additional Required Information: Limit letter of interest to three (3) pages. One Government Form 255 must be submitted. Also, for every firm, including subcontractors proposed, one Government Form 254 must be submitted. For each firm not already on file with the Bureau of Consultant Services, two (2) Government Form 254's must be submitted.

4. Special Requirements and/or Limitations: In completing the Government Form 255, the information required for Item No. 7 is to be limited to five (5) individuals who are proposed for performing significant productive time on the Project. Also the information required for Item No. 8 shall be limited to ten (10) similar projects and shall not exceed two (2) pages in length.

5. Special Requirements — MBE Provisions: An MBE Package must be submitted with expressions of interest pursuant to the requirements set forth in the Special Provisions referenced below. The Maryland Department of Transportation (MDOT) hereby notifies all proposers that in regard to any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit expressions of interest in response to this notice and will not be subjected to discrimination on the basis of race, color, sex or national origin in consideration for an award.

It is the goal of MDOT that minority business enterprises participate in all federal aid contracts. Each contract will contain goals for minority business enterprise participation on a contract - by - contract basis. Consultants interested in submitting an expression of interest must comply with "SPECIAL PROVISIONS, AFFIRMATIVE ACTION REQUIREMENTS, UTILIZATION OF MINORITY BUSINESS ENTERPRISE, FEDERAL AID CONSULTANT AGREEMENTS," obtainable from Bureau of Consultant Services at the address or phone number noted herein.

To comply with the aforesaid SPECIAL PROVISIONS, the consultant must submit with his expression of interest one (1) copy of Form D-EEO-003 entitled "Maryland Department of Transportation Schedule for Participation of Minority Business Enterprises" and one (1) copy of the SHA Questionnaire "Special Provisions — Affirmative Action Requirements" both of which must be obtained from the Bureau of Consultant Services by interested consultants. The consultant's failure to submit these forms will result in the consultant being disqualified from further consideration for the Reduced Candidate List on this project.

CONTRACT GOALS

FOR THE PURPOSES OF THIS CONTRACT, A GOAL OF TWELVE PERCENT (12 PERCENT) HAS BEEN ESTABLISHED FOR MINORITY PERSONS (EXCEPT WOMEN). A GOAL OF THREE PERCENT (3 PERCENT) HAS BEEN ESTABLISHED FOR WOMEN EXCLUSIVELY BOTH GOALS, WHERE APPROPRIATE, WILL BE CONSIDERED IN EVALUATING EXPRESSIONS OF INTEREST.

COMMISSIONERS OF DENTON, MARYLAND

DENTON SEWER REHABILITATION PROGRAM
PROJECT C-2-80-83-01

ADVERTISEMENT

Sealed proposals for repairing and replacing sanitary sewers will be received by the Commissioners of Denton, Town Hall, Denton, Maryland, until 2:00 P.M. Official Eastern Time, April 15, 1981, at which time and place they will be publicly opened and read aloud.

Work to be performed under this contract includes, but is not necessarily limited to, cleaning, television inspection, repair and replacement of the following approximate quantities:

900 L.F. 8 inch sewer
15,070 L.F. 10 inch sewer
70 L.F. 10 inch sewer
1,300 L.F. 12 inch sewer
370 L.F. 15 inch sewer
220 V.F. manholes

Excavation, sheeting and shoring, dewatering, backfilling and paving and miscellaneous construction required to complete the sewerage project are also included.

The "Contract Time For Completion" shall be 180 calendar days. The Contractor is therefore required to employ the necessary crews and equipment required to meet the "Contract Time For Completion" assigned to the contract.

Drawings, specifications, and other contract documents may be examined at the Denton Town Hall, Third and Gay Streets, Denton, Maryland 21629, and at the office of Burnham, Hoblitzell and Khal, 1035 North Calvert Street, Baltimore, Maryland 21202, Monday through Friday, 9:00 A.M. to 4:00 P.M. Copies may be obtained at the above mentioned address upon payment of a fee of $25 (Dollars, which is non refundable. Checks shall be made payable to COMMISSIONERS OF DENTON.

Bidders shall examine the contract drawings and specifications carefully and make a personal examination of the location and nature of the proposed work. In case doubt shall arise as to the meaning or intent of anything in the contract drawings or comprised in the specifications, inquiry shall be made of the Owner in writing before the proposal is submitted. No verbal answers to inquiries will be given. The submission of a proposal shall indicate that the bidder has thoroughly understanding the contract documents and the terms of the specifications.

To better insure fair competition and to permit a determination of the lowest bidder, unresponsive bids or bids obviously unbalanced may be rejected by the Owner.

NON-DISCRIMINATION IN EMPLOYMENT

Bidders on this work will be required to comply with the President's Executive Order Number 11246. The requirements for bidders and contractors under this order are explained in the specifications.

All work on this project shall be performed in accordance with the requirements of the Davis Bacon Act and Copeland Anti - Kickback Act.

Each proposal shall be accompanied by certified check or satisfactory bidder's bond in the amount of five percent (5 percent) of the amount of the proposal but not less than $1,000, made payable to the Commissioners of Denton and unless so accompanied will not be considered. The check or bidder's bond of the bidder to whom a contract is awarded will be forfeited to the Commissioners of Denton as liquidated damages in the event the contract and performance bond are not executed within ten (1) days after receiving the contract for execution.

All proposals must be submitted on the prepared forms, which must remain attached to the specifications. Proposals must be signed by the bidder with his name and address and must be enclosed in a sealed envelope marked "Proposal for Denton Sewer Rehabilitation Program."

Proposals made in pencil and/or in any other form than the prepared forms will not be considered. Changes in the phraseology of the proposal, additions or limiting provisions will render the proposal informal and may cause its rejection.

Proposals once submitted may not be withdrawn for a period of one hundred twenty (120) days after the date of opening of bids.

The successful bidder or bidders will be required to be bonded for both performance and payment to the Commissioners of Denton to the sum of one hundred percent (100 percent) of the amount of his proposal, using the form of bond hereto attached. The bonding company shall be licensed to do business in Maryland. The bonds will be subject to the approval of the Owner.

The right is reserved to waive informalities, to reject any or all proposals, to advertise for new bids, to proceed to do the work otherwise or to defer or abandon the work as the interests of the Owner may require.
