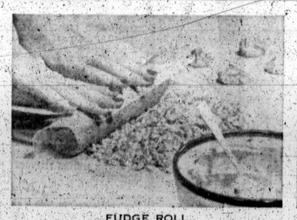
New for the holidays!
A gay variety of fudge ideas!

"CAN'T FAIL~ 5 MINUTE FUDGE"

The secret is Carnation in the red and white can—the double-rich milk that whips!

NO BEATING, no soft ball tests or candy thermometer needed. Smoother, too, because of Carnation's cream-like texture. And guaranteed failure proof when you use Carnation—ordinary milk won't do! For this year's holidays, make better fudge—quicker—with double-rich Carnation.



FUDGE ROLL
Pour caramel fudge mixture on waxed paper. Shape into roll as fudge cools. Then roll in additional nuts. Slice.

MINT FUDGE
Pour chocolate fudge into buttered 9-inch square pan. Decorate with colored mints. Allow to cool and slice into squares.

"CAN'T FAIL—5 MINUTE FUDGE"
(Makes about 2 pounds)

Mix ⅔ cup (small can) undiluted CARNATION EVAPORATED MILK, 1⅔ cups sugar and ½ teaspoon salt in saucepan over low heat. Heat to boiling, cook 5 minutes, stirring constantly. Remove from heat.

Add 1½ cups (16 medium) diced marshmallows, 1½ cups BAKER'S chocolate chips or caramel chips, 1 teaspoon vanilla and ½ cup chopped nuts. Stir 1 to 2 minutes, or until marshmallows melt. Pour into buttered 9-inch square pan. Decorate or make into roll as described above. Or spoon into drops on waxed paper.

World's leading brand of Evaporated Milk!

Apples are in spotlight; firmness sign of quality

By VIRGINIA McLUCKIE
Food Economist

Have you had your apple today? Apples are in the spotlight at the fruit counters and rightly so, because they are plentiful. There are plenty of apples, fresh, canned applesauce and golden brown cider to drink.

There are many varieties of apples, each being better suited for certain purposes than others. A few varieties are excellent for baking; others are good for dessert, and still others of general culinary purposes.

In your selection remember firmness is a sign of high quality.

When selecting a variety of apples for eating there are Red and Golden Delicious and Staymans. For salads and desserts choose Cortlands as they do not turn dark as quickly as other varieties.

For cooking Staymans, Jonathans, McIntosh and for baking Rome Beauties.

Apples are an economical fruit and should be included on your market list. The supply of canned applesauce is heavy and prices are low. For a refreshing beverage use cider since it is seasonal.

• • •

OTHER FRUIT buys include citrus. Small oranges are the best-buy. Choose firm oranges that are heavy for their size for the maximum juice content.

Tangerines are more plentiful but not so large in size. They are moderately priced. Fresh pineapple from Cuba and Puerto Rico are a good buy. Choose one that has a deep orange ground color with a typically good aroma.

At the vegetable counter you will find a large variety that is seasonal and priced in every range.

If you are looking for economies you will find white potatoes an excellent buy. The regular cooking potato, Katahdins, are of good quality and size and low in price. You may want to invest in baking potatoes or red potatoes for different cooking purposes.

Potatoes keep well in cool dark storage and it is more economical to buy in larger quantity.

• • •

RUTABAGAS, from Canada are attractively priced. This root vegetable is usually waxed heavily to keep it fresh in shipping. Served alone as a vegetable or included in stew or soup it adds a distinctive flavor.

The green vegetables on the best-buy list are cabbage and green beans. Both are much usage popular vegetables.

Try serving green beans in a sauce made from mushroom soup for a change. Cabbage that is firm and heavy for its size will give the best results when shredding or chopping. Make slaw with added fruits or vegetables for a change.

• • •

ALL SIZES of eggs are low-er in cost. Eggs are an excellent and economical source of protein. Make a practice of including an egg-a-day in the meals of every family member either as an egg or cooked in other foods.

If you plan to serve whole fish this week you will find the best-buys are Boston Mackerel and Sea Bass.

Group honors 2 residents

WASHINGTON

The "good neighbor" policy which has been talked about so much in international politics was demonstrated in a local way by neighbors of the 3500 block New Hampshire Ave., NW, this week.

The neighbors joined hands to help two of its residents celebrate their birthdays in a joint reception at the home of Dr. and Mrs. Alonzo deG. Smith, of 3516.

THE HONOREES were Miss Susan Wormley, of 3526, who celebrated her eighty-fourth birthday on Dec. 8th, and Mrs. Eugene Staples, of 3532, who will celebrate her eighty-ninth on Dec. 20. Mrs. Staples is white and has been a resident there for more than 25 years; Miss Wormley has lived there for nearly 15 .
