PUBLIC NOTICE
ORDER OF THE COURT OF
APPEALS OF MARYLAND PERTAINING
TO THE 1982 LEGISLATIVE
DISTRICTING PLAN

This is to give notice of the following Order dated March 5, 1982 in the case entitled In The Matter of Legislative Districting of the State. The procedure set forth in said Order will apply to all proceedings filed in this Court pertaining to the 1982 Legislative Districting Plan.

ORDER

The General Assembly of Maryland, pursuant to the provisions of Section 5 of Article III of the Constitution of Maryland, having enacted House Joint Resolution No. 33 on February 26, 1982 adopting a legislative districting plan (the 1982 legislative districting plan) setting forth the boundaries of the legislative districts for the election of members of the Senate and the House of Delegates, and

The Court of Appeals of Maryland, by Section 5 of Article III of the Constitution of Maryland, being vested with original jurisdiction to review the 1982 legislative districting plan upon petition of any registered voter, and to "grant appropriate relief, if it finds that the districting of the State is not consistent with requirements of either the Constitution of the United States . . . or the Constitution of Maryland," and

It being required by Section 4 of Article III of the Constitution of Maryland that each legislative district "shall consist of adjoining territory, be compact in form, . . . of substantially equal population (and that) due regard shall be given to natural boundaries and the boundaries of political subdivisions;" and

C. Lawrence Wiser, purporting to be a registered voter of the State, having invoked the original jurisdiction of the Court by petition filed March 2, 1982, challenging the constitutional validity of the 1982 legislative districting plan and requesting that the Court enter an appropriate order governing the conduct of proceedings; and

The Attorney General of Maryland having represented by petition filed on February 26, 1982 that other challenges to the validity of the 1982 legislative districting plan are imminent and that the Court should promulgate procedures to govern all actions brought under Section 5 of Article III of the Constitution of Maryland challenging the constitutionality of the 1982 legislative districting plan or any part thereof, and

It appearing from the provisions of Maryland Code (1957, 1976 Repl. Vol.) Art. 33, Sec. 4-A-3, that the last date for filing of certificates of candidacy for election to the Senate and the House of Delegates is July 6, 1982, and

It further appearing from the provisions of No. 5-2 of Article 33 that a statewide primary election for the Senate and House of Delegates is scheduled to be held on September 14, 1982, and that Section 7 of Article XV of the Constitution of Maryland requires that a statewide general election be held on November 2, 1982, and

The petitioner in the instant proceeding has noted that in view of the stated time limitations and constraints "time is of the essence in determination of the final validity of the 1982 plan;" and

The Court having concluded that an order governing the orderly conduct of proceedings challenging the 1982 legislative districting plans is in the public interest and that due notice should be given to the public of such proceedings, requiring intervention pursuant to a short schedule for filing of pleadings, memorandums, and the public hearing before a Special Master of the Court; now, therefore, this 5th day of March, 1982

ORDERED, by the Court of Appeals of Maryland, that any registered voter of the State who contends that the 1982 legislative districting plan, or any part thereof, is invalid shall file a petition to intervene, in these proceedings, by petition filed on or before Wednesday, March 31, 1982 setting forth his objection to said plan and containing the particular part or parts of the plan claimed to be unconstitutional and the factual and legal basis for such claims, and the particular relief sought, including any alternative district configuration suggested or requested by the petitioner. Any answers to said petitions shall be filed within ten days after the filing of the petition, and it is further

ORDERED that public hearings be scheduled and held in the Courts of Appeal Building, Annapolis, Maryland, on Wednesday, April 14, 1982 and continuing until completed, before the Honorable Walter McAllister, Special Master, appointed by this Court; and it is further

ORDERED that within fifteen days after the filing of the Report of the Special Master, exceptions, if any, shall be filed, and a hearing before the Court thereafter immediately scheduled; and it is further

ORDERED that the Clerk of the Court give notice to the public of this Order by publishing notice thereof in the Maryland Register and in two newspapers in each county where so many may be published, or where not more than one may be published, then in that newspaper or in three newspapers published in the City of Baltimore and one newspaper published in the District of Columbia, once a week in each of three successive weeks; and it is further

ORDERED that the Court may consider amendments of the 1982 legislative districting plan available, for a reasonable fee, to such members of the public as may request the same.
