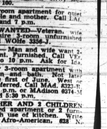
IN MEMORIAM
BROWN—In memory of my dear daughter, Margaret, who departed this life March 2, 1942.
Years have gone by since we lost our dear Maggie.
Until the day you died.
God must have loved you dearly
Or He would not have taken you from my side.
Far above the pleasant valley
Where the angels roam
If we could only hear your voice
Or look upon your face
A-while ago.



Her Loving Mother
MAMIE BROWN.

HOOPER—In loving memory of our beloved father, Samuel J. Hooper, who passed away Feb. 27, 1937.
Dear Dad, the hears of loved ones
Is not in vain
His children.
SAMUEL J. and CARRIE P. HOOPER
PHILLIPS—In memory of Frank W. Phillips Sr., who died 13 years ago, Feb. 28, 1935.
Such lives as his are dearly loved
Their time on earth is all too short
THE FAMILY.
MURPHY—In memory of our father, Daniel H. who died Feb. 28, 1942.
Death is a door we pass through
In life that is no matter for wonder
That we recoil from it, and turn to ask
questions. We know little about it, but
conventional lies, and we cherish
in our memories as intensely as if they
were still before us.
His children.
CLEMENTINE, JOHN and JEANNE
HICKS—In memory of our father and husband, Frank Hicks, who departed this life 13 years ago today.
They are waiting for the river,
The cold, dark river of death,
When your dreams are becoming
And the banks are green.
You are forgotten, father,
But we do not forget
As long as life and memory last.
We will keep you sacred in our memory
Like those we love.
FLORENCE HICKS and CHILDREN
WILLIAMS—In loving memory of my husband, Babcock—who departed this life Feb. 28, 1944.
Dear Babcock, I think of you
Each and all must tread
The path that you trod alone
Where loved ones cannot follow
There is always comfort knowing
We will meet when we pass over
Only God knows why we love you so
Only God knows why we miss you so
GREEN—In loving memory of our dear mother, Mrs. Mary Green, who departed this life one month ago, August 28, 1947.
Dear Mother, I think of you
Each and every day
Memories are all we have left
To remind us of the way
One must be first to go
Prepare to meet our God.
Her daughter, Mrs. Ethel Green
(Mrs.) VIOLA WHITE, Pres.
(Mrs.) ROSA LEE HOOKER, Sec.
(Mrs.) EDNA CORNICK, Treas.

CARD OF THANKS
The family of the late Mrs. Elizabeth Isabel Winston wishes to thank the friends for their remembrance during the illness and death of our mother, for all her kindness and thoughtfulness, and others of Allen A.M.E. Church, who officiated at her funeral.
Mr. Mary Sidney Hunt, proprietor of Hunt's Funeral Home, Mr. Jesse Winston, Baltimore; 1 Maryland Guards to thank her many relatives friends, and acquaintances for their kindness, sympathies for the many expressions of sympathy shown us in our recent bereavement of our beloved husband Walter Brent and for the many comforting words and beautiful floral tributes and flowers of the departed.
Mr. and Mrs. LeRoy Peal and family wish to express their gratitude to relatives, friends, and neighbors for floral offerings, comfort given and sympathy expressed in every way during their recent bereavement of our beloved son, Waters of Emmanuel Co. Church.

Health Official Lists Danger Signals in Cancer Discovery
Many people are alive and healthy today because they discovered cancer in its early stages, Dr. R. H. Ulrey, director of the State Department of Health, reminds the public.
If cancer is diagnosed early enough, it can be eradicated and its spread prevented by modern methods of treatment including x-ray and surgery.
Seven danger signs that may indicate the presence of cancer should be known to everybody. They are:
Danger Signals
1. A sore that does not heal, particularly about the tongue, mouth or lips.
2. A painless lump or thickening, especially in the breast, lip or tongue.
3. Irregular bleeding or discharge from the nipple or any natural body opening.
4. Progressive change in color or size of a wart, mole or birthmark.
5. Persistent indigestion.
6. Persistent hoarseness, unexplained cough or difficulty in swallowing.
7. Any change in normal bowel habits.
The mortality rate from cancer could be reduced by 25% if all the facts now known concerning diagnosis and treatment could be put to full use.
