Vote for Dewey, Warren; Split Ballot for Camper

Vote 'Yes' for All 22 Amendments, Loans; Pull Lever Down Over Physician's Name

To vote for Dr. Camper, no matter what your party affiliation, simply pull the level down OVER his name. Be sure that the lever covers the name—Camper.

By PEYTON GRAY

As the 1948 Presidential Election campaign draws to a close, AFRO readers are urged to vote for the Dewey-Warren Republicon ticket, splitting the ballot in the Fourth Congressional District to favor the election of Dr. J. E. T. Camper, and to vote YES on all of the 22 amendments and loans.

The outstanding liberal and democratic record of Dewey as Governor of New York earned him the support of the AFRO in 1944 and again this year.

Campaign managers cite Gov. Dewey's work in affecting the passage of a FEPC measure in the Empire State and the fact that he has appointed hundreds of colored persons to miscellaneous positions throughout the State.

Camper Local Choice

On the local front the candidacy of Dr. Camper is endorsed because of his fearlessness, his reputation as a civic leader and prominent physician and because the AFRO feels he is the more qualified man for the Senatorial post.

The 14 loans, passed by the city council last Spring, entail a total outlay of more than 14 million dollars and cover a varied assortment of city improvements.

Loans Endorsed

These improvements range from an eight million-dollar health bill to measures providing for slum clearance and repaving the city streets. Numerous organizations have endorsed these loans.

The amendments, affecting general changes in the State Constitution, include measures which have been under consideration by lawmakers for quite some time. They are favorable.

57,000 Minority Voters

The campaign in Baltimore has been quiet, drab and without too much color and mud-slinging. Observers predict that the vote will be light on Tuesday.

Of the 650,000 eligible voters in Baltimore, only 384,869 are registered. Of this number, 83,735 are Republicans, 288,077 are Democrats and the balance independent voters. Approximately 57,000 are colored.

Last-Minute Drive

Because of a slow start political bosses, late this week, began cracking their whips in an effort to stir up an interest in the closing days of the drive.

The bigwigs literally scraped the bottom of the barrel m seeking means of raising funds. The Republicans were reported far short of their $200,000 goal while the Democrats scuffled to raise their $75,000 figure.

Both of the major parties have been concentrating on ward and precinct meetings in homes in the various neighborhoods as a means of direct contact with the voter.

Democrats Active

On a larger scale, however, the members of the 16th Ward Democratic Club sponsored a mass meeting at the Fulton Memorial Baptist Church, Thursday evening.

Party leaders, including Mrs. Vivian Alleyne, Mrs. Victorine Adams, U. Theodore Hayes, Lloyal Randolph, Dr. Thomas Pitts and Joe Neal were present.

Door-to-Door Appeal

During the day, members of the Womens' Division of the Democratic Campaign Committee are conducting a door-to-door block campaign in the various sections of the city.

The Republicans are following a similar policy in that they, too, are working directly with the masses. Mrs. Verna Gosnell reports that 170 Dewey-Warren clubs have been organized with one in every precinct of the city.

These clubs, under the direction of Victor Johnson, Washington chairman of the movement, represent approximately 1700 persons, mostly women.

Progressives' Program

Mrs. Gosnell stated the main objective of the clubs is to aid in the election of Dewey and Warren. She is assisted by Mrs. Mabel Coleman, secretary.

The Progressives, born of the Roosevelt New Dealers, is sponsoring the election of Henry Wallace and Senator Glen Taylor for president and vice-president respectively.

However, they have entered three candidates in the Congressional race in the Second, Third and Fourth Districts.

Because of the heavy concentration of colored voters in the Fourth District, they feel they have a "fighting chance" of sending Dr. J. E. T. Camper to the Fourth District seat. A mass meeting is scheduled to be held at Gillis Memorial Church on Sunday, at 3 p.m.

Second District Contest

Though Michael J. Clifford will represent the Progressives in the Second District which embraces part of west Baltimore and all of Baltimore County, the real contest in that district will be between A. Earl Shipley (GOP, Carroll county) and William P. Bolton of Baltimore county, Democrat.

Mr. Bolton, a member of the State Senate, unseated the incumbent Second District Congressman Hugh A. Meade in the spring primary election.

Garmatz in Third District

In the Third District, covering East Baltimore, Representative Edward A. Garmatz is expected to retain his post, formerly held by Mayor D'Alesandro. However, he will face John A. Janetzke, Republican, and the Progressive's Philip Kulinski.

The Fifth District, in which part of South Baltimore lies will bring acton from the present officeholder, Lansdale G. Sasscer (Dem.) and his Republican opponent, C. Maurice Weidemeyer.

Judicial Candidates

Down at the bottom of the ballots will be the names of Associate Judge Robert France of the Supreme Bench and Associate Judge James L. Hennegan.

The position of Judge France is unique in that he was elected to a full term on the Supreme Bench when he won both the Republican and Democratic nominations in last spring's primary. A vote for Judge France will merely formalize his choice by the people.

Judge Hennegan was appointed to the People's Court in January, 1947. On Tuesday he will face election or rejection by the voters on the basis of his record. Judge France will carry the vote and the public should vote in favor of the retention of Judge Hennegan.
