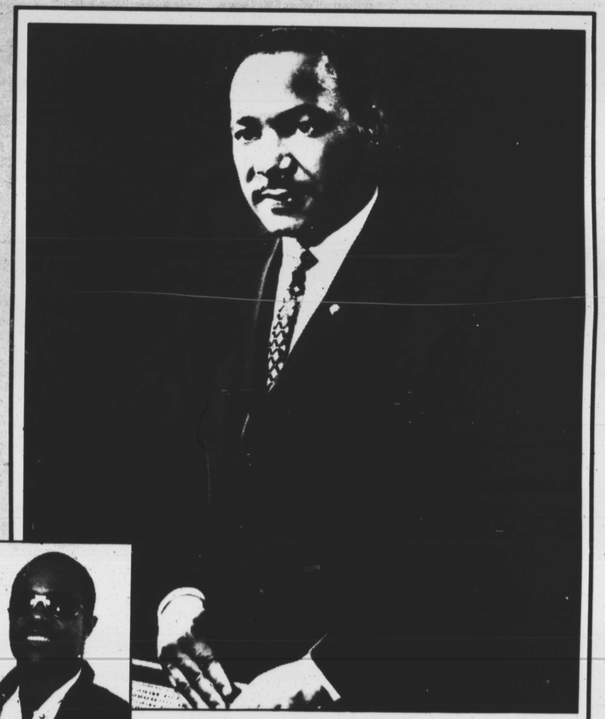
Happy Birthday Dr. King



Stevie Wonder

By Stevie Wonder

You know it doesn't make much sense
There ought to be a law against
Anyone who takes offense
A day in your celebration
'Cause we all know in our minds
That there ought to be a time
That we can set aside
to show just how much we love you
And I'm sure you will agree
It couldn't fit more perfectly
Than to have a world party on the day you came
to be...
I just never understood
How a man who died for good
Could not have a day that would
Be set aside for his recognition
Because some cannot see
The dream as clear as he
that they should make it become an illusion
And we all know everything
That he stood for time will bring
For in peace our hearts will sing
Thanks to Martin Luther King
The time is overdue.
For people like me and you
You know the way to truth
Is love and unity to all God's children
It should be a great event
And the whole day should be spent
In full remembrance
Of those who lived and died for the oneness of
all people
So let us all begin
We know that love can win
Let it out don't hold it in
Sing as loud as you can
Happy Birthday to you...
