Revere Company Policy Praised

The Revere Copper and Brass Company was commended for its personnel policies and public relations program this week by Alexander J. Allen Jr., Urban League executive secretary.

The commendation was prompted by a news release issued by the company entitled "Teamwork Made the USA," in which Elzie Williams, a machinist, was portrayed as a conscientious American citizen participating in various group activities and contributing to the success of a large and thriving industrial organization.

Mr. Allen stated in his letter of commendation that the release "is not only gratifying to us as an agency, but is is heartening to the many similar workers who need such encouragement."

Morale Builder

Interested in improving the industrial and economic status of workers, the Urban League pointed out that such a release is a forward step toward increasing goodwill among racial groups and strengthening the morale of employees in the plant.

Revere Copper and Brass has employed colored workers in skilled jobs over a longer period than most local companies and is considered one of the most liberal and progressive organizations in the community.

Guard Unit Plans Yule Benefit Social

The members of the 231st TC Truck Battalion, National Guard, will observe the second anniversary of the organization in a benefit social in the drill hall of the Richmond Market Armory, Howard and Biddle Sts., Saturday evening.

The social will be in conjunction with the guardsmen's current drive to collect donations for a Christmas party for needy families.

Regardless of race, destitute families will receive baskets and toys for their children at a party to be held Christmas Eve.

Major Vernon Green is commanding officer of the 231st. Its two sub-units, the 147th and 726th Truck Companies, are commanded by Captains Melvin Cade and Bedford Beatley, respectively.

Chick Webb Center Marks Birthday

A birthday party sponsored by the Teen-age Council, Thursday night, climaxed a week-long observance of the first anniversary of Chick Webb Memorial Center.

Attended by some 300 teenagers, the party was one of two major events scheduled during the anniversary week. The other is a young children's program to be given tonight (Friday).

Adults Visit Center

Hundreds of adults took advantage of open house at the center this week, to get their first look at the $150,000 memorial to Baltimore-born Chick Webb, internationally famed drummer.

No formal anniversary program was given at the center but the open house and the youth activities provided activity throughout the week.

The center is located at 823 N. Eden St., Clement L. Nixon is director.

To Los Angeles

Mrs. Anita B. Ackers, at 1420 Druid Hill Ave., will leave for Los Angeles, Cal., on Dec. 15, to visit her son, Albert, who has established his residence there. Mrs. Ackers will return in March, 1949.

Landlords Pay $50 Fines for Neglecting Property

Cracking down on landlords who neglect police orders to make necessary repairs and improvements on their property, Magistrate Harry S. Kruger fined two of them $50 and costs each in Housing Court, Tuesday.

Commenting on both cases, Magistrate Kruger observed:

"In failing to comply with the orders of these police officers, you have not only challenged the law, but also jeopardized the safety and health of your tenants, and the community at large."

One of the defendants is Shavlon Stein, a white hardware merchant of the 900 block N. Caroline St.

Without Water Two Weeks

Officer John Reynolds, Northeastern District, testified that a family living in Stein's property at 1411 Barnes St., have been without water and toilet facilities for two weeks.

"The house is a general wreck; a health and fire hazard and one of the worst cases I've handled," Officer Reynolds opined.

Stein explained he had bought the property to use as a warehouse but after being ordered to make repairs, experienced difficulty in obtaining materials.

In the second such case, Mrs. Marjorie Martinez received a similar penalty for failing to make ordered repairs and have trash removed from a dwelling at 1143 Park Ave.

Blames Agent

The accused said the property had been in the hands of an agent and that she had no knowledge of its condition until she received a summons from the police.

Abe Epstein, white, paid a $20 fine for failing to improve toilet facilities at 442 Orchard St. The first notice in this case had been issued on May 17, 1948, but through Tuesday, nothing had been done to correct the condition.

Again, the shortage of materials was cited as an excuse for not complying with the order.

237 Rent Refunds Made in October

"Impartiality in dealing with landlords and tenants in problems of rent control is one of the chief aims of the agency," declared Walter R. Heath, area rent director, who cited facts and figures to substantiate the statement.

He pointed out that during October, 45 tenants received refunds from landlords, while for the same period 400 landlord's petitions for rent increases were approved, affecting 453 tenants.

The total figures reported for each classification of action since January showed that 237 tenants received refunds for overcharges, and rent increases were granted to 3,199 landlords on 3,546 units.

Added Mr. Heath: "We are aware of the rising cost of many of the items that go into the operation of rental property and our adjustment provisions take care of that. At the same time we are concerned about protecting tenants against violations."

The rent control office is at 400 E. Lombard St.

NO THROAT IRRITATION due to smoking CAMELS!

MAKE YOUR OWN 30-DAY CAMEL MILDNESS TEST. Smoke Camels, and only Camels, for 30 days. Prove for yourself just *how* mild Camels *are!*

Hundreds of men and women, from coast to coast, recently made a similar test. They smoked an average of one to two packs of Camels a day for 30 days. Their throats were carefully examined by noted throat specialists. And after a total of 2470 exacting examinations—these throat specialists reported *not one single case of throat irritation due to smoking Camels!*

But prove it yourself ... in your "T-Zone" (T for Taste and T for Throat). Let YOUR OWN TASTE tell you about the rich, full flavor of Camel's choice tobaccos. Let YOUR OWN THROAT give the good news of Camel's cool, cool mildness.

Money-Back Guarantee!

Try Camels and use them as you smoke them. If, at any time, you are not convinced that Camels are the mildest cigarette you ever smoked, return the package with the unused Camels and we will refund its full purchase price, plus postage. (Signed) R. J. Reynolds Tobacco Company, Winston-Salem, North Carolina

According to a Nationwide survey:
MORE DOCTORS SMOKE CAMELS THAN ANY OTHER CIGARETTE
Doctors smoke for pleasure, too! And when three leading independent research organizations asked 113,597 doctors what cigarette they smoked, the brand named most was Camel!
