What's so special about KOOL Achievers?

They're bucking the odds and making a difference.

Today's KOOL Achievers are sowing seeds for tomorrow's growth in America's inner cities. Often working behind the scenes, these dedicated professionals and volunteers are creating a better way of life for urban communities.

One award recipient will be selected in each of five categories: Arts, Business, Civic, Communications and Education.

This year, $50,000 will be contributed to non-profit, inner-city services chosen by the award recipients.

Please join us and major community organizations* in the search to identify KOOL Achievers.

If you know a KOOL Achiever, please contact:
