Scenes at Carver as AFRO Football Trophy Was Presented

Every successful team has its strategy and maintenance planned before the battle, even as armies must do in time of war. Here, Coach Sodie White (left) discusses athletic budget figures with Principal Saul Perdue in the latter's office.

Sharing honors with the boys they rooted into the city gridiron championship were these Carver Vocational High School cheerleaders. From left to right, they are: Misses Sarah Newkirk, Virginia Turner, Sarah Anthony, Nina Mae Smith, Ellastine McRae and Evelyn Parker.

A lesson in sportsmanship is provided in this picture, showing Earl Warner, Douglass High football captain, right, chatting with Capt. Charles Weaver of Carver. Warner and Dunbar High School's grid captain were invited by Weaver to participate in the Carver program.

Carver Captain in Acceptance Speech

Charles Weaver, senior at Carver Vocational High School and captain of the championship football team, represented the team and the student body in accepting the AFRO football trophy at the annual gridiron assembly at the school Thursday.

In accepting the trophy, Weaver said:

"As captain of the Carver 1948 football team, I accept this trophy denoting the city championship. The fact that this is the first time that the trophy has been awarded adds to the significance of it and makes Carver doubly proud to have won it for a year.

"I believe we realize the importance of being designated as champions and, as always, we will work hard in our efforts to maintain a good team. Thanks to you, Mr. Lacy, and to the AFRO for this presentation.

"Let me express the appreciation of the football squad to the faculty and student body for their support throughout the season. Especially are we grateful to the student body for their wholehearted support. Without it, we would not have had the successful season we have had.

"It has been an honor to be selected captain this past season. I would like to wish, on behalf of those members who are graduating, a more successful season to the 1949 football team in that they will not be scored upon."

Carver High Recipient of AFRO Grid Trophy

The first annual AFRO Football Trophy was presented Thursday afternoon at Carver Vocational High School with approximately 50 students and faculty members applauding enthusiastically.

Presentation was made by Sam Lacy AFRO Sports Editor, who urged the school to take the gesture as a stimulant to local high school athletics.

Charles Weaver, captain of the Carver eleven, 1948 scholastic champions, accepted the trophy and spoke briefly on behalf of the players and student body.

The AFRO trophy, a three-leg award, was put into competition for the first time last year. It will go annually to the high school winning the city football title. The first school to win three legs on it will retire the trophy permanently.

A 27-inch, gold-column award on an 8-inch ivory base now adorns the school's trophy case, with Carver High School inscribed as the first (1948) winner.

The program was opened by James Early, Carver faculty member and football official, who acted as master of ceremonies. The presentation followed singing of "Study War No More," by the assemblage under the leadership of A. Sinclair Swan, music instructor.

Award of letters and gold footballs was made by Coach Lloyd (Sodie) White and Principal Saul Perdue, who also acknowledged receipt of the trophy.

Members of the Carver High School football team, city champions of 1948 and winners of the first AFRO trophy, eat turkey and ice cream at a banquet in their honor. The affair preceded presentation of trophy at the school Thursday afternoon.

Text of AFRO Presentation Speech to Carver Eleven

Following is the text of the presentation speech, made at the Carver Vocational High School banquet Thursday. The occasion was the first annual award of the AFRO Football Trophy to Carver for winning the 1948 city gridiron championship. Presentation was made by Sam Lacy, AFRO sports editor.

The AFRO-AMERICAN is happy to join today with Carver High School in celebrating your noteworthy achievement in winning the city high school football championship.

We hope that the time is not too far away when there will be no necessity to have two separate sets of schoolboy champions in Baltimore because, until that time, the champions we name will merely be the best of their particular group, not of the entire city.

But as long as we have a separate school system which prohibits the development, through fast competition among all racial groups, of champions who have earned every test, it will be our responsibility to see that the athletes developed by us shall measure up to the highest accepted standards of ability, stamina, co-ordination and good sportsmanship.

In winning this AFRO trophy, Carver football players, under the direction of Coach Lloyd White have defeated, not only their local opponents, but have proved themselves superior to the long-established and older, teams of the South Atlantic Conference.

We must keep in mind, though, that the head which wears the crown is usually uneasy. You won't be able to rest on your laurels for come next season, your opponents will be pointing to dethrone you. It is hard enough to become a champion, but it is even harder to stay one.

Then, too, It must be kept in mind that victory itself is a hollow thing. With it must always be high sportsmanship, honesty and humility. No one likes a person who has won by unfair means or one who, after winning fairly, is a braggart and a showoff.

That is the ever-present danger in competitive sports but, knowing the fine athletic history of Carver and those who control its destiny, I have no fear that anything like that will happen here.

The AFRO hopes that the fine record made by Carver in winning this trophy will inspire high school athletes throughout the city to redouble their efforts. This is a three-legged trophy and until it is won three times by one school, it will remain in competition.

The AFRO hopes further that this beautiful trophy will not only inspire the members of your football team but that it will also inspire all members of the Carver student body to give increased support to your well-rounded sports program.

There is still room for plenty of improvement in the attendance at high school football games in Baltimore and there is room for improvement in the conduct of our rooters at these games.

Principal Perdue and Coach White would like to be able to report that every member of the student body was present at each game to cheer the team. And, you know, cheering is needed much more when the team is losing than when it is winning.

There is room for improvement in our cheering sections. The cheer leaders, headed by Miss Sara Johnson and Virginia Turner can't do the job by themselves. They need the support and vocal power of every student and they need material with which to work.

There is enough talent in Carver—both students and faculty—to work out some new cheers and songs. These should be practiced again and again so that every member of the student body knows them and knows how to execute them.

Sooner or later, each of our high schools should have a uniformed band of its own. This will add color to the games and do much to stimulate attendance on the part of the general public. The public will turn out if it is convinced that it will get a run for its money.

If you don't believe this, you should go to Richmond, Va. one year and see the crowd that turned out for the annual championship game between the teams of Maggie Walker and Armstrong high schools. Their last season game drew a crowd of 20,000, twice as many as attended any college game played in the area during the entire season.

These two schools have learned what it takes to capitalize the public imagination. In addition to producing a good contest between two well-trained teams they also provide the pageantry that can be created with uniformed bands, majorettes, floats and organized cheering sections.

There is every reason to believe that what has been accomplished in Richmond, which has only two high schools and a much smaller population, can be accomplished in Baltimore.

And because it believes in the future of local high school athletics, the AFRO is willing to provide this trophy, the winning of which must represent the highest round of achievement in skill, conduct, school spirit and sportsmanship.

As winners for the past season, you must ever keep in mind that you could not have won had there not been other teams that lost. Losses are important too, for without them there can be no winners. And in the event Carver is ever found on the losing side, I sincerely hope that you will be able to take your defeat as gracefully as you have taken your latest victory.

The entire community expects big things of Carver, so you have a responsibility, not only to yourself and to your school, but you have a responsibility to the community to hold ever aloft the banner of clean living, fair competition and skillful performance. The eyes of Baltimore are upon you.

It therefore gives me great pleasure at this time to present to Capt. Charles Weaver, the AFRO-AMERICAN High School trophy. It is entrusted to your care for one year, or for so many years as athletics like yourself see fit to keep it.

W. S. Welch Leaves Cubans for Chicago

CHICAGO—W. S. Welch, manager of the New York Cubans last year, has signed to manage the Chicago American Giants for 1949. Welch replaces Quincy Trouppe, Chicago catcher, who went from the Cleveland Buckeyes to manage the Giants last year.

The new manager starred in baseball 30 years ago and has managed several teams including the Birmingham Barons in 1944 and 1945. He was manager of the Negro league team in the East vs. West games in 1946 and 1947, and is rated one of the shrewdest managers in baseball.

Welch is expected to bring new life to the Chicago team, according to Dr. J. B. Martin, president of the club.

The Giants also secured Frank Doswell, right hand hurler of the Cleveland Buckeyes.

Carver Principal Pays Tribute to AFRO Efforts

Approximately 500 students attending the annual gridiron assembly at Carver Vocational High School on Thursday heard Principal Saul Perdue speak on behalf of the school in appreciation of the AFRO football award.

Mr. Perdue, after taking cognizance of the fine work done by the Trainer eleven, turned to the AFRO staff representative and said:

"As principal of Carver Vocational High School, I join with Football Capt. Charles Weaver in accepting the first AFRO-AMERICAN football trophy.

"I am happy indeed that the Carver team has won this award and that it begins its service to the Baltimore community here in our own school.

"This trophy points up the wonderful teamwork that has been exemplified by our athletes during this school year. It also exemplifies the co-operation of teachers and students in the Carver school family.

"More than that, it points up the interest of the AFRO-AMERICAN in the affairs of our school, in the affairs of all of the schools in Baltimore, and in the affairs of boys and girls, men and women of the Baltimore community generally.

"I think this trophy also expresses something of the character of the editor-in-chief of the AFRO. He has given support over the years, but the personality of Mr. Lacy himself appears to be represented here. I heard him remark more than two years ago that there should be such a trophy for the city schools of Baltimore and that he would do all he could to make such a thing available.

"He has succeeded, the Carver football team has succeeded, and we are all extremely proud of these facts."

Placed In Competition

Pictured herewith is the beautiful AFRO High School Football Trophy, placed into competition for Baltimore schools for the first time last season. The 27-inch, gold-columned prize with football figure atop, is set on an 8-inch ivory base. Suitably inscribed, it is a leg trophy that goes into permanent possession of the school winning it first three times.

'Deserve Honor,' Observes Cain

"Carver had a fast, alert, aggressive football team last fall and deserves the honor that comes to them for winning the city and South Atlantic High School Conference championship," said Coach William (Sugar) Cain, of Dunbar, early this week.

"The Carver boys were in the game all the time, playing heads up ball and fighting for every inch of ground they could get.

"Dunbar had a very fine group of youngsters, also, but the margin of difference between our team and Carver's rested in the fact that they worked a little harder and gave just a little more than most of the fellows on the other teams. I repeat, I think they deserved to win."

Trainer Athletes Get Certificates

Certificates and footballs were awarded the following Carver athletes at its annual football assembly on Thursday:

Junior Varsity

Richard Bee, William Berry, Clarence Copeland, Walter Tennyson, Henry Newman, Curlis Peters, Charles Simms, David Williams, William Bristol, William Allen, Vernon Fitzgerald, Herbert Carter.

Varsity

Capt. Charles Weaver, William Rayfield, Charles Robinson, Robert Marshall, John Lewis, William Levy, James Lee, Lewis Kearney, Bertram Harrington, Stanley Tucker, Charles Jones, Joseph Palmer, Leroy Vaughn, Alonzo Rogers, Donald Quarles, Robert Harper, Jerome Burton, Willie Harry, Albert Tillery, Robert Johnson, Reginald Hunt, manager, Ellastine McRae, Evelyn Parker, Virginia Turner, Sarah Anthony and Nina M. Smith, cheerleaders.

Coach Lloyd (Sodie) White, who tutored the Carver Vocational High School team to the 1948 football championship, is salluted by coaches of the Dunbar and Douglass High School teams, William (Sugar) Cain, left, of Dunbar, and Leonard (Duck) Gibson, of Douglass, who pay their respects to White on the occasion of his acceptance of the first annual AFRO High School Football Trophy.

Record of City Grid Champions

Herewith are presented the Baltimore high school football champions since 1930:

Year	Winner
1930	Douglass
1931	Douglass
1932	Douglass
1933	Douglass
1934	Douglass
1935	Douglass
1936	Douglass
1937	Carver
1938	Douglass
1939	Douglass
1940	Douglass-Carver (tie)
1941	Carver
1942	Douglass
1943	Douglass
1944	Douglass
1945	Douglass
1946	Dunbar
1947	Dunbar
1948	Carver

"A Fine Outfit," Asserts Gibson

"Douglass has no alibi to offer for losing the 1948 city football championship to Carver, declared Coach L. U. (Duck) Gibson this week. "They had a fine outfit and it is noteworthy that they climaxed the city series with their first title in the South Atlantic Conference.

"Coach White (Sodie) and his youngsters have always been keen rivals of Douglass and whenever an athletic contest is played between the two schools, we always feel the best team won.

"I do not think any statement would be complete without adding something about their splendid spirit at Carver. It is to their credit that good sportsmanship always prevails when they are playing a game."

Winners of First AFRO High School Trophy

The Carver Vocational High School football team, winner of the first annual AFRO High School Football Trophy. Award of the prize was made to the school at the 1948-49 Carver gridiron banquet Thursday. The team, from left to right, front row: James Lee, Willie Harry, Charles Jones, Charles Robinson, Captain Charles Weaver, Robert Marshall, Louis Kearney, William Rayfield, Willie Levy; second row: Clarence Copeland, Curtis Peters, Alonzo Rogers, Charles Simms, Leroy Vaughn, Jerome Burton, Donald Quarles, Robert Harper, John Lewis, David Williams, third row: Vernon Fitzgerald, James Keys, Joseph Parham, Wilfred Berry, Stanley Tucker, Horace Clark, Bertram Harrington, Richard Bee, Walter Dennison, William Bristol, Herbert Carter, Willis Allen, seated: Spencer Bond, Paul Taylor, Reginald Hunt, Albert Tillery—managers.

Trainers Beat Douglass for 2nd Win

Burton and Quarles Pace Victors, But Curry Tops Individual Point-Getters

Leading throughout the four periods of play, Carver High School's basketball team annexed its first win in the 1948-49 city cage race by trimming Douglass, 54-46, in the Douglass gym Wednesday afternoon.

The victory, added to that the Trainers won over Bates, enabled them to move into a first place tie with Dunbar in the scholastic race.

Coach Sodie White and his lads now have their eyes peeled on their toughest assignment to date. That comes about Monday night at Douglass gym when Carver tangles with the classy Armstrong quint of Washington.

In Wednesday's battle with Douglass, the Lafayette Ave. band went into the van at the opening whistle and stayed there.

With Jerome Burton and Donald Quarles hitting a hot scoring pace, Carver snatched a 26-21 lead at halftime. However, only two minutes before the intermission call, the stubborn and courageous Ducks closed to within one point, 22-21, of the ultimate winners.

For the Orange and Blue, Edwin Curry was easily the big gun. The shifty Douglass forward galloped in and around the Carver defense to bag ten field goals and five foul shots, a 25-point output which led the game's individual scorers.

Fine support was given Quarles and Burton, by Arthur Rosborough, Willie Levy and Robert Harper.

Monday's test with Armstrong is set for 7:30 p.m., on the Douglass floor.

The line-up:

CARVER	G	F	P	DOUGLASS	G	F	P
Quarles, f	7	1	15	Curry, f	10	5	25

Atlantic City OK On ABC Tourney

ATLANTIC CITY (ANP) — The American Bowling Congress will not be asked to withdraw from its proposed annual meet, scheduled for this city beginning Feb. 12, Mayor Joseph Altman has related.

Declaring that contracts had been signed and that at least 40,000 persons were preparing to attend the meet, Mayor Altman said the city would stand to lose millions, besides making itself liable for suits which would assume fantastic proportions.

The civil rights committee of the CIO at Newark had asked Governor Driscoll to intercede since the ABC bans colored people's participation. The ABC has been informed that colored persons are opposed to its segregated patterns and policies. CIO representatives intended to picket Atlantic City unless their fight against segregation sponsored by this national recreational group.

Beau Booked

BOSTON — Beau Jack, former lightweight champion, will box Jackie Weber, Providence, at Boston Garden, Jan. 17.

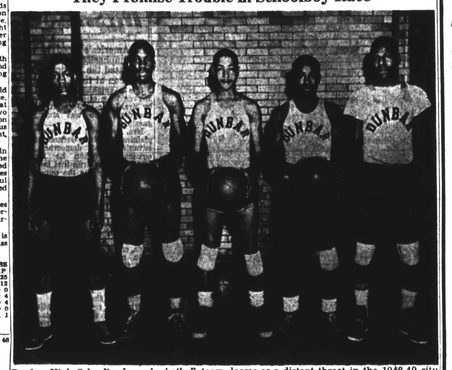
AFRO SPORTS

They Promise Trouble in Schoolboy Race



Dunbar High School's clever basketball team looms as a distant threat in the 1948-49 city scholastic cage race, particularly after vanquishing Douglass in the season's opener last week. The Poets' starting five consists of, left to right: Robert Wright, Joseph Manning, Alvin Coleman, Nat Ponder and Stanley Burrell.

3-Way Tie Created In Battle for Maryland 4-A Cage League Lead

In a thriller that had the fans in a frenzy from whistle to whistle, the Barracudas toppled the Easterwood Progressive A.C. from the undefeated ranks Sunday, winning over Coach Phil Boyer's interscholastic five, 61-57, in the featured Maryland AAAA Basketball League game of the day.

The score was tied 13 times and it was a ding-dong battle all the way. Walter Johnson, Easterwood center, ran roughshod over the Barracuda defense as he scored 22 points, while Brown and Williams chipped in with 15, for the Barracuda cause.

The Scorpions, led by Wright triumphed over East Baltimore Poets, 44-38 to throw the league into a triple tie for first place. Wright led his team with 16 points.

The Harlem Bears won their first league game by trouncing St. Pius, 56-52, as the Pointers notched their first league triumph by taking the United Public Workers over the hurdles, 46-37. Strawmon led the way for the Pointers with 17 tallies.

Grandma gave us the secret!
Rheumatic Pains?
take this sufferer's advice
Mr. I. K., Wilmington, Delaware, writes: "For years I have suffered with pains of Rheumatism. Nothing seemed to help much. A friend of my family told me about a medicine called Rumal. I was skeptical but I had nothing to lose so I went for a jar. I tried it and am happy to say that I got relief from the very first application. It's a God-send to have Rumal on the house for when these annoying pains strike. I'm prepared.
If you have had long you have been suffering with rheumatic, neuralgic arthritic type pains. I want you to try a remedy that is really quality made.
It must be good, for it has been bringing honest pain relief to thousands of sufferers since 1910—over 38 years.
You don't risk one penny in trying Rumal—you don't lose—only gain by doing it.
Rumal is a compound of 6 powerful ingredients widely known to the medical profession as fast pain relievers.
Use upon Rumal as directed to the painful area. Soon you feel a glowing, soothing warmth as the pain disappears.
SEND NO MONEY NOW for Rumal. Just mail name and address. When postman delivers package pay him only $2 plus postage and C.O.D. charges. Guarantee: If after using 2 jar of Rumal you don't feel that it has given you real relief, return the rest.

Madera's American BLACKBERRY WINE
Madera Bonded Wine & Liquor Co., Balto., Md.
TUNE IN MADERA'S "JAZZ SESSION"—WITH—11:15 P. M.
Remember the bottle of blackberry wine Grandma used to bring out now and then? She made it herself . . . and what a wonderful flavor it had! Maybe those days are gone forever, but that good ol' flavor is still with us! You'll find it in Madera's American Blackberry Wine! We follow an old recipe . . . step by step. Only the plumpest, juiciest black
