NOTICE OF LETTING

City of Baltimore Contract No. 424

Sealed bids or proposals, in duplicate, addressed to the Board of Estimates of the Mayor and City Council of Baltimore are endorsed: "Proposals for Rehabilitation of Structures, Penn North/Sandtown-Winchester, 610, 612, 614, 616, 617, 618, 703 Cumberland Street. Community Development Block Grant. Job No. R 3-88" will be received at the Office of the Comptroller, Room 204, City Hall, Baltimore, Maryland until Wednesday, Aug. 17, 1988, 11 o'clock A.M., Eastern Standard Time (positively no bids received after eleven o'clock A.M.) and at 12 o'clock noon on said date they will be publicly opened and read by the Board of Estimates in Room 215 in said City Hall.

A check of any type drawn upon any solvent banking institution made payable to the Director of Finance or a bid bond executed on the form as provided in the Bid or Proposal for an amount which is to be determined by multiplying the total bid submitted by five percent (5%) and rounding the result to the next highest five hundred dollars ($500.00), or certification of valid annual bid bond on file with the Department of Finance, will be required with each bid.

The successful bidder will be required to give a Performance Bond and a Payment Bond in the amounts called for in the specifications.

Specifications and other contract documents may be obtained at the Office of the Commissioner of the Dept. of Housing and Community Development, Room 301, 417 E. Fayette Street, Baltimore, Maryland, on and after Aug. 3, 1988 upon deposit of a check made payable to the Director of Finance, in the amount of Thirty Five Dollars ($35.00), which amount will not be refunded. CASH WILL NOT BE ACCEPTED.

The Board of Estimates reserves the right to reject any and all bids and/or to waive technical defects as it may deem best for the interest of the City.

Bids, when filed, shall be irrevocable.

Attention of bidders is called to the fact that not less than the minimum salaries and wages as set forth in the Contract Documents must be paid on the project and that the Contractor must insure that the employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin, sex, or religion.

The successful bidder may be required to prepare and submit an Affirmative Action Program regarding the employment of minority job applicants. Details are set forth in the Contract Documents under 41 CFR 60-4. 2(d). "Notice of Requirement for Affirmative Action to Ensure Equal Employment Opportunity (Executive Order 11246)" and 41 CFR 60-4.3(a) "Standard Federal Equal Employment Opportunity Construction Contract Specifications (Executive Order 11246)." In addition, prior to the signing of a contract, he must submit a preliminary statement of work force needs, where known. Where not known, this information must be supplied prior to the signing of any contract between the Contractor and his Subcontractors.

All contractors bidding on this contract must first be prequalified by the City of Baltimore Contractors Qualification Committee, 1105 Municipal Building, Baltimore, Maryland 21202, whose recommendations for an assigned dollar Work Capacity Rating and Work Classification(s) are effective after ratification and confirmation by the Board of Estimates. Contractors will not be permitted to bid for any single contract having a dollar value in excess of the contractor's assigned Work Capacity Rating and will not be awarded any contract if the contract dollar value, when added to the contractor's uncompleted backlog at time of award, exceeds the contractor's assigned Work Capacity Rating. Subcontractors intending to perform work in excess of $25,000 on this contract must have established qualification for an adequate Work Capacity Rating and the necessary Work Classification(s) before they are permitted to commence work.
