MOTOR VEHICLE ADMINISTRATION (MVA)

REQUEST FOR PROPOSALS
CONTRACT NO. MVA-TARIS-88

TITLE AND REGISTRATION ISSUANCE SYSTEM (TARIS) DOCUMENTATION AND TRAINING

Sealed proposals for the Motor Vehicle Administration (MVA) marked Title and Registration Issuance System (TARIS) Documentation and Training (as embraced in Contract no. MVA-TARIS-88) will be received at the Department Personnel Services Division, Room 1, of the Motor Vehicle Administration, 6601 Ritchie Highway, N.E., Glen Burnie, Maryland 21062 on January 25, 1989 until 2:00 p.m. (EST.) Positively no proposals will be received after 2:00 p.m.

The work to be performed under this contract consists of providing all labor, materials and expertise to research, compose, write and print technical documentation, training manuals and reference guides of professional quality to be utilized concurrently with the automation of the MVA's present manual Title and Registration System.

NOTICE TO BIDDERS: Each bidder, before submitting a bid shall become fully informed as to the extent and character of the work required. No consideration will be granted for any alleged misunderstanding of the material to be furnished or work to be done, it being understood that the submission of a bid is an agreement with all of the items and conditions referred to herein.

Plans, Specifications and other Contract Documents may be examined and obtained without charge in the Departmental Services Division, Room 1, Motor Vehicle Administration, 6601 Ritchie Highway, NE, Glen Burnie, Maryland 21062.

The Proposal must be submitted in two (2) parts a) Technical and b) Cost. Each part must be submitted in a separate sealed envelope as described in the Instruction to Offerors. The cost Proposal must be accompanied by a Bid Bond, in the amount of five percent (5%) of the contract price, Proposal Affidavit, schedule for participation of Minority Business Enterprise Utilization Affidavit and Subcontract Utilization Affidavit and Procurement Affidavit. A Performance Bond in the amount of the contract price will be required of the successful offeror. A Payment bond in the amount of the contract price is required in addition to the Performance Bond. Attention is called to State Finance and Procurement Article, Section 3-502 of the Code of Maryland, which does not require a Proposal Guarantee, Payment Bond or Performance bond if the Bid Price or consultant Contract price is less than FIFTY THOUSAND DOLLARS ($50,000).

The Motor Vehicle Administration of the Maryland Department of Transportation (MDOT) hereby notifies all offerors that in regard to any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit in response to this notice and will not be subjected to discrimination on the basis of race, color, sex, or national origin in consideration for an award. Minority Business Enterprises are encouraged to respond to this solicitation notice.

Minority Business enterprise subcontractor participation goal of ten percent (10%) of the total value of the contract has been established for the procurement. The bidder or offeror agrees that this amount of the contract will be performed by minority business enterprises unless a waiver is requested and granted.

Questions regarding the Minority Business Enterprise Program should be directed to Mr. Steve M. Carter, Manager, Equal Opportunity Employment, Motor Vehicle Administration, 6601 Ritchie Highway NE, Glen Burnie, Maryland 21062, Phone: (301) 768-7203.

This procurement is subject to the applicable provisions of Title 14, Subtitle 5 of the State Finance and Procurement Article, regarding purchases South Africa and Namibia. For any procurement over $100,000 the successful bidder or offeror, at the time of the contract award, shall certify that (1) it is not doing business with or in South Africa or Namibia; (2) in the conduct of its operation in South Africa or Namibia, it abides by certain principles regarding equal treatment for races, and the hiring, training and improvement of the quality of life for Blacks, Asians and other Non-Whites.

The Motor Vehicle Administration reserves the right to reject any and all bids and/or waive technial defects if, in its judgment, the interests of the Administration may so require.

If there should be any questions regarding this contract, please contact Mr. William L. Schull, Chief, Contract Administrator at (301) 768-7640.

BALTIMORE COUNTY, MARYLAND
NOTICE OF INTENT TO ASSIGN PROJECTS

In the near future the Professional Services Selection Committee will recommend consulting assignments for the following projects:

Project 88-25 — Honeygo Run Interceptor

Professional services are required to perform a design study and to prepare contract documents for a sanitary sewer interceptor along Honeygo Run. The scope of work shall include preliminary design plans, construction cost estimates and a report with the ultimate development of final construction plans and specifications.

The tributary area to be addressed by the study consists of approximately 1600 acres between Belair Road and Pulaski Highway and extending westerly to the Whitemarsh Drainage Area and easterly to the Gunpowder Drainage Area.

Preliminary estimates indicate an interceptor length of approximately 16,000 feet will be required.

Estimated Construction Cost: $1,000,000.

Project 88-26 — Honeygo Run Stream Valley Park

Professional services are required by the Department of Recreation and Parks to prepare a master plan for the development of Honeygo Run Stream Valley Park. The completed master plan will then serve as the basis for providing final design plans, specifications and cost estimates.

The master plan shall typically include the following types of park facilities: hiking/biking/equestrian trails; provisions for active recreation areas/facilities; an executive golf course; picnic facilities, including restroom accommodations; park entrance road; parking facilities. Provisions for storm water management, sediment control and all necessary utilities shall also be required. Additionally, the coordination and processing of permits with applicable agencies, including the Corps of Engineers and the Baltimore County Department of Environmental Protection and Resource Management will be necessary.

Project 88-27 — Owings Mills Elevated Water Tank

Professional services are required for the design of an elevated 3.0 million gallon water tank to be located in the Owings Mills vicinity. The elevated tank shall serve to: (1) accommodate peak demands in the Owings Mills and Randallstown areas and (2) equalize the pressure in the Pikesville 4th zone of water service.

The scope of services shall include an engineering report addressing the proposed site location for the elevated tank, required site improvements, influent line/control piping requirements and storm water management. Following, preliminary and final design plans, specifications, and construction cost estimates shall be provided.

Estimated Construction Cost: $2,775,000.

Project 88-28 — Lyons Mill Road — 24-Inch Water Main

Professional services are required for the design of approximately 9,000 feet of 24-inch water main to be located in Lyons Mill Road. The water main shall extend from Owings Mills Boulevard to Deer Park Road.

The scope of services shall include preliminary and final design plans, specifications, cost estimates and the processing of all required permits.

Estimated Construction Cost: $1,170,000.

To be considered for award, all firms currently prequalified must submit a separate Baltimore County DPW Form 102 in response to each project of interest. Any firm not currently prequalified can do so by filing a Baltimore County DPW Form 101. DPW Form 102 submittals must be received by the Chief of the Bureau of Engineering, Room 219, County Office Building, 111 W. Chesapeake Avenue, Towson, Maryland 21204 not later than 4:00 P.M. Local Time on Tuesday, January 17, 1989. Late submittals will not be considered. Copies of Baltimore County's DPW Form 101 (for prequalification) and DPW Form 102 can be requested through the above address or by calling (301) 887-3793.

Bids shall be effective only if delivered by registered or certified mail, return receipt requested, or personally delivered to the Authority by the bidder or his agent. Late bids received before the award is made will be considered if they were sent registered or certified mail and it is determined by the Authority that the late receipt was due solely to delay in the mails or to mishandling by the Authority after arrival, and for which the bidder(s) was not responsible.

Proposal forms of contract documents, including plans, if any, and Technical Specifications are on file, and may be examined at the office of the Housing Authority of Baltimore City, Construction and Buildings Inspection, Room 301, The Rivoli Office Building, 417 East Fayette Street, Baltimore, Maryland 21202. A copy may be obtained upon registering of the Contractor and submitting a check payable to the Housing Authority of Baltimore City in the amount of fifteen dollars ($15.00), which amount will not be refunded. CASH WILL NOT BE ACCEPTED. For this amount, the successful bidder shall receive three sets of complete documents.

A certified check or bank draft payable to Housing Authority of Baltimore City, U.S. Government Bonds, or a satisfactory bid bond executed by the bidder and a surety company in an amount equal to five percent (5%) of the bid shall be submitted with each bid.

The successful bidder will be required to furnish satisfactory performance and payment bonds each in the amount of 100% of the Contract Price, except that no performance or payment bonds are required for contracts under $5,000.00.

Attention is called to the fact that payrolls must be filed with the Housing Authority and not less than the prevailing salaries and wages as set forth in the Specifications must be paid on this project. The Contractor must insure that the employees and applicants for employment are not discriminated against because of their race, creed, color, religion, sex, or national origin.

The successful bidder may be required to prepare and submit an Affirmative Action Program regarding the employment of minority job applicants. Details are set forth in the Contract Documents under 41 CFR 60-4.2(d) "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity (Executive Order 11246)", 41 CFR 60-4.3(a) "Standard Federal Equal Employment Opportunity Construction Contract Specifications (Executive Order 11246)", Section 3 of the HUD Act of 1968, "Utilization of Minority Business Enterprises" (Executive Order 11625)" and Section 504 of the Vocational Rehabilitation Act. In addition, prior to the signing, he must submit a preliminary statement of work force needs, where known. Where not known, this information must be supplied prior to the signing of any contract between the contractor and his subcontractors.

The Housing Authority of Baltimore City reserves the right to reject any or all bids or to waive any informality in bids, and unless otherwise specified by the Authority to accept any item in the bid. Awards will be made to the lowest responsible bidder conforming to the requirements of this Invitation as determined by and in the best interest of the Housing Authority of Baltimore City. Past performance of contract work by the Contractor particularly for the Housing Authority of Baltimore City, may be considered in the award decision.

No bid shall be withdrawn for a period of thirty (30) days subsequent to the opening of bids without the consent of the Housing Authority of Baltimore City.

DIVISION OF PUBLIC BUILDING CONSTRUCTION
NOTICE OF LETTING

Sealed proposals, in duplicate, addressed to the Board of Estimates of the Mayor and City Council of Baltimore City and endorsed: "PROPOSAL FOR ASBESTOS REMOVAL FOR WALBROOK SENIOR HIGH SCHOOL NO. 411 2000 Edgewood Street," Baltimore, Maryland, will be received at the office of the Comptroller, Room 204, City Hall, 100 N. Holliday Street, Baltimore, Maryland, until Wednesday, December 28, 1988, at 11 o'clock A.M. Eastern Daylight Savings Time (positively no bids will be received after 11 o'clock A.M. Eastern Daylight Savings Time) and at 12 o'clock noon on said date they will be publicly opened by the Board of Estimates in Room 215, City Hall.

A certified check of the bidder or a bank cashier's check or a bank treasurer's check drawn on a solvent clearing house bank, made payable to the Mayor and City Council of Baltimore or a bid bond executed on the form as provided in the Bid or Proposal for an amount which is not less than that determined by multiplying the total bid submitted by two percent will be required with each bid. Drawings, specifications and contract documents may be obtained at the office of the Head, Bureau of Construction Management, Room 702, Municipal Building, Baltimore, Maryland, on and after December 9, 1988, upon the deposit of Forty Dollars ($40.00) in the form of a check made payable to the Mayor and City Council of Baltimore. Said check will be retained and upon return to the Head, Bureau of Construction Management of said drawings, specifications and contract documents, complete and in good order on or before the expiration of fifteen (15) days after award of the contract or rejection of all bids, said check will be returned to the depositor. Checks and/or deposits for such drawings, specifications and contract documents not returned within the above specified time shall be forfeited and considered payment in full for the use of said drawings, specifications and contract documents.

The Board of Estimates reserves the right to reject any and all bids and/or to waive technical defects as it may deem best for the interest of the City.

Bids when filed shall be irrevocable.

Attention of bidder is called to the minimum wage rates to be paid on this project.

All contractors bidding on this Contract must first be prequalified by the City of Baltimore Contractors Qualification Committee, 1105 Municipal Building, Baltimore, Maryland 21202, whose recommendations for an assigned Dollar Work Capacity Rating and Work Classification(s) require effective after ratification and confirmation by the Board of Estimates. Contractors will not be permitted to bid for any single contract having a dollar value in excess of the contractor's assigned Work Capacity Rating and will not be awarded any Contract if the Contract dollar value, when added to the contractor's uncompleted backlog at time of award, exceeds the contractor's assigned Work Capacity Rating. Subcontractors intending to perform work in excess of $25,000 on this Contract must have established qualification for an adequate Work Capacity Rating and the necessary Work Classification(s) before they are permitted to commence work.

Baltimore City hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color or national origin in consideration for an award.
