An Open Letter To The Public

July 27, 1951

Dear Friends:

For sixteen years it has been our Policy at Arbutus Memorial Park, only to have a Memorial Section where Bronze Plates can be used. This Park has remained beautiful throughout the years and is growing more beautiful.

The reason our Lot Owners can be assured of this lasting beauty is our guaranteed Perpetual Care Fund, which is set up with the Mercantile Trust Company as Trustees. Therefore, this has become one of America's most beautiful Colored Cemeteries.

As Manager of this Cemetery, I would like to render to the public of Baltimore a better service. I find so many people of Baltimore are desirous of becoming Lot Owners in Arbutus Memorial Park, but haven't because they could not use Monuments and Tombstones on their Lots. For this reason, we have decided to have Part One, for the use of The Memorial Park where only Bronze Plates may be used. Part Two, which will be set aside for the Monumental Section, where you may use Tombstones and Monuments on the Lots that you purchase. They also will be under our Perpetual Care setup.

Arbutus Memorial Park offers you the greatest values in Cemetery Lots anywhere, with the use of our modern equipment free of charge.

We want you to have Peace of Mind, when placing your Loved Ones to rest. By doing this, it will be both a Sanctuary for those departed, a source of inspiration for the Living. Beautiful, Peaceful and Quiet.

Yours for better service;

ARBUTUS MEMORIAL PARK, INC.

Drowning Victim Buried Monday

A 37-year-old man whose body was found last week in the swimming pool at a Westminster, Md., Country Club, was buried Monday, at 1 p.m.

The body of John E. Jones, 37, 1020 Druid Hill Ave., was found shortly after 10 a.m., on July 17, by a little girl playing near the pool.

She rounded the alarm and police and fire rescue squads were summoned. Unsuccessful attempts to revive the man lasted one hour and 15 minutes, according to the Westminster Fire Dept.

While efforts to revive the man were being made, rites of the Catholic church were performed by a priest. Death was attributed to accidental drowning.

Survivors include his wife, Margaret, 3 daughters, 1 sister, and other relatives.

Mrs. George Holland directed funeral arrangements with burial in Arbutus Memorial Park.

BIG TOWN By JAMES L. HICKS
NOW IT CAN BE TOLD DEPARTMENT: During the NAACP's Atlanta convention a colored North Carolina delegate was arrested for swearing in the presence of a prominent white woman, who turned out to be the sister of a city official. All the newsmen covering the convention learned of the story but no one sent it to their papers. The Chief of police made it plain to all of us that he could get the charges dropped if the story did appear in the colored press which is avidly read in Dixie by white people. But he warned that if anyone wrote it, he'd be forced to enforce the law and prosecute the man. The press co-operated, the delegate is now safely back in North Carolina and NOW IT CAN BE TOLD.
Attention Dr. John W. Davis of West Virginia State College. Officers both, white and colored at Fort Lee, Virginia charge that Dr. Robert Daniel, prexy of Virginia State College is aiding Jim crow at Fort Lee by giving a silent rubber stamp to the erection of a jim crow officers club there.
That's not the way the rest of you Land Grant College presidents act — and will you please ask the doctor to tell folks where he stands?
A Note To Mothers
And attention mothers of daughters attending Virginia State College: If your daughter says she is going swimming with an officer at Fort Lee, ask her if she is going to swim in the jim-crow pool or if she is going to swim in the half million dollar officer's pool.
If she says she's not going to the officer's pool, tell her to tell the officer to be on his way for he does not think much of her if he asks her to go to a jim-crow pool because he is not man enough to demand his right to take her to the pool where the President himself says he can go. Look into that Mom, will you? We need everybody to help us win this integration fight and tell little sister she has to help too.
And you AKA's and Deltas — you members of the American Council on Human Rights! Do you favor your members taking a bow to jim-crow when they are not forced too? Well check up on your sorors who attend a jim crow swimming party at Fort Lee last Friday the 13.
Two Headed For Big Town
Mrs. Harris Landrum of the Deer Park Tavern, Inc., Baltimore, will vacation in the Big Town soon and compete in the national bridge tournaments. Also heading for the Broadway lights is Antoinette (Tony) Ramsey, dark-eyed wife of Reggie Ramsey of D.C. will vacation there.
Camp Pickett is talking about a medical officer, who will not go to the officers club on the base, but who violates regulations by taking his girl friend to the non commissioned officers club for his drinking parties. The resistet men are begging us to print his name because he is a married man and the woman he takes to their club is not his wife. How about it I.T.? Either act like an officer or take off your bars and put on some stripes!
OFF MY CHEST ITEM: Our relations with the press department of the Columbia Broadcasting System have been wonderful and CBS's top correspondent Edward R. Murrow is one of our friends of Korean days, but for the record, when CBS started its Amos and Andy publicity buildup we told them not to waste their time sending us pictures of releases and for the record again let it be said here that we think the Amos and Andy show stinks now, always did stink and always will stink as long as its Amos and Andy.
CBS, with all its money couldn't buy a good line in this column about Amos and Andy . . . attention editors of Color magazine: Do you know of attempts to bar your mag from the First Army area? Lots of big people involved will not be banned, however and if you want to know who blocked the ban we'll give you the answer through the mails.
Most unhappy people in the Army today are doctors and dentists and they will not hesitate to tell you they want out. They get an extra hundred a month, but that's peanuts compared to what they were making... The Order of the Eastern Star of New York, a group of white women, is giving a colored chaplain at Fort Dix New Jersey an academic doctor's $300 robe in appreciation for his services to their sons, He's Lt. Col. Elmer P. Gibson.
