PISTON SEAL
is "Penicillin" in your AUTO ENGINE!
DON'T WORK this Miracle overhauling your car! Just add Piston Seal to the crankcase oil. Piston Seal's tiny "Flakes" will "Plate" the cylinder walls, piston rings, valves, valve guides, bearings, and all other moving parts with a protective film. Seals the leaking and worn gas piston rings. Stops oil consumption. Effect of Piston Seal lasts for the life of the car. Piston Seal is not a "Stop Leak" product. Contains no solvents, no petroleum distillates, no abrasives. Piston Seal is the finest engine oil, regardless of price. Piston Seal is guaranteed to give satisfaction or your money back. Piston Seal is the most expensive oil you can buy, but it costs less than a dime per quart. Piston Seal is the most economical oil you can buy. Piston Seal is the most economical oil you can buy.
