Weekly Rallies Held On Friday Morning At Ten

The weekly pep rally for captains is held every Friday morning at ten o'clock in the McCulloh Homes auditorium, 1010 McCulloh st.

All captains who are now registered in the 19th annual AFRO Clean Block Campaign, and those who wish to register are urged to attend these meetings.

Prize Fund $1,353 Shy Of Its Goal

Only One Month Left To Raise Needed Money

A total of $13 received over the weekend brought the Clean Block prize fund total to $1,147. This still leaves $1,353 to be raised to reach the $2,500 goal.

Additional letters were being sent out to prospective donors during the week in an effort to bring the lagging prize fund up to the requirements of the campaign.

More than 7,000 children representing 140 blocks in every section of the city are working hard to make their neighborhoods more pleasant places to live.

Only Month To Go

The campaign has only one more month to go before these children will be expecting their rewards for work well done.

The Clean Block staff is desperately urging every AFRO reader to send in at least $1 to help in this worthy effort.

Mail your contribution today to the AFRO Clean Block prize fund, Baltimore 1, Maryland.

The more recent contributors are:

$10.00

Faculty and Students of Douglass Evening School.

$3.00

Union Club of Baltimore

$1.00

Mrs. Willie Valentine.

Flag Raising Rites Prove Impressive

Dr. Connor, Miss Murphy Speak At Madison Ave Ceremony

An impressive flag raising ceremony was held by Clean Blockers of the 2400 block Madison ave., Saturday.

The Honor Flag was presented the block at the Friday pep rally held in McCulloh Homes.

Dr. Miles Conner, president of Coppin State Teachers College, dedicated the flag.

"As we look at Old Goory," he said, "we are reminded that many boys have given their lives to keep it flying high and unsullied."

"We want to thank the AFRO AMERICAN Company and Miss Frances Murphy for this flag symbolic of the improved appearance of the 2400 block today."

Founder Speaks

Miss Frances Murphy, founder of the Clean Block Campaign, stated the purpose of the movement.

The campaign each summer, she said, has been helpful to getting the landlord and his tenants to appreciate each other.

At one time, she pointed out, it was possible to tell where the white neighborhood ended and the colored neighborhood begun.

"This is now longer possible. This is one color line we have been successful in removing," she asserted.

Purpose Outlined

The purpose of the flag raising ceremonies was outlined by Dr. Robert J. Hill, while Mrs. Beatrice Martin presided.

The flag was presented by Clean Block Director Mrs. Francis Mackay. It was accepted by Captain Carolyn DeShields.

The audience stood at attention as Major H. Melvin Cade slowly raised the big flag to the top of its silver-bright steel standard.

The program ended with the singing of the "Star Spangled Banner."

Nashville Ups Hospital Funds

NASHVILLE, Tenn. — The City Council has unanimously authorized a new contract with Meharry medical college, under which Hubbard hospital will receive an additional $124,000 a year for the care of indigent patients.

The contract, which had been credited to the efforts of Dr. Harold West and Cecil Sims, means a narrowing of the difference between the money the hospital receives for the care of these patients, and the actual cost to the hospital.

Hospital officials have emphasized that while the contract will not entirely cover the cost of the care of the indigent patients, it will reduce the draining of the hospital's resources.

Here's Proof AFRO Really Gets Around

A story in The AFRO Magazine Section of St. Emma military academy at Rock Castle, Va., brought results from far off Korea.

A sergeant in the United States Army there wrote St. Emma:

"This story aroused my interest because I—have a son nearly 14 years old who has a potential of developing into a fine man.

"Since I have been in the U.S. Army for nearly 11 years, I haven't been able to be a guiding influence.

"Forward me the necessary financial, physical and any other entrance requirements for my boy."

220 Aides Defy Heat To Push Drive

Ignoring the hottest weather of the summer, 220 Clean Block captains and co-captains Friday morning pledged themselves to greater efforts as the campaign passed its halfway mark.

The pep rally held at the McCulloh Homes auditorium was addressed by Mrs. Edith Weaver, who urged the captains not to be caught napping when Clean Block inspectors arrived.

Highlight of the hour-long program was the presentation of the Honor Flag. Captain Bernice Cole of 100 block Amity st., received the large banner.

Several talented Clan Blockers appeared on the program. A duet was song by Virginia Golder and Annie Cunningham. Recitations and introduction of a new Clean Block song were rendered by Sarah Ash and Captain Dolores Baker.

Instrument Played

An instrumental was rendered by Virginia Russell. Barbara Malloy recited "Clean Blocks Can Help A Lot." Captain Patricia Johnson sang beautifully without accompaniment, "Because of You" and "Only a Rose."

Many new blocks were registered and received their Clean Block window cards and other material.

Clean Block Director M. Francis Mackay stressed the fact that only a few days remained for registrations. The deadline has been set for Friday, July 31.

Mrs. Williams' Name Omitted By Error

Through an inadvertent error, the name of Mrs. Christina Williams was omitted from the list of advisors who attended an advisors' meeting at the Clean Block office last week.

Mrs. Williams is the advisor of the 900 block Lexington st., in the Edgar Allan Poe Homes.

Pledged are Joe Louis Barrow, $600, and Caroline County, Va., $100.

NNPA President, Carl Murphy, in a message to member newspapers this week, urged continued support for the drive for funds.

In addition, he issued a statement in which he argued that there's no difference between public schools and public roads.

Text Of Statement

The complete text of this statement follows:

"No state in the union has a law regulating the use of the streets and highways so as to compel colored persons to walk on one side and white persons on the other.

"Freedom of the highways is as old as the common law itself.

"Public schools, like public highways, are a public institution or work, established by public authority, intended for public use and benefit, the use of which is secured to the whole community.

"The state has as little right to prescribe the public school as to race as to prohibit commingling of the races on a public highway.

14th Amendment Cited

"The Fourteenth Amendment provides that no state shall, by law, deprive a citizen of his rights and privileges.

"It has been said that separate schools, if equal, do not discriminate against either race.

"But everyone knows that segregated schools have their origin in the purpose, not so much to exclude white persons from colored schools, but to exclude colored children from schools occupied or assigned to white children.

"The thing desired and accomplished was under the guise of giving equal schooling to colored and white, to compel colored people to keep to themselves.

Liberty Restricted

"Mr. Justice Harlan, of blessed memory, in the historic Plessy

"No one would ask Mr. Warnock's candor to declare to the contrary.

"The first objection, therefore, to the laws establishing separate schools is that they interfere with personal liberty.

"Justice Harlan defined personal liberty as consisting in power of locomotion of changing situations or removing one's person to whatsoever places one's inclination may direct without imprisonment or restraint except by due course of law.

Schools Must Be Free

"If a colored child and a white child choose to attend the same public school, it is their right to do so.

"And no government, proceeding alone on the grounds of race, can prevent it without infringing upon the personal liberty of each.

"The public school like the public highway must always be free to all."

Masons Set Up Club In Germany

NURNBERG — The Craftsmen, composed of members affiliated with Masonic lodges in the United States, has been organized and is now functioning in the Nurnberg District, according to M/Sgt. Bessie B. Simmons, president.

Sergeant Simmons, a member of Shiloh lodge of Masons, Hopewell, Va., says the purpose of the club is to afford members time to meet for the opportunity of study, exchange of ideas and other means of getting together as a distinct fraternal group.

Meetings are held twice monthly and in order to become eligible for membership, a person must be in good standing with a Prince Hall affiliated lodge in the United States. Proof of identification is required and confirmation of membership is requested and confirmed through secretaries of stateside lodges.

Other officers, elected recently at a meeting held at the home of 1st Lt. James A. Poitier, a member of Pride of Fairfax county lodge of Masons, are WO3G Arthur Sapp, assistant to the president; Sgt. K. T. Greene Sr., vice-president; Sgt. A. N. Jackson, secretary, and Lieutenant Poitier, treasurer.

MUSIC MAKER—Count Basie, left, happily accepts the Sheeley Scroll citing him as "maker of the best music in ages" on the occasion of his recent Broadway opening. Presentation is made by track star Andy Stanfield, an agent for the sponsoring brewery concern.

Beauty Culturists Plan Convention

LOS ANGELTS — The Los Angeles chapter of National Beauty Culturists League, Inc., is going all out in an effort to make the 34th annual convention of the national body one of the most outstanding in the organization's history.

Plans of national president, Mrs. Cordelia Johnson of New Jersey, feature the scientific approach in the matter of siding nature in making milady of America the most beautiful woman on earth. The pre-convention development call for an institute of cosmetology and clinic. It will last four days, August 3-7.

Mrs. Sadie L. Davidson, president of the local host chapter, has alerted all Pacific states beauticians to attend these clinics which will be offered at two sessions a day.

Suit Names Ohio Park

CINCINNATI— The protection of the civil rights statutes of Ohio has been invoked against the Coney Island amusement park here in a suit charging that the park has been denying admission to colored persons, solely because of their race and color.

A complaint filed in the Court of Common Pleas on behalf of Miss Vivian Colbert, Miss Lois Wright and Miss Marybelle Brown by NAACP Attorney Michel M. Turpeen alleges that the park violated the civil rights of the plaintiffs when it denied admission to them.

The suit followed a long period of trying to negotiate a change of policy on the part of the Coney Island corporation.

As a device to exclude colored persons the corporation would permit a private club to use the park for a day and would keep out all colored persons on the ground that they were not members of the club or guests of club members, it is reported.
