NO STRIKEOUTS, NO ERRORS—Milwaukee Braves Centerfielder Bill Bruton is besieged by a group of Young Bookworm Club members following his speech at the Green Bay Avenue Neighborhood Library, in Milwaukee last week. Urging his youthful listened listeners use books freely, Bruton asserted that reading "can be fun" and it is a league in which there are "no errors and no strikeouts" for those who play.

Week's roundup big league games

Digest By Sam Lacy

WEDNESDAY

CHICAGO — **Willie Mays** departed from the New York Giants to attend the funeral of his aunt in Fairfield, Ala., but his mates edged the Cugs, 2-1.

The winning run was scored in the top of the 9th by **Hank Thompson. Thompson** opened the frame with a single; was sacrificed to second by **Monte Irvin** and scored on punch-hitter Bill Taylor's blow to left.

Irvin had two singles, stole a base.

Gene Baker had one hit in three tries for the Cubs. His roommate, **Ernie Banks,** was hitless in two.

BOSTON—The Red Sox played the Cleveland Indians to a tie for the second straight evening, but the latter succeeded in gaining a half game in the AL race when the Yankees lost to Chicago.

Al Smith had two hits and **Larry Doby** one as the Tribe overcame a 6-run lead and finished in a 7-7 deadlock.

Smith had a double and single, **Doby** a home run. **Dave Hoskins** pitched 3 1/3 innings in relief, allowed four hits and gave up one run.

NEW YORK—Four hits apiece by **Minnie Minoso** and Johnny Groth set the pace for the Chicago White Sox in their 15-3 rout of the Yankees.

Three of **Minoso's** four blows were doubles. He scored two runs.

PHILADELPHIA — **Vic Power** was held hitless in four at bats but the Athletics triumphed, 4-1, over the Detroit Tigers.

CINCINNATI — **Junior Gilliam** collected two hits and scored two runs in five times to bat, in the Brooklyn Dodgers' 5-1 victory over the Redlegs.

Roy Campanella was 0 for 4 for the afternoon.

ST. LOUIS—**Brooks Lawrence** was credited with his 7th win against three losses in a wild game in which the Cardinals outlasted the Pittsburgh Pirates, 13-12.

MILWAUKEE — **Bill Bruton** and **Hank Aaron** each had one hit of the four the Braves succeeded in getting off Robin Roberts. The Philadelphia Phillies won the game, 6-1.

Catcher **Charley White,** pinch hitting in the 7th, rolled out to the infield on his lone try.

TUESDAY

CINCINNATI—The New York Giants needed 13 innings but they succeeded in nosing out the Redlegs, 2-1.

Three hits by **Monte Irvin** led the Giants' attack. All were singles. **Hank Thompson** and **Willie Mays** had one apiece. None scored.

For the homelings, **Charley Harmon** connected once in five at bats. **Nino Escalera** broke into the lineup as a pinch runner for Ted Kluszewski, didn't score.

CHICAGO—**Gene Baker** defeated the Brooklyn Dodgers for the Cubs, 3-2.

Baker had two doubles and two singles in five at bats, and tallied all three runs. In addition, he stole two bases, including a theft of home. He raced home all the way from second with the winning run in the 10th when Dodger Pitcher J. Hughes dropped a toss from Gil Hodges while covering first.

Baker's teammate, Shortstop **Ernie Banks,** was hitless in four at bats.

The Brooks got no help from **Junior Gilliam** and **Roy Campanella,** both going hitless for the day. **Gilliam** was 0 for 5, **Campy** 0 for 4.

PHILADELPHIA — **Vic Power** obtained one hit in four at bats, but the Detroit Tigers piled it on after a 9-run 1st inning and routed the Athletics, 12-0.

In the second game of the two, **Power** went 0 for 4, and the Tigers again won, this time, 4-3.

NEW YORK—**Minnie Minoso's** two hits in four at bats were of little use of the Chicago White Sox, as the Yankees captured a 4-1 decision.

BOSTON—Although the 5-5 tie game has to be replayed, **Larry Doby** gets credit in the record books for his home run, double and single tallied for the Indians in their tiff with the Red Sox.

Al Smith obtained only one hit in the 16-inning stalemate. That was a single.

MONDAY

CINCINNATI—The New York Giants, despite a 12-inning, 1-0 loss to the Redlegs, maintained their 6-game lead as the Brooklyn Dodgers were also beaten.

Willie Mays had one of his worst days at bat, going 0 for 5 and striking out twice. **Monte Irvin** had one hit, a double, in five at bats, but it was unproductive. **Hank Thompson** idled.

For the home forces, **Charley Harmon** played third base and led off. He had one hit in five. **Nino Escalera,** inserted as a 9th inning pinch runner, was 0 for 1 in the overtime.

WASHINGTON—Three hits by **Larry Doby** paced the attack as the Cleveland Indians clung to their slim AL lead by edging the Senators, 4-3.

Aside from his three blows, two of which figured directly in the scoring, **Doby** himself tallied two runs. He picked up two more in the nightcap, both singles, despite his team's 7-5 setback.

Hank Aaron was limited to one hit in each contest, but came out of the double-header with four RBI for the day. **Bruton** struck out as a pinch hitter for **Andy Pafko** in the same game.

Charley White, replacing Sam Calderone as catcher after the 3rd inning of the second tiff, was shut out in three at bats.

On the Buccaneer side, **Curt Roberts** drew a walk as a 1st game pinch hitter, then played the nightcap and went 0 for 3.

CINCINNATI — **Willie Mays** clouted his 32rd home run of the year, a back-to-back blow with one by **Monte Irvin,** but the best the New York Giants could do was divide a twin-bill with the Redlegs.

The visitors were belted about, 14-4, in the opener, but salvaged the second game, 3-1.

Mays, the majors' top homer man, had a perfect day at bat in the opener, going 3 for 3. He had two hits in four tries in the afterpiece.

Irvin also had a good day, getting two hits in four trips in each contest. He drove home two in the opener, once in the nightcap. Slumping **Hank Thompson** connected once in seven AB's for the two games.

Charlie Harmon, with four hits in five in the first game, was blanked in his three nightcap appearances.

Use of 5 tan players makes major league baseball history

MILWAUKEE (NNPA) — The decision of Brooklyn Manager Walter Alston to play Sandy Amoros in left-field Saturday against the Milwaukee Braves made major league history. It marked the first time that five colored players were in a major league line-up.

The Dodgers, with Don Newcombe pitching, had Junior Gilliam at second base, Jackie Robinson at third, Amoros in left field, and Roy Campanella catching.

In previous games, when Amoros was formerly with the Dodgers, it always happened that he did not play when Newcombe was the pitcher.

The Dodgers won the game in the eleventh inning, 2 to 1. Newcombe left the game for a pinch hitter in the tenth inning, with the score tied at 1-1, after engaging in a pitchers' battle with Dave Jolly. Jim Hughes took over for the Dodgers at the start of the tenth.

Let's go fishing

By ARTHUR WALTON

FISHING TIPS

Severn River—Spots
Choptank River (Denton, Md.) —Catfish
Ocean City—Blues, Marlins
Middle-River — Catfish, Sun Perch
Rockfish—Eastern Shore, Lower Potomac
Chesapeake Bay—Hard scattered try any where in the bay.

A baltimore party reported a large haul of hardhead, rock and spot while fishing from the Camp bridge Bridge on the Eastern Shore of Maryland over the past weekend.

Best results were obtained just before dark between the hours of 7 and 10:30 p.m. What was unusual, however, was the fact that many of the hardhead were taken with bloodworm bait.

Nearest count was 45 hardhead, 25 pan-sized rock and 40 of the larger spot.

Fishing at this point is said to be enjoying its best season in years. Word is, though, that those who prefer bloodworm as bait should take it along with them. Only peeler is available in Cambridge.

Solomons For Perch

White perch, hardhead and spot are said to be biting at peak capacity in the Solomons Island region.

Boat fishing is as popular as usual, but a measure of success is also being enjoyed by those persons electing to work from the pier near the hatcheries.

The spot here are reported biting on bloodworm, which is usually the case. Peeler is being used for hardhead and live grass shrimp for the jumbo white perch. All are said to be in abundance at present.

Migration Over

Eastern fishermen are cheered by marine reports to the effect that the last Northward migration has just about finished and it will not be long now before waters of their area will be well stocked.

Rockfish, channel bass, trout, hardhead and spot are bonching in the Chesapeake Bay, especially in the Bay Bridge vicinity.

Veteran anglers, as a result, are drooling over the prospect of some busy weekends in the immediate future.

Sugar Ray 'taken' for $700 in Paris

PARIS (ANP) — Former middleweight and welterweight champion Ray (Sugar) Robinson was not too happy last week after being taken for $700 in gay Paree.

Sugar Ray received 250,000 counterfeit francs in exchange for good American dollars through an unofficial money changer.

Robinson was getting what he thought was a better deal for his money than the official exchange rate of 350 francs per dollar.
