
CLEAN, BACK AND FRONT—Captain Gwendolyn Woodland of the 1600 block Hakesley Place, doesn't have to take a back seat to any block. Note the spic and span appearance of her block both back and front. Flowers are in profusion in the neatly fenced backyards and even the alley has been scrubbed.

Only One More Week Left To Register In 21st Drive

Enrollment deadline set Friday, July 29

With only one wek left before the deadline, late registrations for the 21st annual AFRO Clean Block Campaign continued to pour into the office this week.

No new blocks can qualify for this year's drive after Friday, July 29, it was announced.

Many Clean Blockers have been working hard getting their areas in shape for the competition, but have failed to become officially registered, it was learned.

* * *

ONLY OFFICIALLY registered blocks will be eligible for the U.S. Savings bonds, cash prizes and trophies being offered for the best blocks, the most improved blocks and the most beautiful blocks.

Captains in a large number of blocks have submitted applications for the campaign, but because they have failed to send in a list containing the names of their co-captains, workers and adult advisors, are not yet counted as being registered.

CLEAN BLOCK ● SIDELIGHTS ●

By M. FRANCIS MACKAY
(Clean Block Director)

Be a recruiting captain. Try to bring a new captain to the McCulloh Homes meeting each remaining Friday.

By doing this, then we would have all blocks in the vicinity of the city taking part in our campaign.

It could help your block to have blocks on both sides of you taking part.

Made an unexpected visit to the 800 block Shuter St., in East Baltimore. But Captain Betty Gillion was not to be caught napping. She and her crew were out cleaning and seemg to it that all facts had Clean Block material and Civil Defense pamphlets.

* * *

CAPTAIN MARGARET Womack of the 900 block Chapel St. has made a good start and her efforts should turn out well if everyone continues to cooperate.

To Cora Six, co-captain of the 1300 Fayette St., Lafayette Courts, we regret that your name was omitted from the Bst of workers.

It would help Peggy Ann Lee captain of the 200 Dallas Court if the wagons could be moved from in front of 220 and the 222 alleys clear.

* * *

THESE CAPTAINS and workers should stop playing and get down to business if they want to find their names on the Honor Roll:

Robert Branch, 1200 H St., 1200 Jefferson Ct.; John Morton, 1200 Young Ct.; Barbara Pryor, Gilmore Homes, 1300 Presbt. St. ta Epps, 800 Dallas St.; Naomi Yarbough, 100 Bond St.

Also Edna Tyson, 200 and 500 23rd St.; Thomas Jones, and Carrie Sykes, 100 24th St., Edwin Black, 2200 Cecile Ave.;

Annette Teal, 600 Madeira St.; Irvin R. Lewis, 1000 Durham St.; Martina Dickerson, 1600, 1700 and 1800 Eager St.;

Also Angela Womack, Ruth Moore, Larry Booth, 2600 Presbury St.; James Wright and Mrs. Parrish St.; Brenda Thomas.

* * *

THE WILSON PARK Improvement Association will hold its Annual Lawn Festival at the home of Mr. and Mrs. George F. Fitzhugh, 4591 St. Georges Ave., Saturday, July 23, 4 to 8 p.m.

Dr. and Mrs. Roger K. Williams, write their regrets that they are not able to attend "Clean Block" this year, but if you pass by the 4500, 4800, 4900, and 5000 blocks of The Alameda, you will see that they still have the spirit of the "Clean Block" in mind.

If we had more blocks that felt the way our crew felt, this is one of the most beautiful in the nation.

* * *

LET US all sweep our trash in a pile and then take it up and put it in a container so it can be carried away by the Bureau of Sanitation.

* * *

THE BOY and Girl Scout Troops will hold their Block Treat Saturday, July 23 at 400 E. Federal St. Mrs. Billie Parker is leader of both troops.

There will be tables with refreshments. Music for two hours will be supplied by the City Band. Charles Harrison is supervisor of Captains.

Mrs. Catherine Bolling, secretary of 600 Madeira St. Bradford St. writes that Dorothy Mae Snow, Captain and workers are making all out efforts to win first prize this year.

All steps have been painted and cleaned. Keep up the good work.

* * *

CHILDREN are not the only persons who refuse to co-operate. The Clean Block inspection team listened to complaints that adults refused to paint or plant flowers in their blocks in both east and west Baltimore.

Vivian Benton, captain of 3100 block Baker St. was winner of last week's Honor Flag. Something went wrong on Tuesday. Their flag raising ceremony did not go off as scheduled.

* * *

HERE'S A good idea for blocks which face housing projects. The 200 block Amity St., has coordinated its efforts with the Clean Block drive being conducted at Edgar Allen Poe Homes.

Many of the captains are using auto tires for flower beds on the sidewalks on both sides of streets where they have no yards to grow flowers.

Clean Blockers of Cherry Hill seem to be doing a good job.

Clean Block fund at $562

Three contributions totaling $19 brought the sagging Clean Block Prize Fund up to $562.75 Thursday.

The donations were a welcome sight to Clean Block officials who thought had been received during the weekend. The goal this year for the fund is $2,000.

An appeal is still being made to hundreds of civic - minded business organizations, churches, clubs and individuals to send in any amount.

All of the money received from the public is used to reward the hard-working Clean Blockers at the end of the summer long campaign in August.

The three most recent contributors were a group of kids, who sent $01, $9; Dr. and Mrs. Roger K. Williams, $5 and an anonymous donation from a Clean Block friend of $5.

Only five more weeks remain in this year's campaign, Clean Block Director M. Francis Mackay, pointed out. She urged all persons interested in seeing the city clean or of helping children to send in their donations.

A tour there this week found most the captains had been on the job cleaning before we arrived for inspection.

* * *

ANNETTA HANDY of 2800 Spelman Road, seems to have no worries. Things out there are in good shape. Her mother took over for the day since Annetta had an errand to do.

Flower beds have grown beautiful flowers and many of the blocks have just about finished painting.

From Nathanile Jackson, 1200 Nolan Ct., Somerset Homes: "We are doing a find job in our court, all are cooperating."

Note: Mrs. Dotson, Mrs. Armstrong, Mrs. Watson, and Mrs. McIntyre, the flowers are simple beautiful.

Captain Barbara Pryor and workers of 1200 Yoe St., should stop playing and get down to business if they want to find their names on the Honor Roll.

RIDING THROUGH the 1200 block Madison Ave., this week we found Captain Roscoe Crawford and workers busy cleaning their block. Keep up the good work.

Thomas Perez of 1500 McCulloh St., needs to attend some of the meetings at the McCulloh Homes. His flag is missing from the window.

He and his workers have been at work and the results show it. More window cards are needed.

Captains: Don't forget to display your small Flag in your window. It is hoped now that you are doing your block.

$$ For Residents In This 'Hi Neighbor' Street

800 Brice Street is small community

Homeowners to share in $25 worth of AFRO prizes

Eighty-two persons residing in 25 three-story homes in the 800 block N. Brice St. comprise one of the most compact community groups in Baltimore.

Bounded on the North by Lafayette Ave. and on the south by Harlem Ave., the area has been selected as the AFRO's "Hi Neighbor" street for the week.

In both Tuesday and Friday editions of the AFRO, a feature dealing with a new "Hi Neighbor" street will appear.

EACH ARTICLE will concern a different street in Baltimore. At the same time the residents of the featured street will share the $25 worth of prizes offered by the AFRO.

The 800 block N. Brice St. is the fifth to be featured in this series.

This week's "Hi Neighbor" street is different in that 90 per cent of the community is comprised of young folks who either own their homes or are in the process of buying them.

* * *

SELLING FOR approximately $3,300, the six-room houses are situated on 18-by-60 foot lots.

Only three buildings on the entire street are owned by real estate agencies.

Every other couple in the area are the parents of either two or three children. Heading the largest family in the community is THOMAS TYSON who resides at 801.

* * *

FATHER OF SIX, a son and five daughters, Mr. Tyson and his wife Martha spend their spare time painting and papering their six-room home.

As employee of the Maryland Drydock Co., he avoids the high cost of living by doing his home repair work around the house.

The Tyson family moved into their home eight years ago.

At 814, Mr. and Mrs. EUGENE RHODES are the parents of the youngest child in the block. Their daughter, Sheila, is four-months old.

They have two other children, a girl 4, and a boy, 3. Mr. Rhodes works at Sparrows Point. He and his wife moved to the City from Glen Burnie. They are also buying their home.

* * *

MR. AND MRS. HALFORD RAY who reside at 804 are the parents of three girls. They moved into their home five years ago from Fayetteville, N.C.

It is their belief that their community is one of the best in the city.

Mrs. VIRGINIA SMITH, 65, at 803, is the oldest tenant in the block. She and her husband, Obie, moved into the community five years ago.

Mr. Smith is now a patient at Maryland General Hospital. He was admitted to the hospital following an accident on his job.

Burned about the legs when a torch ignited his trousers, he has been a patient since last March 23.

* * *

ANDREW MOORE at 823 is one of the most sports-minded tenants on the street. Interested in golf and tennis, he spends a part of his time participating in these sports when not working at Bethlehem Steel.

His wife, Margaret, works for the Social Security department here.

Both Baltimoreans, they moved into their home seven years ago from Turners Station. The Moores have no children.

AT 822, MR. and MRS. LEONARD MOORE were the last family to move into the area over a year ago. Parents of two boys and a girl, they came to Baltimore from Forrest City, N.C.

Mr. Moore is employed at the Terminal Warehouse.

RALEIGH GRAY and his wife, Bertha, who live at 825 have three sons.

A cook at the Baltimore Country Club for 15 years, he also owns his home.

* * *

MR. AND MRS. HERMAN MATTHEWS have been living at 803 for seven years. They have no children. Mr. Matthews is a businessman.

Homeowners for the past seven years, Mr. and Mrs. John Cooper at 810 are the parents of a boy, and a daughter, ten months.

Mr. Cooper's brother William resides with the family. He is an employee of the Social Security office in Baltimore.

* * *

MR. AND MRS. HILLIARD TAYLOR at 802, are natives of Virginia. They are the parents of three.

Mrs. Taylor works at a local sugar refinery. His sister, Mrs. Mary Pryor, a native of Lawrenceville, Va., recently moved into the home, and also a brother, Louis, who is a student at St. Paul's College in Virginia.

Other residents of this "Hi Neighbor" street are Mr. and Mrs. Sam Sutton, Mr. and Mrs. William H. Powell, the Rev. Oscar Hailey, Arthur Russell, James E. Gowans Jr., Mr. and Mrs. Charles Stevenson, and Miss Gloria R. Johnson.

Also Mr. and Mrs. George W. Smith and Mrs. Clestelle F. Langley.

800 BLOCK BRICE STREET

HI, NEIGHBOR! YOU, TOO, MAY WIN DOLLARS . . .

Here is the AFRO's brand new feature, "Hi Neighbor!" which means cash to the people featured her. Each issue, the AFRO will pay out $25 to the residents of a particular street. Here's how:

1. $5 goes to the person whose head appears in the oval;

2. $1 goes to the persons whose names appear in HEAVY TYPE like this in the story.

3. $10 worth of ice cream from the Jumbo Ice Cream Co. goes to the entire block.

There is nothing to buy — nothing to sell. All you have to do to collect your money is be in the oval, or have your name underscored in the story.

The $1 checks will be mailed to the winners.

Residents of the street selected can qualify for their $10 worth of ice cream by designating some resident to call at the AFRO City Desk and pick up a certificate for the same. Only 5 signatures are required.

Your street might soon be featured in this brand new "Hi Neighbor!" feature. Keep watching each issue of the AFRO for the block which will share the $25 in prizes. If you think there is a special reason why your street should be featured next, write Hi Neighbor! Editor City Desk, Baltimore AFRO 1, Md.

Housing bureau shows progress

The Housing Bureau has reported a rise in the number of approved rent control properties during last year.

In its annual report, the Bureau said that first inspections in area programs had increased 94.5 per cent over the previous year — and that 1,230 properties had been satisfactorily improved, as compared to 663 in 1954.

During the year, 112 properties were rated as unfit for human habitation. Permission was granted to proceed with demolition after improvements 13 were destroyed and the dwelling use was permanently discontinued in four.

A total of 2,091 housing notices were issued, 1,505 of which, or 72.0 per cent, were issued to absentee-owners.

It seems that the colored Democrats in Towson are having their difficulties these days.

It seems that there is a need for housing for the residents of that area and the Democratic leaders have called on the County Commissioners to elicit their help for this vital problem.

Of course the County Commissioners can't do much, especially in view of the fact that the Public Housing Program has been just about wiped out by the national Republican Administration.

The answer to the problem of these residents, I feel, is in the field of private housing for low income people. It is noteworthy that the Democratic organization of Towson, under the leadership of Edward L. Williams, is seeking a solution to this problem.

If any of you know a builder interested in a sound investment, contact Mr. Williams at 320 E. Pennsylvania Ave., Towson, Md. Other members of this group active in Democratic politics are William N. Brown and Thomas Ballard.

THESE MEN reminded me of other county problems that the Democratic leadership should solve and solve immediately. There are no colored probation officers assigned to the court in Towson and there are no colored policemen.

In all fairness it should be noted that one applicant failed to pass the examination. Once a colored applicant passes the examination, we can then determine if the County Commissioners will appoint a qualified colored policeman.

In Catonsville, Towson, and the Turner Station areas we have a strong block of colored votes. We also have concentrations of Democratic leaders in such men as Dave Bideler, Irvine Adams, Shelly Webb and Edward L. Williams.

IT WOULD be a wise move for these three areas to combine their efforts, insofar jointly and when they call on Mike Birmingham, Gordon Boone, John Rose and other county leaders, they should do so as a combined bloc with the backing of the colored vote in each of these areas.

The colored vote has been strong for Dan Brewster, Mike Birmingham, John G. Turnbull and Gordon Boone.

These men count on the colored vote and if you will recall the Republicans made a terrific battle out of the last campaign and gave the otherwise safe entrenched Democrats quite a scare.

I call on the Democratic leaders in each of these areas to join hands and form a consolidated Democratic club so that their combined strength can be used most effectively.

CONGRATULATIONS are in order now to the recipients of the new Democratic Judges to the Supreme Bench. Reuben Oppenheimer will be sworn in on July 19.

Mr. Oppenheimer will truly be an asset to the Supreme Bench and the community should be happy that he has been appointed.

He is a man of complete fairness and understanding and is well respected by all sections of the city. We can all rejoice in the appointment of Reuben Oppenheimer to the Supreme Bench.
