CORRECTION!

An AFRO story on August 7 appeared under the heading, "Church told to tear down Partition," was in error concerning the St. James Church at Arunah and Warwick Ave. and residents of the area.

The church was never ordered to tear down a partition and had only made an application to the Zoning Board to erect a vestibule.

It has now been agreed that the church will erect a porch which will conform at Arunah porches in the block.

The AFRO regrets any embarrassment it caused.

Announce New Way to Relieve Pain of Arthritis and Rheumatism* Without Pills!
Greaseless, odorless cream penetrates deep—speeds up flow of fresh, rich blood into sore areas—actually helps drive away pain-causing congestion and pressure.

New York, N. Y. (Special)—Science has now developed an odorless, greaseless cream that acts in a new way to bring a new kind of relief from minor pains of arthritis, rheumatism, and muscular aches and pains. This new cream relieves these pains without the need of taking pills and other internal medicines that may only upset the system.

Gently rubbed into painful areas, this cream penetrates so deep and completely that it actually vanishes. Quickly a comforting feeling of warmth develops and the whole painful area takes on a pleasing glow. This is striking evidence of the power of this cream to penetrate quickly and stimulate the circulation of the blood, this glow illustrates how it speeds up the flow of fresh, rich blood into the sore areas and actually helps drive away the pain-causing congestion and pressure.

146 British and French doctors are so satisfied with this new help for patients suffering from arthritis and rheumatism that they have prepared written reports of success based on hundreds of cases. Further, one of the leading arthritis and rheumatism clinicians in the United States has now confirmed the findings of these doctors.

Now for the first time this remarkable cream can be obtained without a prescription at drug stores throughout America—under the name Infrarub. The price of Infrarub is only 98¢ for a large tube. *Infrarub is backed by the amazing guarantee that sufferers from the minor pains of arthritis, rheumatism, lumbago, neuritis, neuralgia or muscle injuries or sprains will get hours and hours of comforting relief or their money will be refunded in full.

5 nabbed in numbers raid

Place owned by 500-pound woman

A numbers raid in which lottery slips were dropped on the floor "like leaves from a tree" by two men, a woman and a 12-year-old child, resulted in the arrest of four men and two women Wednesday.

In a hearing at Northeastern police court before Magistrate Samuel Gabolf bail for each was set at $2,500.

Charges of setting up and maintaining a gambling device in the 800 block N. Gay St., were filed against:

LEVI JOHNSON of the 900 block N. Bond St.

WILBURN HENSON, 812 N. Monroe St.

ROBERT WILLIS, 1601 Milliman St.

LEROY BOULDIN, 2000 block E. Eager St.

ELIZABETH BROWN, 900 block Somerset St.

EMMIE BOOKMAN, 1000 block Ashland Ave.

—o O o—

THE RAID was carried out by three vice squad officers after a neighbor filed a complaint with police. Two officers watched the house for three days.

On the third day a warrant to search the apartment was given to Lt. Joseph Byrne by Judge Joseph L. Carter of the Supreme Branch.

"In all my years on the force I have never seen anything like it!" Lt. Byrne said in describing the raid.

"We entered the apartment and found an elderly woman who weighs around 500 pounds taking care of seven grandchildren."

—o O o—

ASKED IF SHE knew anything about the numbers operations the woman said she had rented out her front room to an unidentified man for $25 a week, police said.

She said that her son-in-law had deserted her daughter and the seven children and all were left in her care.

One of the two women arrested accepted the responsibility for operating the turn-in station.

While talking with the elderly woman, police said a 12-year-old cripped girl entered the room and all but fainted when she saw the police.

The child screamed and dropped $2 in numbers and fled. Police did not pursue the girl.

—o O o—

A SHORT WHILE later, police said, Mrs. Brown entered the room took some numbers from her bosom and dropped them on the floor.

Within a minute two men also entered the room and repeated the same procedure after recognizing the vice squad officers.

A third woman later entered the room but said that she only came in to play the numbers. A domestic worker in Arbutus, she told police that she would lose her job if her employer ever found out she had been arrested.

The woman, who resides in the 1600 block Ashland Ave., was taken in as a witness in the case.

Governor McKelden is still standing pat on a "do nothing" position on civil rights. His man, Edward F. Rollins, attorney general, claims that the Supreme Court "has not handed down final orders in the cases" concerning segregation in public schools.

Catholic high schools in Anne Arundal County have admitted colored students to their classes for the first time this coming semester. But the State is still trying to circumvent the ruling of the Supreme Court through the governor and his attorney general.

The governor is afraid, that to rule "justly" will alienate a lot of white voters from his camp this fall during the election.

He is making a "political football" out of civil rights.

But he is not cognizant of the fact that a lot of white voters are all out for civil rights, that times have changed, and that many minorities, other than the colored citizen, suffer from segregation and discrimination.

These voters will reject him at the polls this November 2, 1954.

There is no segregation law in the Maryland statutes. McKelden can order, through his attorney general, all public facilities open to all peoples.

MRS. MAYMIE Tilghman, head of the Master Beauticians of Maryland, is readying herself for an active campaign this fall.

Her group has not faired well under a Republican governor.

She is an honest, forthright woman with a lot of American red blood in her veins. She knows what is right and commands a lot of respect with her beauticians and other women's groups.

Her impact will be felt this fall. She is a Democrat.

THE VOTE registration is still going on but is fast rate. Most of the colored registrants are marking Democrat beside their names at the Supervisor of Elections's office at Gay and Fayette Streets, in the New Peoples Court House.

They remember the good days of the Fair Deal and the New Deal, when jobs were plentiful. They remember the theme song of the Democratic Party in 1952, "you never had it so good."

Theywill send a Democratic Congress to Washington in November and elect a Democratic Governor of Maryland.

Incidently, Dr. H. C. Byrd has moved his campaign headquarters to the Emerson Hotel.

"To every man there openeth a way, and ways, and a way, and the high soul climb the high way, and the low soul gropes the low; and in between on the misty flats, the rest drift to and fro; but to every man there openeth a highway and a low, and every man decideth the way his soul shall go."
