Ohioan takes National Trap shoot with perfect score; Charlie West 2nd

CINCINNATI — The National Negro Trap and Skeet Association held its annual banquet in the ballroom of the Manse Hotel at the conclusion of the first day's shoot of the championship meet.

Shooters from Maryland, Virginia, New Jersey, Pennsylvania, New York and Delaware joined those of the West in discussing the program for 1956. All officers were reelected.

Applause burst forth when it was announced that Dr. A. J. Edwards of this city had broken 100 targets out of 100.

THE FOLLOWING day, the shooters were handicapped according to their season's record. Highest honors were garnered by the ever reliable Joe Graves, vice president of the Century Club of Detroit with 92 out of 100 targets.

The doubles resulted in a tie between Dr. C. F. West of Alexandria, Va. and Dr. Edwards with 44 out of 50 targets.

Skeet was taken by Robert Smithwick of the Dog Edwards Aggiers and Hunt Club of Washington, D.C., with 95 out of 100.

Blueprint for integration

Officials set to push it through

"We were determined to go through with our plan," Fred Dunn, special assistant to Montgomery County Supt. Forbes H. Norris, said Wednesday after the system took its first step toward integration without incident.

"We decided what we were going to do back in June. We couldn't let anyone change it." Mr. Dunn said as he explained the transfer of approximately 500 pupils from sub - standard schools to 26 modern formerly all-white schools in the county.

Mr. Dunn said the change was effected without any sign of difficulty, although all types of predictions had been made by groups in the area.

"Of course, there may have been some reaction, but we didn't notice it," he said.

THE COUNTY school officials contacted agreed the pupils appeared to have accepted the change without notice. At the fashionable Rollingwood School in Rock Creek Park, all the children laughed and played together the first day.

It was in the suburban Rollinwood area where the greatest resentment was expressed over the transfer of the colored pupils. Mrs. Elizabeth J. Roberts said none of the protesting parents were in evidence the first day and the enrollment was normal.

A total of 31 new pupils were admitted to the modern Rollingwood School. The children were brought to school in the regular bus and began class activity immediately.

* * *

THE CHILDREN were placed into classes according to their grade level and seated according to their names, the teachers said.

Other schools receiving colored pupils were Montgomery Blair High School, 22; Bethesda-Chevy Chase, 18; Wheaton Junior Senior High, 6; Kensington Junior High, 13; Leland Junior High, 1; Montgomery Hills Junior High, 24; Eastern Junior High, 24; North Bethesda Junior High, 20; Clara Barton, 70.

Mr. Dunn said complete enrollment figures are not available on colored and white pupils in the schools because, "we haven't even counted them yet. Everything went off so smooth."

Mr. Dunn is special assistant to the superintendent on integration matters, a post created by the board during the county school system's desegregation codefendants.

World War I vet falls dead on steps of home

A 66-year-old veteran of World War I who would not heed the advice of his friends to see a doctor, fell dead Thursday afternoon on the steps of his home at 535 Carroll St.

Wilbert Gibson was pronounced dead on arrival at Provident Hospital after suffering a stroke.

Relatives told police that he had suffered strokes on several occasions but never bothered to see a doctor.

Three persons said they saw Mr. Gibson fall from a milk crate in the doorway of his home into the street around 5:20 p.m. His body was claimed at the City Morgue by a sister, Mrs. Mildred Matthews of 1004 Bennett Pl.

Science Shrinks Piles New Way Without Surgery

Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special)— For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®)—the discovery of a world-famous research institution. Already Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called *Preparation H*. Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.

Newcombe, Duke Snider cool out after hassle

CHICAGO — The Brooklyn Dodgers were peace and harmony again this week after a couple of days of quasi-friction in the clubhouse, growing out of a rebuke between ace pitcher Don Newcombe and his teammate, Duke Snider.

Jackie Robinson, commenting on the exchange, said:

"Newcombe is the type who doesn't like to have anybody Don Newcombe and star centerfielder Duke Snider.

The hassle developed in the wake of last week's celebration over winning the National league pennant. Newk and the Duke exchanged heated words when Snider filled Big Don's rear straw hat with beer at the height of the merry-making and the latter didn't like it.

He protested and directed most of his words at Snider. The latter responded in equally inslout during the frolic."

Newk found with his clothes. This however, wasn't a routine party and it didn't now. Don is upset at himself for saying what he did.

After all, a team doesn't clinch a pennant every day, and everybody was having fun. Don wasn't the only player to lose his hat.

"Frankly, Newcombe has a semi-excuse since he wasn't around two years ago when we had a party just like last night's affair and a lot more hats were

Along The Avenue

Mildren Anderson, the thrush who made her name with the Bill Doggett group, is the latter's main attraction in Detroit, and she is more than ably backed by one of the most exciting groups in the town. Don Ellis, formerly of Baltimore, is upset at himself for saying what he did.

The talents of Miss Anderson are well known on the local scene because of several excellent recordings and a number of personal appearances here in the city of white steps.

In her current visit to the city, Miss Anderson is leaning heavily on rhythm and blues numbers to please her many fans with, of course, attention to "No More In Life," the number that brought her to the attention of the public.

Mildred appears to have gained additional confidence since her last appearance in town as a single, and it is reflected in the easy manner she has on the bandstand.

WHILE THE column has reviewed Mildred before, Tuesday night was the first opportunity to catch the Four Links in action and what pleasant action it was.

The young musicians have a fresh clean sound and display plenty of real talent instead of using gimmicks to cover their

CRESTON (DOC) WOINGUST

music. All of the musicians are good but we particularly like the drummer, Richard Martin, and the pianist, Jimmy Haywood.

Martin pushes the band along with some of the soindest drumming heard on the Avenue. He is quite a few days. With Haywood on the piano as the center of the group, Carlos Hamm on bass, and Wilbur Phillips on tenor, it is quite an easy outfit to hear.

So (that's our recommendation for the week, the Jull at the COMEDY with Mildred Anderson and the Four Links.

ON THE OTHER side of town at the CLUB AMBASSADOR, Washington and Fayette Sts., we heard a story of a real live romance that happened inside the walls of the spacious club.

Several months ago there was a young waitress named Evelyn Summers and a floor manager named Sam Jones. As is the lot so many people, romance came to them and they were married.

Both still work at the club. The new Mrs. Jones is a native of Lynchburg Va., and quite attractive too.

Herman Hill and the Jolly Jazz are the featured artists and are providing their usual capable entertainment.

RICTOR'S RED FOX LOUNGE has every right to be proud of the young Billy Fox, who is now singing and playing the piano in the beautiful fun nocco.

Billy has a warm and rich voice that is able to communicate all the emotion of any song he attempts. On a ballad he is superb and with just a few more months of experience under his belt he should be ready to move up the ladder.

"My Funny Valentine," the Rodgers and Hart evergreen is one of the numbers that Billy does to perfection. The fellow is really good, and has a promising future.

THIS SUNDAY will see (Doc) Woingust, take a show up in Henryton tSate Hospital to entertain the patients A lot of work has gone into the rounding up the entertainers, and Doc deserves a vote of thanks for his concern.

Scheduled to be in the bill are Mrs. Geneva Hillen, Joseph Bailey, Lil Hall, Clarence Boxman, James Young, Jean Marshall, Ervie Green, and Andre King and his dancers.

The bus to the hospital will leave from in front of the Sphinx Club, 2107 Pennsylvania Ave., on Sunday at 5 p.m. The bus is being donated by Robert Diggs of the Diggs Motor Coach.

THE OWNERS of the CLOVER CLUB at Fayette and Wolfe Sts., are taking a great deal of pride in Alonzo Brown and his Tune Toppers. The group has been at the club for several month and has steadily been increasing its drawing power.

It is a lively outfit that offers music to suit the palate of every guest.

According to the dashing Ashegan Gatewood, the CLUB CASINO has lined up a host of headline entertainers for the fall season, which comes as good news along the avenue.

Some of the best talent available has been displayed in the past at the CASINO, and this season should see a repeat.

J.C. BAILEY dropped by the other afternoon looking as well and as happy as ever. For most of his adult life J. C. has been in the night club business, and he still loves very minute of it.

The current object of his attention is the attractive HILTON HOUSE on North Ave. near Bloomingdale Rd., where he is serving as manager. The restaurant features wonderful food as this column can testify. There is also a comfortable bar so you can dine and drink and have the companionship of the jovial J. C. Bailey.

ONE OF the nation's brightest new stars Terry Gibbs, is packing in the customers at the LAS VEGAS, and over at THE CLUB ASTORIA there is Irving Bean and his fine outfit.

A rapidly rising young group, the Pyramids, is showing to advantage at JONES' COCKTAIL LOUNGE, 1724 W. Lanvale St. Members of the group are F. Delaine, Jimmy Person and Frankie Maddox.

The CLUB ORLEANS is holding fast with the talented Stan Moore and his group, and Eddie Gough is playing for Dancing at the KNOTTY PINE, Park and Biddle Sts.

There's always a happy time at Jerry's Bar and Grill, 2810 Edmondson Ave., and the EDMONDSON CAFE, Poplar Grove near Edmondson. That's it...Have fun.

Pride vice president

JEFFERSON CITY, Mo. (ANP)—At the 11th annual convention of the American Society of Journalism School Administrators, DR. ARMISTEAD S. PRIDE, head of the Lincoln University department of journalism, was elected vice president for 1956.

ART JONES

I'm putting this in the paper because I never before believed in fortune-telling or luck charms but after I saw an advertisement in the Pittsburgh Courier, where a lady was helped so very much. So I sat down and ordered "Doc" Anderson luck charm. Although I am a man I will confess that by wearing this shield of luck, one could have so much luck, happiness and success.

On the strength of the great success the charm brought me, I made a trip to 302 W. Gordon Avenue, Rossville, Georgia, to see this famous fortune-teller to have him do personal work for me. I thank God I did.

Another man had taken my wife from me by some strange power which she herself said she could not resist for eight years. "Doc" Anderson through greater power brought her back to me. We are happier now than we've ever been. He also told me that he would bring me retribution for the wrong this man had done me. Within five weeks after I went to "Doc" Anderson this other man broke out with sores all over his body and no doctor has been able to heal him.

Now I am very successful, financially and otherwise and I have written to all my friends each week through the help of the "Doc" Anderson. If you want the wonderful luck charm that I have had, write to "Doc" R. C. Anderson, 302 W. Gordon Avenue, Rossville, Ga., or call Rossville, Georgia, 81-9715, for appointment to see him in person.

If you can't see him in person for personal work, by all means write for the wonderful luck charm, it sells for $3.00 cash and 3 cents in stamps of $3.00 C.O.D. plus postage and C.O.D. charges. Be sure and write to "Doc" R. C. Anderson, 302 West Gordon Avenue, Rossville, Ga. Rossville, Ga., is a suburb of Chattanooga, Tenn.

The luck charm is a "Marizah" which contains the Hebrew scroll, the last covenant, made between God and Moses. The scroll is inside a beautiful piece of jewelery and it is worn to protect you against all evil. Be sure to print your name and address plainly when writing.

This statement is given of manteters, DR. ARMISTEAD S. PRIDE, head of the Lincoln University department of journalism, was elected vice president for 1956.
