AKA's begin Yule with gala party

with Lula Jones Garrett

A neat hundred AKA sorors gathered in the President's manse on Morgan State College, Saturday night, to be guests of Mrs. Martin D. Jenkins at Epsilon Omega chapter's Christmas party.

And a pretty affair it was, with beautiful music to put one in the mood, enough lovely-to-look at togs to add excitement, Basileus Flossie Dedmond setting the seasonal theme in her greeting, a quiz to spark the affair (Beatrice Hurtt conducting) and special greetings to sorors who have December birthdays.

The latter greetings were given by Marion Reid. Connie Jackson conducted the Carol singing and Consuella Cox Newton lifted her beautiful soprano in "O, Holy Night."

Basileus Dedmond wore a beautiful black wool sheath, made with Empire Lines, panels at the back and with a bow neck. Verniece Reynolds, antibasileus, was smart in dark blue, bouffant skirted with panels, and pale blue trimmed. These two, incidentally, will be off for Atlanta, Ga. and the bowle come the holidays.

Emma Bright (smart gal who designs and makes many of those beautiful ensembles she wears) wore a blue taffeta frock with a red rose at the waist, the whole highlighted with a magnificent rhinestone bracelet.

Doris Wheeler was breathtaking (as usual) in black wool embroidered in brown, with which she wore copper jewelry. That may not sound exciting, but you should have seen the cut of that frock.

Mrs. Jenkins, in striped wool, so ked with a green scarf, headed the group to the dining room for the catered service. Prior to the party the group had conducted chapter business.

Attending were:

Emma Bright, Courtney Valentine, Charlotte Swan, Anna Howard, Ruthe T. Sheffey, Gladys G. Reed;

Jessie Wilson, Frances Drye, Hermia Jordan, Gladyce B. Jones, Consuella Cox Newton, Betty Williams, Helen Thornton, Marion Reid;

Lillian Parrott, Jean P. Davis, Mary Adams, Dorothy Booze, Juanita Holsey, Jessie Colson, Eleanor Tildon, Donna Wright, Melissa Purdue;

MOST COLORFUL (to say nothing of lush) party of the week, was the "Welcome Home" to Dr. Regina Goff, given by Mrs. Charles C. Key and Dr. Harryette Dixon, Saturday night in their Druid Hill Avenue home.

Colorful, because any number of the guests, who had spent time in foreign countries, wore the native dress of those countries...lush, because of the marvelous buffett and bar that the hostesses spread...but then the Key-Dixon combo are experts in that line, as you no doubt know.

Dr. Goff, on leave from Morgan State College, had been in the Far East for more than a year, wore a white gold embroidered and bordered sari that was the envy of all the guests.

An equally beautiful sari was worn by Ruth Matthews Spencer, not too long back from India. Frances White, who doubtime off, a year back, to go around the world, selected an ensemble she had picked up in Hong Kong, China...a beautiful embroidered black coat, long black shirt.

Mrs. Key's gown was one from the Philippines...green embroidered and plain, torso lifted affair, with the swirling below knee skirt, and an ornate sleeve treatment. She wore the most intriguing jewelry with this.

And the gifts that Dr. Goff fetched back for friends! An embroidered banquet cloth of natural linen, with matching napkins for Mrs. Keys...hammered copper articles, and most beautiful silks for others.

To welcome the sojourner home were:

Councilmen and Mesdames Truly Hatchett and Walter T. Dixon, Messrs. and Mesdames J. Percy Bond, Mark Patterson, Howard Hucles Calvin Ashe;

Mesdames Ruth M. Spencer, Mary Goode Clark, C. G. Harris, Esther LaForest, Mildred Seaborne, Frances White; Drs. and Mesdames George Spaulding, Nathan Pitts, Nathaniel Proctor, Arthur Banks;

Dr. Frederick Dedmond, Dr. Frederic Jackson, Herbert M. Frisby, Miss Hermione Wharton, Dean George C. Grant.

Provident Hospital Dental staff, Dr. Burnett was in his club room enjoying Hi-Fi, unaware that his wife (assisted by Bernice and Eddie Watson sister and brother-in-law) were ushering 14 couples quietly in the front door.

The dental group had graciously conspired with Mrs. B. to postpone their meeting until Wednesday evening.

Guests brought many gifts for the honoree, who is a golf enthusiast . . . enjoyed drinks, shrimp salad garnished with tomatoes, pickles, radishes, olives, chips and "chitterlings" which turned out to be the favorite.

At three a. m. the last guest tipped out with the traditional piece of birthday cake.

In on the fun were the Marty Davises, Clinton Gaines, Henry Scarboroughs, Milton Stanleys, Edward Watsons, George Woods;

Capt. and Mrs. Mel Hurtt, Drs. and Mesdames Eugene Byrd, Walter Davidson, Edward McDaniel, Orris Walker, George Woodland and John Woodland.

SUNDAY was Founder's Day for the Delta Alpha Chapter of Pi Beta Sigma Sorority.

The group worshipped at the 10:30 mass at St. Francis Catholic Church.

After services the sorors gathered for brunch at the Pennsylvania Station's dining room. From there smaller groups then hurried to watch the "Colts" take on the "Forty Niners."

Joan Stevenson and her committee, who were responsible for such pleasantries, have arranged for an afternoon with the veterans at the Lock Raven Veterans Hospital, December 15. Group singing, card playing and other cheer bringing activities are on the agenda for a group of sixty-four veterans.

Gifts are also being made ready for nine little cerebral palsy favorites of the sorority. These children have enjoyed a Pi Beta Sigma sponsored party for over four years.

Science Shrinks Piles New Way Without Surgery
Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids
New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery.
In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.
Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.
And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!
In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.
All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne*)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.
This new healing substance is offered in suppository or ointment form called Preparation H.* Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.
