High School Senior Day at A.-T. to emphasize science

GREENSBORO, N.C. — The annual High School Senior Day to be celebrated here at A. and T. College Saturday will feature a series of scientific demonstrations.

"Our main emphasis," said William H. Gamble, chairman of a committee on arrangements" will be to interest these young visitors in the wonderful opportunities available through the study of science and the related fields.

Leading a long list of exhibits to be shown during the day is "A Summary of Atomic Energy," a display being planned at the college by the National Museum of Atomic Energy at Oak Ridge, Tenn.

This exhibit will include models of atomic power plants and description of past, present and future uses of atomic energy.

THERE WILL be other exhibits prepared by students at the college from the schools of agriculture, nursing, engineering and technical institute, and a series of demonstrations to be produced by the Air Force and Army ROTC units.

The program also calls for movies of both educational and entertainment variety to be shown continuously during the morning, at three-different locations.

Other entertainment features include a concert by the college band and a football game between the A. and T. Aggies and Virginia State College at Memorial Stadium in the afternoon.

No fast moving zone allowed?

WASHINGTON

The slow-moving trial of three officials of the Consolidated Engineering and Distributing Company of America is in a bogged down third week of rearing before Federal Judge Robert N. Wilkin.

The case is going at a caterpillar pace as it humps over numerous government exhibits now totaling well over 100, and witnesses called for technical testimony and identification of the exhibits.

No end to the trial was in sight, Wednesday. The case is being heard without a jury.

THE government has accused Sam Lieberman, 37, president, Myrvin C. Clark, salesman, both of Silver Spring, Md. and Mrs. Louise Green, 45, 3300 block 14th St., NW., secretary, of fraud and forgery.

Alfred Hantman, assistant district attorney, claims the defendants defrauded low-income families out of $29,000 taken on mortgaged homes for installing bathroom and seating facilities.

Rookie Si winning NBA raves

ROCHESTER, N. Y. — The brilliance shown by Si Green during his collegiate career at Duquesne University, has not worn off in the early days of professionalism in the National Basketball Association.

The young Rochester Royals freshman is the rookie standout to date. He has a commanding lead in the assists department and is running ahead of all the league's newcomers to date.

Green has 31 assists, 12 more than second-ranking Richie Regan, also of Rochester, and has tallied 55 points in five games, good enough for 14th place.

* * * *

ALTHOUGH HE has been among the loop's leading scorers for seven seasons, Dolph Schayes of Syracuse is currently the scoring leader for the first time in his career.

The 6-8 Nat has scored 101 points in his first four starts to lead Clyde Lovellette of Minneapolis by four points. Schayes also sets the pace in rebound control with 76 recoveries, nine more than second-place Lovellette, who has recorded more playing time than anybody else 45.3 minutes a game.

Bill Sherman of Boston, the NBA's free throw accuracy leader the last four years, hasn't missed on his 20 attempts this season. Whitey Skoog of Minneapolis also has a perfect record at the charity line with 17 of 17 and so has Paul Arizin of Philadelphia with 14 of 14.

Vote registration in Ga. increases

ATLANTA, Ga. (ANP) — The Southern Regional Council said last week that colored voter registration has increased 210,000 since 1952 making a total of 1,239,500 registered colored voters.

A SRC survey of 11 southern states showed that while the colored vote has risen steadily since 1944 and the total number of the white primary, the percentage of colored persons of voting age registered remains comparatively low."

From its reports, the council said it found four major factors for the slow increase in colored registration. They are:

1. "**DISCRIMINATORY** practices against potential colored registrants such as severe literacy and constitutional interpretation tests and difficulty in securing registration certification;

2. Lack of political consciousness and apathy;

3. "Dependency of many colored persons on members of the white community and the resultant fear of incurring economic pressures;

4. "Violence and threats, still reported in some areas."

OF THE 11 states, Louisiana showed the largest increase in colored registration since 1952 with 41,410, and a colored registration total of 161,410. Texas led the region with 214,000 colored persons registered, while Georgia had 163,825.

Mississippi, where the council said colored persons make up 41 percent of the total population of voting age, had the lowest registration although the council reported no estimate.

The council said "The consensus of observers" was that Mississippi's colored registration "at best" had not increased since 1954 when 20,000 were listed.

Logart in Tko win over Duke Harris

By CHARLES J. LIVINGSTON

CHICAGO (SPECIAL)—Isaac Logart is a Cuban senor who speaks little English, but his fists speak an international language.

Clarence (Duke) Harris found that out the hard way Wednesday night, as he went down before the flailing fists of Logart.

While a small ringside crowd looked on in Chicago Stadium, Logart, ranked No. 3 among the world welterweights, suffered his former Michigan State opponent with body punches and then unleashed a two-fisted attack in the seventh to score a TKO in 15 seconds of the round.

* * * *

FIGHTING ONE of his best fights in months, Logart, who hails from Camaguay, Cuba, the same town that produced Kid Gavilan, outboxed Harris all the way. He set him up with uppercuts in the fifth and sixth rounds. He had Harris groggy at the end of the sixth and on the verge of a knockout. Thereafter, the bell came to his rescue.

Logart waded into his opponent as the seventh opened. Scoring with lefts and rights to the body, he one had Harris reeling in a neutral corner. He continued to pound away at the tall man until Referee Walter Brightmore stepped in and halted the bout to save Harris further punishment.

* * * *

IN HIS DRESSING room afterwards, Logart said he had no trouble with the weaving, charging Harris. Rated the No. 7 challenger, Harris had been rated the hottest welterweight to come along in months. In one of his recent bouts, he decisioned rough, tough Amon Fuentes of Los Angles. He entes of Los Angeles. He proved anything but a puzzle for Logart, however.

Harris gave like credit for being a clever fighter. "He just set me up and I couldn't get started. He is not a hard puncher, but he is real sharp," he said.

Logart now will seek a bout with Tony Demarco, No. 2 contender. He feels he can beat DeMarco and force a fight with Carmen Basilio, the welterweight champion.

In the same stadium Nov. 20, Archie Moore and Floyd Patterson will battle for the heavyweight championship. Moore has already arrived in the city and has set up temporary training quarters at the Midwest Gym.

Howard U. to meet Morehouse College

WASHINGTON

Howard University meets Morehouse College in an intersectional game at Atlanta tomorrow (Saturday) in a contest which will mark the Bisons' first trip into the deep South in 27 years.

Howard renewed its rivalry with the Atlanta school last year, dropping a 7-6 decision to Morehouse at Howard Stadium. It was the first meeting of the teams since 1929 when the Bisons lost, 19-0, at Atlanta.

TO DATE, the Bisons and Morehouse have met six times. Howard has won three times, Morehouse twice, and one game, the 1927 contest, ended in a 7-7 tie.

Howard quarterback Wilmer Smith will be out to add to his new record for interceptions against Morehouse. Smith, who is a senior from Dunbar High (D.C.), picked off two Hampton Institute passes last Saturday to set a new Bison mark in intercollegiate. Athletic Association record of 12 interceptions. The old conference record of 11 interceptions was set by Howard's Phil Strother in 1951.

ALBANY, N.Y. (ANP) — Complaints that two carloads of white men raided a colored migrant workers' camp prompted Gov. Averell Harriman last week to call for a full report on the case.

Howard Booters clash with British team today

WASHINGTON

The Howard University Soccer team will clash with the British Lions Soccer Club, tomorrow (Saturday) at Howard Stadium. Kickoff is at 2 p.m.

The Lions, rated as one of the better teams in the area, are composed of British personnel attached to embassies and local military units.

THE BISON Booters, lost a tough 3-4 decision, last Saturday, to one of the country's better soccer teams, the West Chester Teachers College of Pennsylvania. West Chester narrowly tied both Navy and Penn, the country's top teams.

West Chester boasts three All-American Soccer players on their team.

* * * *

THIS WAS the Bisons first defeat this year. Their overall record is three wins, one defeat and two ties.

Led by high-scoring MacDonald Gibbs of Trinidad the Howard Booters will have to play their best game against the Britishers, if they are to remain in contention in the South ern Soccer Division standings.

LITTLE ROCK, Ark. — The traveling singers of Philander Smith College will embark on a three-week tour visiting and singing in many churches of Kansas and Missouri.

Caroline stars at Bears stop Rams

LOS ANGELES (ANP) — J. C. Caroline, who was a University of Illinois offensive star several years ago, was a terror on defense here Sunday as the Chicago Bears checked the Los Angeles Rams, 35-24, before 69,894 fans in the Coliseum.

J. C. was so outstanding that he was given the game ball by his teammates and drew praise from coach Paddy Driscoll.

Caroline made two of three vital pass interceptions that throttled the Rams and led to touchdowns for the Chicagoans.

The division playoffs will be held on Nov. 25.

The winning team will go on to the national finals where the top teams through the country will compete.

A loss to the Lions would virtually squelch the Bison's chances this year.

Both teams have beaten the Georgetown University soccer team. The British won by a 6-3 score. Howard beat Georgetown 5-1.

Browns seek to release Gillom

CLEVELAND — The Cleveland Browns on Tuesday asked waivers on Horace (The Horse) Gillom, their veteran end.

The move was preparatory to acquisition of a younger wingman, Jim Ray Smith, former Baylor star. The release of Gillom was needed to make room for Smith.

The 36-year-old Gillom for a number of years led the National Football League in punting. He was in his tenth year with the Browns after starring in high school at Massillon (Ohio) and at University of Nevada.

One of the first moves made by Cleveland coach Paul Brown when he entered the pro ranks in 1947, was to sign Gillom.

In Memoriam 1

ALLEN—In loving memory of our dear wife and mother, OTELIA, who departed this life November 8, 1954.

No one knows how much we miss you,
No one knows the silent pain,
We have suffered since we lost you,
Life has never been the same.
LOVING HUSBAND AND FAMILY.

DIXON—Sacred to the memory of my parents, JOHN H. and DUPPINS, who passed away September 24, 1928; and November 12, 1941, respectively.

O, Lord, keep green the graves that lie
Beneath the wide and starry skies;
Keep sweet the sleep and give them rest,
Whose hands are folded o'er their breast.
Devoted Daughter,
FLORA.

DUPPINS — In loving memory of our dear mother, NANCY V. DUPPINS, who departed this life twenty-six years ago, November 12, 1930.

Mother, your children all shall love you,
Your blessed memory as you sleep,
And when eternal day shall break,
Reach you with love as you awake.
But there is some one we miss most you daily,
Day after day the time long since you have gone,
There is some one who thinks of you each hour
And tries to be brave and strong,
Though the tears in my eyes do not glisten,
And my face is not always sad,
There is never a night or noon-tide
That I do not think of the Mother I had.
Twenty-six years have passed since thou died and day
When the one we loved was called away,
God took her home,
It was His will,
Within our hearts, she will always live.
By Her Loving Daughter
DAZTILE.
And Son, PAUL R. DUPPINS.

GOULAND—In loving memory of our beloved mother, EMMA BEMERYLINE, who departed this life one year ago, November 10, 1955.

Sad and sudden was the call,
Of one so dearly loved by all.
A bitter grief, a shock severe,
We was to part with one so dear,
We often sit and think of you,
And speak of how you died,
To think you could not say good-bye
Before you closed your eyes.
We all of us you did your best,
Oh, God grant you eternal rest.
DEVOTED DAUGHTERS and GRANDCHILDREN.

HOWARD — In loving memory of our infant daughter, GLADYS LORRAINE, who was called away one year ago, November 7, 1955.

We saw you fading like a flower,
Could not make you stay;
We nursed you with tender kindness
Until God called you away.
O, Gladys dear, we loved you
And our hearts ache for you still
Forgotten by some others,
But by us you never will.
Devoted Parents,
CHARLES and ELEANOR
AND SISTERS and BROTHERS

To see the face of our dear father
Who couldn't see us mourn.
Faithful Daughters,
