Mr. Haskins pointed out:

"There are seven whiskey establishments between here and where he got hit."

In spite of the fact that the Lilly youth and his parents have filed a suit against Mr. Haskins for a total of $80,000, he said of his white neighbors:

* * *

"I HAVEN'T had one minute's trouble from them in the 14 years I have been here. All the people I associate with respect me and give me the highest courtesy."

The restaurant side of the tavern has remainded opened, Mrs. Louise Haskins, the licensee's wife commented, a ray of hope in her eyes:

"At least we can keep open."

IN ITS ORDER closing the the Haskins establishment, the Liquor Board said that after a minimum suspension of 90 days has been served, the Board may consider an application for transfer of the license to a bonafide purchaser if he or she can satisfy the board he is not acting for Mr. Haskins and is qualified to operate it.

The Board said further that its records show that in December 1946, Mr. Haskins was fined $20 and costs for furnishing alcoholic beverages to minors and his license suspended for one day.

In September 1947, the Board said, the licensee pleaded guilty of selling to a minor and sentence was suspended. The Board suspended the license for four days.

In November 1948, the licensee was again charged with selling to a minor, and was placed on probation without a verdict upon payment of costs, Board records show. At that time, the Board said, it suspended the license for seven days. Mr. Haskins said that in all these cases, the minors presented proof that they were of age, just as they did in the last case.

The present suspension of the license is for the balance of the license year ending April 30, 1957.

Firemen lose bid

Baltimore City's firemen lost a bid for a $700 annual pay increase when voters refused to authorize the boost by defeating question No. 9 by a margin of 107,219 to 90,702, despite an intensive pre-election campaign conducted by the firemen.

There were rumors of a possible tax hike if the raise had been approved and reports that the police and other city workers might ask for a ten per cent increase in salary.

Voters, however, gave strong support to nine proposals for public improvements at a cost of almost $90 million.

The largest of these was $45 million to provide Baltimore with a new source of water, the Susquehanna River. Also approved were public improvement loans for $29,500,000 for school construction; $5 million for off-street parking; $850,000 $1,500,000 for library improvements, and $6 million for a Civic Center.

Also approved by the voters was the extension of daylight saving time for an additional month.

IN QUESTIONS of a statewide nature, the voters approved question No. 4 that requires a new Governor to submit his budget to the State Legislature within 20 days after the opening of the session.

FOUR MORE YEARS — President Dwight D. Eisenhower and his wife, Mrs. Mamie Eisenhower, smile happily as they observe the election returns Tuesday night in the White House.

Dr. Scott loses bid for Congress

PHILADELPHIA

Although an Eisenhower landslide for the presidency of the United States appeared to be the case as early returns poured in Tuesday night, Dr. Horace C. Scott, Republican, seemed to have lost his bid to unseat incumbent Earl Chudoff, Democrat, for the 4th District representative in Congress.

A tabulation of 4 of the 7 wards in that district which had reported at 11:30 p.m., gave Dr. Scott 12,205 votes to 33,072.

Early returns where the State Assembly was concerned seemed to be in favor of the Democrats.

* * *

IN THE 5th Legislative District, where voters chose two of four candidates, returns from five of the six wards were Gransville - Jones, Democrat, 12,584; Henry Frani, Democrat, 12,705; Paul Silverstein, Republican, 11,171, and George Hemsley, Republican, 10,931.

In the 8th District, Samuel Floys, Democrat, tallied 1,455; while Calvin Davis Sr., Republican, noted 1,333.

10th Distriet figures showed D. Shields, Democrat, 14,786; James Hite, Republican, 5,644.

11th District balloting went Mrs. Susie Monroe, Democrat, 13,406; Samuel Wadkins, Republican, 3,427.

DR. HORACE C. SCOTT

* * *

26TH DISTRICT figures were Mrs. Sarah Anderson, Democrat, 9,111; Fred Horrod Sr., Republican, 3,876.

Tallies were not complete in the 12th District, where Ben Boory, Democrat, clashed with Andrew Grant, Republican; nor in the 25th District, where Herbert Holt, Democrat, vied against William Julye, Republican.

Attorney, wife, denied divorce by domestic judge

WASHINGTON

Municipal Court Judge Frank H. Myers denied a divorce to Mrs. Florence C. Parks and her husband, Thomas W. Parks, an attorney, last Friday.

Mrs. Parks, listed in the 5300 block First St., NW, had accused Mr. Parks, 200 block Florida Ave., NW, of desertion.

* * *

In his opinion the jurist stated that although the court had gained a definite impression of incompatibility between Mr. and Mrs. Parks, he found no grounds for the accusation of desertion.

"There is nothing in the actions by the husband which would justify the wife in leaving him and thereby placing the onus of desertion upon him," Judge Myers stated.
