Moore-Patterson ducats go on sale

CHICAGO (ANP) — Tickets for the world heavyweight title fight between Archie Moore and Floyd Patterson, slated for the Chicago Stadium, Nov. 30 will go on sale this Wednesday, the International Boxing Club has announced. The IBC is promoting the fight.

Priced at $5, $7, $10, $15, $20 and $30, ringside, the tickets may be purchased from the Stadium Box office here or from local agents. Mail orders are also being accepted.

MOORE, the St. Louis veteran and current light heavyweight titlist, and Patterson, who hails from Brooklyn, will each receive 30 per cent of the net gate receipts, estimated at $500,000.

They will also share the same percentages in the $200,000 fee from radio-television. If the $500,000 gate is achieved, it will be a record for an indoor attraction in the Stadium.

Moore and Patterson will arrive in Chicago to complete heavy drills, three weeks prior to their fight.

Asks Ike help find 'kidnaping' 'culprits'

NEW YORK — In protest against the recent kidnapping and suspected lynching of Jesse Woods, farm laborer of Wildwood, Fla., A. Philip Randolph, international president of the Brotherhood of Sleeping Car Porters, urged President Eisenhower in a telegram to authorize immediate investigation in the case by the Federal Bureau of Investigation.

Calling the alleged kidnaping "an outrage against human decency and justice," Mr. Randolph stated in his wire to the President: "I am confident you will employ every facility of the law to bring the culprits to justice."

The Pigskin Huddle

By ANP

With a string of one-sided victories behind them, the Florida A. and M Rattlers have taken over the No. 1 spot in the Pigskin Huddle's "Baker's Dozen" ratings this week. Second spot goes to the winner of the Tennessee State - Maryland State struggle. Third place goes to the loser.

This appears to be a season when it is possible that no team will end up unbeaten and untied. Such mighty powers of the past as Southern, Prairie View and Morris Brown already are out of the race for mythical national honors.

NEW POWERS have moved in. Jackson College, Delaware State, Texas Southern, Mississippi Vocational and Bluefield are rated near the top. Traditional hopefuls like Grambling, A. and T. Bethune-Cookman, Xavier and Central State round out the baker's dozen. Teams seeking admission among the elite group are Dillard and Allen, both untested against top opposition.

How will the top teams fare in this week's games? Florida A. and M. will face A. and T. in a gala tilt in Tallahassee with A. and T. bringing its band. Nevertheless, the Rattlers will win.

* * *

TENESSEE State faces a fallen power, Southern and should win. Mississippi Vocational should have a romp over Philander Smith. Bluefield will have lots of trouble before beating Shaw.

The three big games of the week will pit Maryland State against Delaware State, Texas Southern against Jackson and Grambling against Bethune - Cookman in Tampa, Fla.

MARYLAND State will have a rugged time before edging Delaware State in a game that could go the other way. Jackson must take care of TSU if it is to have any title claims. It looks like Jackson as the winner. Grambling is on the way back to prominence and will get by Bethune-Cookman.

In games involving CIAA teams it should be North Carolina College nipping South Carolina State, Winston-Salem upsetting a good St. Augustine eleven, Lincoln taking St. Paul's in a battle of weaklings, West Virginia State slipping by Virginia State in a keen rivalry, Virginia Union edging Morgan, Elizabeth City stopping Johnson C. Smith and Hampton rocking Howard.

ON THE SIAC front it will be Allen over Benedict, Morris Brown over Fort Valley in Columbus, Ga., Morehouse over Knoxville, Alabama State over Savannah State Friday and Xavier over Clark.

Out west, Prairie View will take Texas College, Langston will rock Wiley, Alcorn will stop Arkansas AM and N, Paul Quinn will wallop Butler, and Bishop will defeat Leland.

Just looking around, Tuskegee is too much for Miles, Kentucky State is too tough for Mississippi Industrial, Livingstone is too rugged for Morris, Norfolk State is too strong for Morristown, and Claflin is goo good for Paine.

The Huddle's prediction record is now 91 right, 31 wrong and 9 ties for a .746 average without ties and .726 with ties.

Bear reserve suffers sprain

BALTIMORE

Carl Smith, 17-year-old, 202-pound reserve center of the Morgan State College football team, suffered an ankle sprain during a practice scrimmage on Wednesday.

At first feared broken, the ankle was X-rayed at Provident Hospital and pictures proved negative. He is expected to be available for duty in about a week or ten days according to Coach Eddie Hurt.

Bears get shakeup for Union battle

BALTIMORE — Three key changes were made in the Morgan State College startling lineup as the Bears prepared for their 2 p.m., Saturday meeting with the Virginia Union University Panthers of Richmond, at Hughes Stadium.

Anticipating a Union "our toughest foe of the current campaign," Morgan coaches disclosed that they have put in as new starters Art Dean at left end, Bobby Gordon at left halfback and Earl Bowen at fullback.

* * *

DEAN, a 21-year-old junior from Wayne, Pa., will be replacing first string left end Joseph Buckson of Baltimore.

Gordon, trackster who made an impressive showing in the Morgan 25-14 defeat of A. and T. last Saturday, is expected to provide for scathack Jerry McArthur the help he's been needing in the backfield all season.

Bowen, a freshman from Douglass High here in Baltimore, replaces sophomore Lawrence Buffaloe.

WITH AILING co - captain Robert (Jake) Jacobs still not "up to par," Coach Eddie Hurt announced that Wilbert Hawkins, who's been playing a good game at center for most of the season, will probably start in this position.

Hawkins is a 21-year-old 190 pounder from Armstrong High in D.C.

* * *

UNION, according to Coach Tom Harris, brings a squad of 32 players for the Bear encounter, or as Coach Harris puts it, "every man we've got."

Considered chief threats to the Bears are Baltimoreans Charles Robinson, who'll quarterback the Panthers, and left end Hezekiah Braxton. Robinson is a Carver High product; Braxton, a Douglass graduate.

The probably starting lineups announced by the coaches are:

MORGAN — Art Dean, left; Charles Robinson, quarterback; Quintin Bulliner, right halfback; and Walter Cowan, fullback. end; William Gordon, left tackle; John Sewell, left guard; Wilbert Hawkins, center; Dolphus Williams, right guard; William Howard, right tackle; Jackson Rozier, right end; Henry Smith, quarterback; Bobby Gordon, left halfback; Jerome McArthur, right halfback; Earl Bowen, fullback.

VA. UNION—Hezekiah Braxton, left end; John Gregory, left tackle; Theodore Bacote, left guard; Raymond Metts, center; Frank Pinkston, right guard; Lewis Docker, right tackle; John Martin, right end;

Seats score

DENMARK, S.C. — With approximately 4,500 spectators cheering, S. C. Area Trade School (SCATS) scored on Homecoming Day with their third straight conference victory, beating Friendship, 12-6.

AN OPEN LETTER TO: MEMBERS OF LABOR UNIONS IN THE BALTIMORE AREA FROM: THE BALTIMORE LABOR LEAGUE FOR EISENHOWER AND BUTLER

The Baltimore Labor League for Eisenhower and Butler is a political committee, working for the re-election of President Eisenhower and Vice President Nixon and Senator Butler.

We are volunteer workers in this campaign and we want nothing more than a continuation of honest, clean government and sound policies in our nation's capital.

We are legally organized under the laws governing political campaigns, and operate strictly according to good ethical practices and campaign tactics.

We are all members of labor unions; our membership, in each case, is in good standing; we believe in the union movement and we are happy that union members and unions have made such fine progress under the Eisenhower administration.

Union membership is at an all-time high; we work under the best contracts in history; we have gained in wages and benefits and we have lost less time and pay due to strikes, because of a wise policy on the part of the national administration in letting reasonable representatives of both unions and management sit down together and work out their problems without interference from Washington.

There are three main reasons why we favor the Eisenhower-Nixon ticket and want a Republican Congress to be elected to support the administration's program:

(1) The economy of the country was never better. More people of all races and creeds are working than ever before and we did not have to have a war, or a controlled economy to bring it about. Wages are at an all time high; fringe benefits are greatest in history; the cost of living has been checked with the result that the union member's dollar is worth more, his home is worth more and his savings are worth more. Also, we aren't forgetting that the only cuts we have had in our income taxes in the past ten years have come from the two Republican Congresses in office during that time.

(2) All of our children have never had such fine opportunities as they have today. The Republican policy of encouraging growth and expansion in business and industry is not only good for the union member in his present job but it means more advantages in specialized schooling and training, and more worthwhile jobs for the young men and women coming on now and in the future.

(3) President Eisenhower not only kept his promise to end the war in Korea but he and his administration are committed to a peaceful settlement of ALL of the world's tensions and problems. For the first time in many years, our boys aren't being shot at in some foreign land and we believe, that based on PERFORMANCE, Ike and Dick, and the skillful cabinet members of the present administration, plus a Republican Congress, represent our best bet for MAINTAINING peace.

We are firmly convinced that there are many members of labor unions who are Republicans by choice. The contacts we have made during the past few weeks prove this to be true. We know, also, there are many Democrats and independent voters in labor's ranks who want things to continue as they are.

Therefore we urge all of you to go to the polls on Tuesday, November 6th and cast your votes for Eisenhower and Nixon and Senator Butler.

Your right to vote is a great privilege. It is a personal right and it is a PRIVATE RIGHT, guaranteed by the SECRET BALLOT. Be sure to take advantage of the privilege.

Respectfully,

THE BALTIMORE LABOR LEAGUE FOR EISENHOWER AND BUTLER

Authority Leroy Griffin, Chairman
Augustus D. Knox, Vice-Chairman
