Facts and figures on minor leagues

By BILL BROWER

Here are some notes about minor league baseball AFRO readers may have missed in the whirl of major league activity:

Juan Pizarro, 19-year-old, Puerto Rican righthander for Jacksonville in the South Atlantic league, was named the loop's most valuable player. He is second top performer to achieve this distinction.

Hank Aaron, of the Milwaukee Braves, which owns the brilliant pitcher, was the first, back in 1953. This year Aaron won the National League batting championship and may win the league's most valuable player award.

• • •

SEVERAL MINOR league prospects have been ticketed for major league shots next seasons. Curtis Floyd, an 18-year-old outfielder, who led the Carolina League in batting while playing the outfield for the High Point-Thomasville entry, was recalled by the Cincinnati Redlegs. He is expected to be given a trial at third base next season.

Charlie Beamon, young righthander acquired by the Baltimore Orioles from Vancouver of the Pacific Coast League, won two quick victories including a 10-0 shutout over the world champion New York Yankees.

Joe Caffie, who hit .309 for Buffalo in the International League, was repurchased by the Cleveland Indians. Caffie saw action in several late season games and hit around .300 for the Tribe.

• • •

AMONG THE purchases for delivery next spring include that of Frank Barnes from Toronto by the St. Louis Cardinals and Willie Kirkland from their farm club, Minneapolis, by the New York Giants.

Barnes, on option to Minneapolis and Omaha in the American Association, won 13 games, lost five.

Kirkland, a left-handed power hitter, batted .293, but half of his 168 hits—84—were for extra bases, including 37 home runs, second best in the league. He drove in 120 runs third highest in the league.

• • •

TOM ALSTON, first basemen for the Omaha Cardinals, batted .296, with 21 homers and 80 runs batted in, won the designation as the team's most valuable player by a vote of the press.

He also was voted the team's most popular player by the fans. Charlie Peete and Charlie Harmon, outfielders, also won awards as the team's top batters and Peete for most doubles (28).

Lacey Curry, rookie infielder, was leading batter for St. Paul in the same league. His mark was .309.

• • •

IN THE PACIFIC Coast League, Luis Marquez, Portland outfielder, became the first Beavor to reach the 100 mark in RBIs. Rene Valdez, the Beaver righthander, won more than 20 games and led the league in shutouts (8).

Paced by Carles (The Bandit) Bornier and Roman Mejias, Hollywood led the PCL in stolen bases with a total of 123. Bornier stole 48 to capture individual honors in this department for the third time. Mejias swiped 32.

Clyde Parris, all-star International League third sacker, led the league in batting with a .321 mark. The Montreal player, hoping for a chance with the parent Brooklyn Dodger team, hit 17 home runs and drove in 78 runs.

Caffie and Parris, his teammate, Bob Wilson, an outfielder with a .306 average, were the other tan players over the .300 mark.

• • •

WILSON ALSO was selected on the all-star team. John Rosboro, 23-year-old catcher for the Royals, considered a likely successor to Roy Campanella, putting on a hitting splurge in the closing six weeks to bring his average to .273, home run total to 25 and RBI aggregate to 79.

Curt Roberts, smallish second baseman for Columbus, was picked by the Kansas City A's under its agreement with the Jets to select one player in exchange for its working agreement. Roberts, who hit four home runs in a single game during the past season, formerly played for Pittsburgh in the NL.

Pigskin huddle

WASHINGTON

Tennessee State University, rated No. 1 in the Huddle's "Baker's Dozen, continued its March along the victory trail, smashing a fighting but outclassed Central Sate squad, 32-6, in the Midwest Conference game at Wilberforce, Ohio, last Saturday, but Mryland, rated No. 3 and favored to whip North Carolina college, was held to a 7-7 tie.

After the first period, Tennessee State, favored to win the mythical gridiron title this season, took control of the scoring as the Tigers bombarded the Marauders with an aerial assault with which Ohioans could not cope.

Thus Tennessee State seems to be taking over where Grambling left off as another unbeaten power in football.

While Tennessee State was rolling over Central State, the North Carolina Eagles surprised powerful and once-tied Maryland State in a gruelling contest which ended in a tie. A large hometown crowd cheered the Eagles on as they battled the Hawks on even terms throughout the game.

Other gridiron action saw St. Augustine beating Fayette, 33-0; South Carolina turning the tables on Fort Valley, 13-7, at Fort Valley, and Howard blanking Fisk, 21-0 at Washington in weekend upsets.

But Delaware State rocked Lincoln of Pennsylvania, 30-0; Smith, 47-0; Virginia State topped Hampton 24-20, and Livingstone squeezed past Norfolk, 6-0. All four were favored to win in the "Huddle" predictions.

Joe Durham joins Orioles after 2-year Army duty

BALTIMORE

Joseph Vann Durham, Oriole outfielder, who was inducted in the Army two years ago, has been discharged and is again on the Baltimore club's roster, this week, Jack Dunn III, announced this week.

Durham's designation on the roster brings the Oriole strength up to 40, but since he will be allowed a year's NDS exemption the actual roster strength is now 39.

Until the last few weeks of the 1956 campaign, Tito Francona was carried as an NDS player but his free time has expired and Durham is now the only NDS exception on the Baltimore club.

• • •

BORN IN Newport News, Virginia July 31, 1932, Durham is 6½ feet, weighs 186 lbs., has black hair, brown eyes and bats and throws right. Durham was graduated from Huntington High School in Newport, where he played football, basketball and track, having run the 100 yard dash in 9.8 seconds. After attending Shaw University for a year and with York, Pa., in the Piedmont League, hitting .308 with 150 hits in 487 times at bat in 129 games.

• • •

IN 1954 with San Antonio in the Texas League, he hit .318 with 194 hits in 610 times at bat in 161 games and accounting for 108 RBI's. During each of the two years, Durham hit 14 home runs.

In 1954, Durham was brought up to the Orioles from San Antonio near the end of the season and appeared in 10 games, hitting .225.

Tuskegee eleven slugs Morehouse

TUSKEGEE, Ala. —Spotting Morehouse two quick touchdowns in the first period, the Golden Tigers of Tuskegee Institute, knotted the score by the halftime and then rolled up 27 points in the second half to down the Atlanta squad, 30-12, Saturday night at Memorial Stadium before 15,000 fans.

It was the 13th victory in the 21-year-old series. Four games have ended in ties.

Backed by a fast-charging line, Tuskegee quarterback Willie Williams, and the brilliant running of fullback Derry Holtzclaw, proved too much for the Maroon Tigers of Moorehouse.

A fine aerial attack that accounted for two touchdowns, and then fizzled after the end of the first period, was the content of the Moorehouse attack.

Fred James expected to lead Generals invasion of south

WASHINGTON

The undefeated interracial Bowling Air Force Generals invades the South again Saturday at Sumpter, S.C. in an effort to stop Shaw Air Force Base's string of five consecutive victories.

Coach George Makris's power-packed squad from the southeast outskirts is all primed for their suthern stand after turning back the Camp Lejeune Marines, 7-7, last Saturday at Arnold Field.

Over 12,000 fans saw fullback Fred James of North Carolina College Rip through the Marines for two touchdowns to help the Generals overcome a 7-0 halftime deficit.

The Marines score came in the second quarter after they recovered a fumble and Ernie Brown of Kansas State caught a pass from quarterback John Izbicki.

The Generals fought back early in the third period when quarterback Ralph Guglielmi moved the team downfield in 40-yard pitchout play to James who crashed over tackle later from one yard out.

No incidents at Douglass, Carver game

With autumn leaves falling all about them, and with the weather unseasonably hot, about 700 students from Douglass and Carver High Schools turned out Friday at Easterwood Park, for the only varsity game of the season, between the two schools.

Douglass won the game, 25-6. That is only incidental, though. The remarkable thing is that with school spirit at a rock and roll pitch, there was not a single incident of any type, during or after the game.

Douglass' 40-piece band played, among other tunes, "Stranded in the Jungle."

Both Carver and Douglass have been admitted to the Maryland Scholastic Athletic Association, an organization of all high schools in the city. This year marks the first year that colored high schools have been members of this association.

Their games, will not, however, affect the championship until next year, school officials said.

This Friday Douglass High School has an open date. Carver, however, will be recuperating from its Thursday game with Bates High School in Annapolis.

Union to mark homecoming, battle Va. Stat e Oct. 27

RICHMOND

Virginia Union University will celebrate its annual Homecoming Saturday, Oct. 27. Alumni from all over the country are expected to attend.

The Richmond Chapter of the National Alumni Association will be hosts to the returning alumni at their annual p.r.e. 8:11 p.m. in the Alumni House located on the campus. Weldon Moon and Barbara Tinsley, homecoming co-chairman for the local chapter, expect a larger crowd than last year inasmuch as the Union Panthers are playing their old rivals — the Virginia State Trojans.

As highlight of the homecoming will be the welcome hour for returning graduates when Dr. and Mrs. Proctor will be on hand to greet them in the Alumni House on Saturday, Oct. 27, immediately after the game.

Other plans for the homecoming included the Alumni Council Breakfast, the Victory Parade sponsored by the Student Government Association, and a dedication service for an attractive highway marker boldly printed with the names and dates of Virginia Union's original institutions. This highway marker was donated by the Class of '56 during its 20th reunion last June and will be erected on the north end of the campus at Lombardy and Brook Road. The annual homecoming reception at 8 p.m. on Saturday in the Belgian Building will climax the day's program.

Registration for homecoming will begin at 8 p.m. to 11 p.m. on Oct. 26 and continue from 9 a.m. to noon Oct. 27. Registration will be held ine Alumni House on the campus.
