GOP pledges fair job play

SAN FRANCISCO (NNPA)—The Republican plank on labor, health, education and welfare pledges the party to continue to fight for the elimination of job discrimination.

As it is worded, it can be interpreted as a pledge for fair employment practice legislation or merely for continuation of efforts of the President's Government Contracts Committee.

The committee, of which Vice President Richard M. Nixon is chairman, is charged with the duty of enforcing the provision to eliminate discriminatory practice against job applicants.

The plank states that the the Eisenhower Administration will "continue to fight for the elimination of discrimination in employment because of race, creed, color, national origin, ancestry or sex."

Two infants buried Tuesday

Funeral services for the two infants who died over the week end were held on Tuesday.

Roxanne Shorts, five months old, the daughter of Mr. and Mrs. Charles Shorts, 2519 Madison Ave., was buried in Mt. Auburn Cemetery following services at the Thomas Kelson Funeral Home, 1303 Presstman St.

The child was pronounced dead on arrival at Provident Hospital, on Saturday. Dr. Russell Fisher, medical examiner, said Roxanne died of suffocation caused by food lodged in the windpipe.

The mother, Mrs. Theraza Shorts, told reporters on Saturday that she had gone to the store leaving the baby apparently asleep. When she returned 20 minutes later Mrs. Short said she found her daughter with the covers pulled up over her face. An ambulance was summoned and the child taken to the hospital.

* * *

THE OTHER funeral service was for Lester Randolph Johnson, three months old, the son of Miss Lillian Tyler, 15, 43 Pennsylvania Ave., Towson.

Death in this instance was attributed to an infection of the middle ear.

The young mother said that when she picked the child up to kiss him on Saturday, she found that he was growing cold.

"He didn't move—I knew he was dead," she added.

Graveside rites were held at the Pleasant Rest Cemetery in Towson.

Announce New Way To Shrink Painful Piles
Science Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids
New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery.
In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.
Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.
And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!
In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.
All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.
This new healing substance is offered in suppository or ointment form called Preparation H.® Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.

Butler posts from Gloucester, Va., where they are resting for the nonce. Mrs. Marie Turner is in from Massachusetts, where she has been visiting her son and daughter-in-law the Clarence Turners.

Father Cedric E. Mills and Mrs. Mills are meandering about Canada . . . no set plans . . . just relaxing. Were in Quebec this week, Mrs. E. Estelle Thomas (she's executive director of the Madison Avenue branch YWCA) is tucked away in the cool confines of the Pocono Mountains, in Pennsylvania.

Jean and Waters Turpin (both of Morgan faculty) Mrs. J. Edward Fisher, her mother; and Mrs Natalie C. Tilghman (city school counsellor) are in from vacationing in New York, Connecticut and Atlantic City.

After tucking the young hopefuls Rosalie and J. Edward, in Campus Hill, Pa., and Little Folks, respectively Mr. Turpin suggested a continuation of a plan initiated last summer, when they hied to Stratford, Ontario, to attend the Shakespeare Festival there. He thus combines pleasure with professional activities, the drama being his specialty at Morgan.

After the Festival in Stratford, they came down to New York for a lighter diet in drama and musicales.
