BIGGEST BECAUSE IT'S THE BEST!

Home Exposition will be largest held here

The amazing versatility of the modern American home will be graphically displayed at the 1957 Baltimore National Home Week Exposition, which opens at the Fifth Regiment Armory on September 24 and continues through September 29.

Architects' drawings, artists' sketches and handcrafted designed and constructed scale models—accurate and complete to the minutest detail—will reveal this versatility to all who visit this year's home show, the third show of its type to be staged here and the largest.

QUALITY

Year after year, generation after generation, our customers keep coming back and recommending us to friends. Why? The answer is one word: QUALITY . . . second to none.

Closed school board meetings ruled out

NOLONHISVAN — The Corporation Counsel ruled this week that it is unlawful for the board of education to consider in closed or executive sessions matters pertaining to degree-conferring institutions and those to be approved under the G. I. laws.

This ruling was made in response to a question raised in January by the board on matters relating to veterans programs.

The law "prohibits executive or private meetings by the board for the purpose of considering personnel matters other than those dealing with the appointment of teachers," the Corporation Counsel said.

Two Baltimore Seascoutson Puerto Rican cruise

Two of the luckiest boys in Baltimore are Howard Tutman, 15, 1630 Delano Court, and Ted Manning, 16, 1531 Woodvest St. They are among the 60 Maryland Seascouts who sailed aboard the USS Cadmus, auxiliary Repair Ship Number 14 for a 10-day cruise to Puerto Rico.

FULL SPEED AHEAD—Give a group of youngsters a hot day, a wading pool and the freedom to run, and chances are good that you will get a scene such as this. The location of this pool is at Sharp and Hamburg Sts.

The young men are members of the Northwest Police Boys Club Sea Scout Division and are attached to the SS Neptune, their 36-foot motor craft which is under the supervision of their sponsor, Amy Cooper.

After meeting all requirements for the trip both Tutman and Manning received inoculations and other necessary physical preparations for the trip.

In addition, each of the young men paid $55.

THE TRIP will include a stop in Florida where the USS Cadmus will become a part of a Navy convoy which is on maneuvers.

From the Florida naval base they will cruise to San Georgia, Puerto Rico.

Although they will live aboard the ship during the three-day stay on the island, the 60 Seascouts will make daily trips on the island where they will be guests of the Puerto Rican Boyscouts.

They will return to Baltimore on Aug. 17.

Young Howard is a pupil at Carver Vocational School and is studying interior decorating, while Manning is a pupil at General Vocational School 452 and is studying to be a machinist.

AKA spearheaded drive for playground

Happy youngsters are enjoying the new 144,000 playground that was dedicated on July 15 at Sharp and Hamburg Sts.

The existence of the playground can be attributed to the arduous and continuous efforts of the South Baltimore Playground Committee, Inc. The project as such was initiated by the Epsilon Omega Chapter of Alpha Kappa Alpha Sorority which spearheaded the organization of the committee.

The committee had many meetings with the Park Board to prove that a playground was needed in the area and there were meetings with the mayor in order to secure the necessary financial assistance.

The first activity in pursuit of this project was the surveying of the neighborhood for a suitable location.

* * *

IN PURSUIT of this aim, the Epsilon Omega Chapter sponsored a mammoth bazaar at the old Fourth Regiment Armory and a harvest show at the Met Theatre.

The citizens of South Baltimore sponsored a beat ride, block carnival, a benefit movie, a door to door canvas for funds a barn dance and several concerts.

As a result of these many activities the South Baltimore Playground Committee turned over to the city $2,771.61, which was used to enlarge the Field House and to buy equipment and furniture.

Members of the committee were:

Beatrice Boots, Mable Thomas, Mary Harris, Augustus Knox, Dorothy Robinson, Juanette Bryant, Gertrude Bush, the Rev. Thomas B. Davis, Lucy Hammond, Lavenia Wiggins, Claudia Brown, Viola W. Wright, Dollie R. Walker, Ethel Bond.

Science Shrinks Piles New Way Without Surgery
Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids
New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery.
In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.
Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.
And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!
In fact, results were so thrilling that sufferers were able to [illegible] statements as "piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.
All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.
This new healing substance is offered in suppository or ointment form called Preparation H.® Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.
