BIGGEST BECAUSE IT'S THE BEST!

AFRO CLEAN BLOCKERS performed this miracle of cleanliness and beauty in 1200 Nolan Court of Somerset Homes last year. Led by Captain Bernadette Armstrong, they placed fourth in the city-wide competition. Several hundred project courts are expected to enroll in this year's campaign, registration for which got under way at the AFRO Building Monday. See application blank on this page.

Kickoff Clean Block Rally Set For June 28

Meeting to be at Lafayette Court

A gigantic kickoff rally on Friday morning, June 28 will mark the official opening of the 23rd annual AFRO Clean Block Campaign, it was announced Thursday.

The rally, expected to attract several hundred captains, advisors and workers from all sections of the city, will be held in the new Lafayette Court Homes auditorium at 201 Aisquith St., near Orleans.

The meeting will begin at 10 o'clock.

* * *

INVITATIONS have already been sent to Governor McKeldin, a long time booster of the AFRO Clean Block Campaign; Mayor D'Alesandro and other governmental officials who have cooperated in past years.

The kickoff rally is designed to give Clean Blockers their final instructions before the summer-long drive gets underway.

"We hope to achieve many goals through close cooperation with the Bureau of Sanitation, Mrs. Dorothy Shipley Granger, who directs the Baltimore Clean City Campaign, the Health Department, the Police Department, the Urban Renewal and Housing Authority and many other groups," Mrs. M. Francis Mackey, Clean Block director explained.

* * *

THE BIG feature of the opening meeting will be an opportunity for last year's Clean Blockers to see themselves in color slides made during the 22nd campaign.

These pictures made in all sections of the city, show the youngsters hard at work sweeping streets, painting porch fronts, cleaning yards and beautifying their blocks.

What makes the pictures all the more exciting is that they are in full color.

In addition a motion picture showing how Clean Blockers can help in the overall campaign of keeping Maryland Beautiful is expected to be shown by Miss Phoebe Albert, executive secretary of the Governor's Commission to Keep Maryland Beautiful.

SPECIAL MUSICAL features will be added to the program, which this year has been purposely kept short in order to allow new Clean Blockers to ask questions.

Much interest this year is also centered on the colorful new AFRO Clean Block flag, which will be introduced for the first time at the kickoff rally.

The flag has red and white stripes with a green square in the center on which is imprinted a broom.

THE FLAGS in smaller sizes printed, "AFRO Clean Block," will be given to the Clean Block captains for display in front of their homes.

Larger flags, approximately three by five feet, are to be awarded to top blocks in recognition of their selection as Honor Blocks during the campaign.

Keep Md. Beautiful unit opens larger quarters

The Governor's Committee to Keep Maryland Beautiful this week opened new, larger headquarters at 8 East Mulberry Street.

John E. Clark, of Bel Air, committee chairman, said the move was necessitated "by constantly increasing public interest in the work of our group and a great increase in our activities during this third year of our operations."

Mr. Clark issued an invitation for individuals and groups interested in the fight to preserve the State's scenic beauty to visit our headquarters and avail themselves of the materials and assistance we are ready to offer."

THE MULBERRY Street building will also house the headquarters of Keep Maryland Beautiful, Inc., a non-profit public service organization which finances the work of the Governor's Committee, its membership represents many of Maryland's leading industries and businesses.

Keep Maryland Beautiful, Inc., is the first state organization to be formally affiliated with Keep America Beautiful, Inc., the nationwide organization dedicated to anti litter education.

The telephone number of the Governor's Committee and Keep Maryland Beautiful, Inc., will continue to be PL 2-3783.

Collisions send four to hospital

Four persons were treated for injuries received in accidents in the Northwestern section of the city on Friday.

Mrs. Mamie B. Todd, 40, social worker, 2714 N. Longwood St., received cuts about the arms and knees following a collision at Ellamont St., and Windsor Ave.

The driver of the second car, William Samuel Matthews, 23, 2319 Whittier Ave., sustained a hip injury.

Also, Freddy Carter, 27, 1905 Herbert St., received cuts about the face; Raymond Holmes, 36, 2735 Winchester St., a scalp injury; and Clarence F. Clocker, 49, of 1213 N. Eutaw St., a knee injury following a collision between a taxicab and a truck at Payson and Presbury Sts.

Carmen sits up front in Ala. bus

"I always make it a point to sit as far toward the front of the bus as I can," said Miss Carmen Pindle of Montgomery, Ala., to her aunt, Mrs. Sylvia Randall of Day Village, who the Pindle family visited

Miss Pindle, a June graduate of a Montgomery high school, said that when colored people began riding the buses after the Supreme Court's desegregation edict became effective, Dec. 21, most of them continued their habitual custom of moving to the rear.

"We students though," the comely young Miss stated, "always sit in the first seat that is not occupied."

* * *

MISS PINDLE drove through Baltimore, with her father, Oscar Pindle, business manager of Alabama State College; her mother, Elizabeth, and her mother's sister, Mrs. Carrie Hodge of Wiley, Texas, who joined the family in Montgomery for the trip north.

They had gone to Putney, Vermont, where Carmen was interviewed regarding her application to enter preparatory school Thursday in Baltimore and left for Washington.

There they will witness the graduation of Miss Connie Pindle, eldest daughter, from Howard University, Friday, before returning to Alabama. A third sister, Carole, attends Whittier College in California.

City's boards and commissions seeking now open to public

You no longer have to wonder whether it is permissible to attend the meetings of the city's various boards and commissions.

Ordinance No. 1232, approved by the City Council this week and now awaiting the signature of Mayor Thomas D'Alesandro Jr., requires that all such meetings be opened to the public.

Safety patrolers guests of Orioles

More than 4,000 boys and girls on Safety Patrols, as well as officers in School Safety Organizations were recent guests of the Baltimore Oriole Baseball Club.

The Baltimore Safety Council, again this June, has made special certificates available to schools to be awarded to members of the Safety Patrol and officers of the School Safety Organizations for meritorious service.
