To the Honorable the Judges of the Circuit Court for Frederick County in Equity

In this Cause I have charge the Trustees with entire proceeds of Sale, as reported. I have then allowed them taxed costs of suit the usual Chancery Commissions, Counsel fees and the Expenses of Sale &c for which vouchers were produced

I have then in Statement B. showed the interest of the Testator John Negrange in the Lands sold by said Trustees, and allowed the Amount of purchase money received for the same. I have then deducted one half of the costs and expenses of these proceedings, and distributed residue to the Legatees under the will of John Negrange & Codicil thereto. In Statement C. I have shewn the interest of Elizabeth Negrange in the Lands sold by said Trustees, and allowed the Amount of the purchase money therefor I then deducted one half of the Costs and Expenses of these proceedings
