Parents advised to check birth records for school registration

Parents who plan to register their children in city schools in September are urged to make sure their children's birth certificates have been properly registered with the Bureau of Vital Records of the Baltimore City Health Department.

If the child's name is incorrect or the record has other errors, corrections can be made by visiting the Vital Records Bureau between the hours of 8:30 a.m. and 4:30 p.m. Monday through Friday. The bureau is located on the first floor of the Municipal Building, Holliday and Lexington Sts.

The correction service is also available from 5 p.m. to 7 p.m. on the second Monday of each month. The next evening session is June 12.

Further information relating to the correction of birth records may be obtained by calling PLaza 2-2000, Extension 827.

Flink is a master of all types of music, playing anything from the classics to the latest tunes in the rock 'n' roll vein.

STROLLING THE AVE.

Great doings this week at CARR'S BEACH where Eddie Bonnemere, the man with the magic piano touch, will be the featured attraction on Friday, Saturday and Sunday.

And if that isn't enough entertainment then on Sunday there will be a special added attraction in the person of Chuck Berry and the Clovers.

The Berry lad is represented by several hit records current-ly making the juke boxes hum and of course the Clovers are always exciting. So it should be an excellent show and the place is CARR'S.

Saturday, June 8, will see the Longshoremen's Saving Club stage a **night beach party.**

Ever heard such numbers as "Love Is Strange," "There Ought To Be A Law,"? Chances are that you have and this Sunday you will have the chance to see the originators of the tunes, Mickey and Sylvia at SPARROW'S BEACH.

Two guitars, two voices and a lot of talent is the way to describe Mickey and Sylvia, two of the rulers of the rock and roll world.

• • •

OPENING ON Monday night at the RAIL INN, over on North Ave. near the bridge will be Kitty Noble and her Kitty Kats. They may be viewed nightly in the smart redecorated Variety Room.

Friday, Saturday and Sunday will mark the last three days for the Pace Setters, that terrific group that has done such tremendous business at the club.

No matter what anybody says is hard to conceive that when the authors wrote the "Mickey Mouse Song" they ever imagined that it would turn out to be the stepping stone to fame for a jazz group.

Such is just what has happened to the Jolly Jax who took the song, changed it to the "Mickey Mouse Rock," and have been hitting on all four cylinders since then.

Currently on view at the COMEDY CLUB the Jolly Jax, headed by Herman Hill, are really making things buzz so drop on in and have yourself a ball.

Eddie Gough plays for dancing at the KNOTTY PINE CLUB; Purnell Rice is the man at the CARNIVAL LOUNGE and the CASINO has Cornell Drew.

3 Morgan track stars on Coast

SAN DIEGO, Cal.—Three Morgan State college shinetlers arrived here Wednesday to await the opening of the NAIA (National Association of Intercollegiate Athletics) track and field championships, which got under way today (Friday).

Coach Eddie Hurt, who was honored this week with election to the Helms Foundation track hall of fame, was accompanied by two high jumpers and the Bears'ace quarter-miler.

George Dennis, holder of the Penn Relays and CIAA high-jump record, and his jumping teammate, Bob Barksdale, left Baltimore Tuesday along with Morgan's ace 440 man, Robert McMurray. The three will compete in the NAIA this weekend, then in the NCAA (National Collegiates) at Austin, Texas, next weekend, and wind up the junket at the National AAU Championships at Dayton Ohio, June 21-22.

Wife seeks liquor permit lost by convicted mate

"There should be a decision in the Pennington Ave., case in about a week.

"We are investigating the background of the man who wants to help operate the lunchroom."

That was fne word from the Liquor Board Monday concerning an application for the renewal of the permit of a man now in prison for selling liquor to a minor.

Investigators were advised by the Board on Wednesday to investigate carefully the request of Mrs. Louise Haskins to add her name to the permit held by her husband, Cleveland Haskins Sr., owner of the Bayard Lunch, at 5520 Pennington Ave.

• • •

GRANTING the renewal would permit opening of the bar which was closed after Mr. Haskins lost an appeal from a suspension by the liquor Board.

The Court of Appeals sustained a two - year criminal Court sentence imposed on Mr. Haskins for selling liquor to minors, including a 15-year-old boy who lost an arm when struck by an automobile after leaving the bar.

The conviction was upheld on the basis that Mr. Haskins as the owner of the establishment was responsible, although absent when the illegal sales took place.

• • •

FOLLOWING THE Court of Appeals ruling, the liquor Board issued an order to the effect that the premises could not be opened until the permit was transferred to someone else.

In connection with the closing, two bartenders, Cleveland Haskins Jr., and Gilbert Conrad Hall were convicted of serving minors.

At Wednesday's hearing Mrs. Haskins was accompanied by Amos Gardner of the 1600 block Pennsylvania Ave. who told the Board that he would assist her in operating the bar.

Chest X-ray program to cover Eastside

A 70 block area in east Baltimore will be scene of a free community-wide chest X-ray program beginning on Tuesday, June 11 and continuing through Friday, July 12.

The area in which the health service will be offered is bounded by the Fallsway, Monument, Caroline, and Baltimore Streets, an area considered by health officials to have one of the highest TB prevalence rates in the city.

The mobile chest X-ray truck of the Health Department will be placed in eleven different locations during the five week survey in an effort to bring the service to those street corners where there is the greatest concentration of population activity.

• • •

A PLANNING committee made up of many civic and community leaders in the area have met several times to lay plans for the organization and promotion of the program.

Among those scheduled to take an active part in the program are Van Story Branch, manager of Lafayette Courts, and Miss Gertrude V. Boquist of the Eastern Health District.

The following persons will also take part:

Milton P. Friedmann, Eastern Health District, and William S. Taylor, Eastside Community Committee will be in charge of the distribution of posters; Dr. Ralph Young, physicians; The Rev. Wesley Nash, churches; and Mrs. Anne L. Payne, principal of School No. 102, Robert P. Diggs, principal of Dunbar High Schoolg and Daniel N. Clark, Chick Webb Recreation Center, schools and registration.

Others working with the planning committee are Dr. W. Sinclair Harper, health officer, Eastern Health District; Dr. Meyer Jacobsen, Baltimore City Health Department; and Miss Charlotte Hicks, Maryland Tuberculosis Association.

The purpose of the program is to screen as many apparently healthy adults as possible for tuberculosis and other diseases of the chest.

In 1956, a total of 1162 new cases of TB were reported by the Baltimore City Health Department. It is estimated that there are perhaps several thousand unknown cases as yet undetected. The sooner they are discovered, the better the chances of recovery.

It takes only a few minutes for a chest X-ray which requires no undressing. Anyone 15 years of age and older is urged to participate. Reports are mailed by the Baltimore City Health Department to the homes of those receiving the chest examinations.
