Science Shrinks Piles New Way Without Surgery
Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids
New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery.
In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.
Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.
And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!
In fact, results were so thorough that sufferers were able to resume such astonishing statements as, "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.
All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne)—the discovery of a world famous research institution. Bio-Dyne is now in wide use for healing injured tissue on all parts of the body.
This new healing substance is offered in suppository or ointment form called Preparation H. Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.

WARNING!
BEWARE COUGHS THAT HANG ON
FOLLOWING COLDS
A stubborn cough following a common cold may develop into chronic bronchitis—a condition far worse than the cold itself. Before it is too late relieve that cough with Creomulsion. Cough Syrup right now. Creomulsion stops the tickle, comforts raw throat membranes, clears the breathing passages, fights the cause of irritation—quickly. It's safer, too, because it is free of narcotics or antihistamines. Don't let that cough break you down. Begin taking Creomulsion at once.

Starts fire while thawing water pipe
"It started underneath the porch when my husband was thawing a pipe. He had the fire too close to the floor."
Thus Mrs. Willie Morris explained how a slightly damaging fire was started on the first floor of the three-apartment house once occupied by the late Dr. Edard Wheatley at 1230 Druid Hill Ave., Friday morning.
Two fire engines answered the call to extinguish the fire which Mrs. Morris said lasted "about 10 or 15 minutes."
Dr. Wheatley's widow, Mrs. Laura Wheatley, now lives in California.

A BUS NAMED 21—As cute Miss Carolyn Edith Woods, 19, 2321 E. Oliver St., walked on Preston St. near Calvert, Saturday, she had a bus on her mind. She was on her way to get a No. 21 for the trip home. She is a freshman at Morgan State College where she is majoring in home economics. The bus took a few minutes to show up but she never lost her smile.

YWCA Notes

Mrs. Theodosia Stokes, a member of the Health Education and Recreation Committee related this story:

"While riding on a very crowded No. 19 bus from downtown I overheard two ladies commenting on how deserted the streets in their neighborhoods looked on Saturdays.

She went on to say, "Looks like all the children are punished or abut in on Saturdays."

At this point, Mrs. Stokes interrupted as she could very well account for nearly two hundred boys and girls who come to the YWCA for Saturday Specials.

Mrs. Stokes suggested that we let more parents know of our activities which are held every Saturday from 10:00 a.m. 'til 2:30 p.m. (For any boy or girl between the ages of 8-12 years).

Also, ballet, tap, ceramics, creative dramatics are offered for any junior member. Some mothers leave their children here for all four activities and then the youngsters ask "Mom, can I bowl?"

VOLUNTEERS ARE doing a big job on Saturdays also. Especially outstanding is a group called the Dance Mothers Committee.

This group helps plan music activities and parties for their youngsters.

They are now in the process of preparing for "The Wizard of Oz" which will be given in May. You should see the expert skills exhibited in designing and sewing costumes.!

Mrs. Noami Jones and Mrs. Irene Bush are co-chairmen, other members are Mesdames Flozella Clark, Jennifer White, Lewis, Myra Rosenstien and Miss Debbie London, the instructor.

THE BOWLING league has a newly appointed committee to make plans for its spring tournament and banquet.

Members of this group are Miss Elizabeth Fisher, Mrs. Ileen Snow, Miss Ann Howard, Mr. Churchill Johnson and Mrs. Amelia Redd and Mrs. Effie Weatherly of the staff.

Don't know whether or not you've heard of the Stolcs (Co-ed Club) but that is the busiest little club in the YW. always planning something for charity. Mrs. Ruby Tarter, the advisor, says that plans are under way for a Spring Sing, March 24.

Proceeds will be used to help finance a film "Passion for Life" which will be used both to teach leadership skills at a Spring Training Institute at Central Branch YWCA, March 29th. The public will be able to see this free film.

LET US make a date with you, AFRO reader, March 21st for a members' party for old and new YW members.

This is a complete package party directed by the popular Abe Zanner.

If you are between 18 and 81 just show your membership card. This will admit you. Time 8:00 p.m. in the auditorium.

We are always creating new activities for our members. Watch the AFRO closely for our next coming features.

REPORTER'S ROW

by Samuel Hoskins

A farewell party was held, Wednesday afternoon for Leonard Hall, retiring GOP national chairman.

Despite the bravado, it was a somewhat sad party. For national committee people, from top down, were sorry to see the congenial chairman take his leave.

The man who has the inside track to succeed Hall is from Connecticut.

• • •

DESPITE reports to the contrary, Val Washington, head of the GOP minorities division, is staying.

PEARL BAILEY

FRANK DAVIS

More colored people are participating in Presidential Inaugural activities than at any other time in history.

The total figure of official guests is approximately 400. This does not include the entertainers who represent over $1 million worth of talent.

• • •

GETTING top billing are such stars, are Pearl Bailey, noted song stylist, festival program; Frank Davis, bass baritone soloist, featured with Fred Waring's singers.

Of course, there is the great Marian Anderson, singing "The Star-Spangled Banner" on the East Portico of the Capitol during administration of the Presidential Oath.

The eight orchestras rotating between the Armory and three hotels include that of the irrepressible Lionel Hampton.

The Young Republicans presentation, "America's Dedication to World Peace," features the Morgan State College choral group, among others.

At the GOP national convention last summer, there were two delegations from Mississippi.

So it appears that Sir Howard of the Black and Tans has the last laugh on the Lily Whites.

AND SPEAKING of last laughs, some Republicans are giggling at Democrats who asked for tickets to inaugural affairs.

Said one GOPer to his Democrat friend: "Sure, I'll get you tickets. This is a new day, come on out and enjoy yourself."
