
FOR A PINEAPPLE fragrant dessert, a combination of apples and pineapple provides the base for a warm and cinnamony idea in this pineapple float with Hawaiian icing.

Peanut-raisin drop cookies

The combination of salted peanuts and raisins takes "Peanut Raisin Drops" out of the ordinary cooky class. A rich, almost shortbread -type cooky dough acts off the crisp-chewy, nutty-sweet character of this interesting pair.

Wrap some of these delicious cookies in colored cellophane and tuck them into holiday gift boxes. Or, keep a gay basket of them in the hall to please youngsters who come and go during the holiday season.

MAKE PEANUT RAISIN Drops with one-half cup light or dark raisins, one-fourth cup salted peanuts, one-half cup shortening, one-half cup sugar, one teaspoon vanilla, one egg, one cup sifted all-purpose flour, one-fourth teaspoon soda, and one-half teaspoon salt.

Rinse and dry raisins; chop raisins and peanuts coarsely. Cream shortening, sugar, vanilla and egg together until light and fluffy. Sift flour, soda and salt together; add to creamed mixture along with raisins and nuts, mixing well; half dozen cookies.

Pineapple float makes special fruity treat

For a pineapple fragrant dessert, a combination of apples and crushed pineapple provides the base for a warm and cinnamony idea—extra nutritious because nonfat dry milk is added to the filling and the frosting.

Here is a way to add to a dessert, important amounts of protein, calcium, vitamins in convenient, concentrated, inexpensive form.

You can put this recipe together in a hurry by using your favorite—recipe for pie crust, or perhaps you might like to speed the preparation along by using one of the packaged mixes. Serve pineapple slices frosted with Hawaiian icing.

* * *

PREPARE CRUST according to favorite recipe or use package mix, divide and roll dough in two square sheets. Place one sheet in glass baking dish 8 inches x 8 inches x 2 inches. Reserve second sheet for top crust.

The pineapple filling is made with three-fourth cup sugar, one-fourth teaspoon salt, two tablespoons nonfat dry milk, one-half teaspoon cinnamon, one-half teaspoon nutmeg, one tablespoon butter, five cups sliced apples, one-half cup raisins, and one-half cup drained crushed pineapple.

Mix sugar, salt, nonfat dry milk, spices and butter. Sprinkle half of mixture over dough. Add apples, raisins and crushed pineapple and then remaining sugar mixture. Put on top crust and pinch edges together. Bake in preheated 375 degrees F. oven for forty-five minutes to one hour.

HAWAIIAN ICING requires two tablespoons butter, two tablespoons nonfat dry milk, one-half cup confectioners' sugar, and two tablespoons pineapple juice.

Melt butter and add remaining ingredients. Mix until smooth and frost pineapple slices.

YIELD: Eight servings.

Tuna Bake

A tuna casserole is many a good cook's favorite dish for a meatless menu.

Makes three to four servings.

BLADDER WEAKNESS
If bothered by nagging backache, leg pains, nervous headaches, dizziness, loss of pep and energy, burning, scanty or too frequent urination, this may be caused by tiny, stubborn kidney germs. Doctors say these germs may be the cause of bladder troubles in many such cases. Ask druggist for Cystex (Sis-tex) on a guarantee to satisfy you in 1 hour and 48 hours or money back. Cystex is a diuretic that works through the kidneys to flush out kidney germs. See how fast you improve.
