BALTIMORE BEAT:

Headaches for Cain but White, Payne optimistic

Headaches headaches piled up for one city's city's prize tan coaches week on week on the eve of today's ay) opening of play in the land Scland Scholastic Associa basketballbasketball race.

Cain, Carver Cain, tutor at Dunbar School, School, was lamenting the of all of all three of his court mount mainstays as he red his red his charges for an in of Loyo of Loyola's gym to meet Always-always-classy Greyhounds.

Cain's Cain's worries were ng hinng him, coach Sodie at Car at Carver, appeared to rking ovrking overtime to control thusiasnthusiasm over a surprise ver former formidable Towson le, andie, and coach Mack at Dou at Douglass, was wait d hopind hoping.

• • •

IBAR EIBAR EARLY this week im Bowins Bowie, one of the rs. He rs. He was relieved of iform biform by Cain "for dis ry reasory reasons." His remo mpleted mpleted a sweep of the three v three veteran big men other twether two were Bernard and CI and Cliff Johnson. Wil dt school school after the first seks of teiks of the fall semester. nhnson nhnson was floored by ntle deftile deficiencies shortly before the suspension of Bowie.

CAIN, HOWEVER, refused to let the situation get him down. "Now we don't have any stars, so maybe we'll do all right as a team."

The Poet mentor realizes that the relatively green combination of Charley Leach, Clyde Stokes, Rudy Peterson and Reginald Stokes puts quite a load on the shoulders of Wally Buford, oldest man on the squad and playmaker for Cain.

But Shug says, "I guess we'll get along. Anyway, we'll know something after Loyola Friday."

WHITE EXPRESSED some concern of the lack of height on his Carver aggregation, but was considerably cheered by Tuesday's decisive win over Towson Catholic. The Suburban ers are perennially strong and this year is no exception.

"It looks very much as though these boys are going to do a great team job. They're small, ranging from 5-feet-11 to 6-3, but they make up for this shortcoming in speedy and hustle."

TO EMPHASIZE the lack of height in the Trainer lineup, it is interesting to note that none of the starting lineup against Towson was as much as six feet tall.

James Lewis, at 5-11, was the center; Ray Coward (5-10) and Rufus Garrett (5-11) were at forward, and Howard Bass (5-11) and George Kimbrow (5-6) were at guard.

"Only Lewis Mitchell and Tyrone Savadore exceed six feet," explained White, "and both need experience. Mitchell is 6-2, and Savadore is 6-3."

• • •

IN THE CASE of Douglass, Coach Payne is still trying to locate suitable replacements for his two co-captains of last year, James Brown and Paul Smith.

They were a steady pair," bemoans the Duck tutor, "and the kind which are hard to come by in high school ranks."

• • •

CARMIE POMPEY and Bob Scott, the two six-footers in the Douglass lineup, are surrounded by an energetic lot, all of whom Payne refers to as "perfect boys with desire."

Mel Hopkins, Dave Young, Jimmy Sifford and Bill Hailey are all under six feet. However, they have been showing great promise of working together and making their presence felt in what may be the toughest league the MSA has boasted in many seasons.

JIM BROWN

Brown takes 2nd NFL honor in row

NEW YORK — Football writers covering the game in the 11 cities of the National Football League, chose Jim Brown of the Cleveland Browns, "professional player of the year."

Selection of the 230-pound sophomore fullback came about in a poll conducted by the United Press International news service. It marked the second straight year that Brown was singled out for honors. Last year he was voted the top rookie award.

Brown was the NFL's top scorer with 108 points. His 18 touchdowns included seven runs of 38 yards or more, the longest being a 65-yard jaunt.

Twenty-one of the 29 voting writers placed the 23-year-old Manhasset, L.I., powerhouse No. 1 on their ballots.

• • •

JOHN UNITAS, quarterback for the champion Baltimore Colts, was second in the voting with five votes. Bobby Layne, Pittsburgh Steeler quarterback was third with two. The other vote went to Del Shofner, speedy offensive end for the Los Angeles Rams.

Brown won the N.F.L. rushing crown with 942 yards during his first professional campaign in 1957 and won "rookie of the year" honors by a landslide vote for that performance.

• • •

IN 1958, the former Syracuse All-America showed that his brilliant 1957 showing was mere by a warm up. During the past season he shattered the old N.F.L. rushing mark of 1146 yards set by Steve Van Buren of the Philadelphia Eagles in 1949 by 381 yards.

Brown carried the ball 257 times in 1958, averaging 127 yards per game and 5.9 per carry. His 18 touchdowns tied the season record set by Van Buren in 1945.

Bears bolster defense, await Howard, Union

The Morgan State College basketball squad resumes play this week, seeking the team's first victory of the season.

The Bear quintet faces Howard University at Washington tonight (Friday) in the Bears' first game following the Christmas recess, then on Saturday the Bears engage the first division Virginia Union University Panthers of Richmond on their court here.

Coach Talmadge (Marse) Hill's cagers, forced to rebuild this year, have not hit the winner's column yet in five attempts, but undaunted, the Bears have been practicing strenuously since Jan. 2 to get a "winning team."

WITH TOM BRISCOE, one of the veterans from last year, resigned from the team, the varsity veterans, ace Charlie Morgan squad has only two Brightful, and Cecil Bond, sophomore who acted as a reserve last year.

Completing the starting line-up for the Hill-men are Harry Johnson, a freshman from Annapolis, Md., who has proved to be a valuable scorer, and two other freshmen, Winston Reynolds of Atlantic City, N.J., and Robert Walters of Jersey City, N.J.

• • •

PRACTICE this week has found the Bears sharpening the defense with special defensive work assigned Brightful, Bond and Johnson.

Saturday's game will get underway at 8 p.m. in Hurt Gymnasium. It will be the second encounter of the season between Morgan and Union.

Family and Child Services of Washington, a nonsectarian UGF supported Agency, has received a gift of $10,000 from the estate of the late Gracie K. Richards.

In the terms of the will, one half of the bequest was allocated to the major work of the Agency, family counseling. The other half was specified for the use of the Agency's Summer Outings Committee, which operates two large summer camps for children served by a number of local welfare agencies.

Track season gets in swing Saturday

The 1959 track and field season gets under way here tomorrow (Saturday) night with the bark of the starter's gun for the Eastern Indoor relays at 5th Regiment Armory.

One of the largest fields in the 15-year history of the event is lined up for the competitions which usher in the major program that moves next week to Boston and the following week to Washington for the Eastern Star Games.

• • •

AN ESTIMATED 344 contestants, representing 27 different organizations, will be seen in the action commencing at 8 p.m.

Chief among these are teams from Morgan State College, Fordham University, Georgetown, Duke University, Seton Hall and St. John's College of Brooklyn.

• • •

BIG NAME individuals also are to be found spread throughout the entry list.

Elias Cepeda, for example, the world record-holder in the low hurdles from Winston-Salem Teachers College, is set to face to tough field in the 60-yard high hurdles event.

Ready to challenge the long-limbed Rams star are his teammate, Fran Washington, 1958 National AAU high hurdles champion; Charley Pratt, former national decathlon king, and George Hearne, holder of intercollegiate mark in both the low and high fence races.

• • •

THE 600-YARD field is another of the star-studded variety. Josh Culbreath, former Morgan College captain and quarter-mile ace, will vie with ex-world record-holder for the 600-meter hurdles is entered.

The former Bisons should meet some rugged competition in the persons of Jim Gaffney of Shanahan A.C., Nick Ellis, Culbreath's successor at Morgan; Walter Johnson of University of North Carolina, Frank Bowens, hard - hitting Kansas State quarter-miler.

• • •

THE TRADITIONALLY strong Morgan College mile relay foursome, headed by Elias, Hosea Smith, Paul Winder and Si Keller, is expected to tangle with crack quartets from Georgetown, Seton Hall and Fordham.

Morgan also will send Winder, Tom Anderson, Bob Ridley and Lee Martin in the sprints, an assignment that will pit them against the fleet and talented Pennsylvania pair of Ira Davis, of LaSalle, and Bill Sharpe, of West Chester Teachers.

George Dennis, who set the Eastern mark of 6 feet, 10 inches in the high jump while at Morgan, is scheduled to defend in his specialty.

Brown to defend title on Feb. 11

HOUSTON, Tex. (ANP) — World lightweight champion Joe Brown is slated to become the first boxing champion to defend his title to 1959, according to an announcement here by Donald Milheim, matchmaker for Texas Boxing Enterprises.

Milheim said Brown has agreed to defend his title here Feb. 11 against Johnny Busso of New York, who defeated him in an overweight match at Miami, Fla., Nov. 5. In the fight with Busso Brown appeared to be off form, blowing several opportunities to stop his man.

Brown made his other title defenses here, taking one each against Ralph Dupas and Kenny Lane—under the auspices of the Texas boxing commission, each, the International Boxing Club, Truman Gibson Jr., president, handled the coast-to-coast telecast.

McMillon placed on reserve by Pistons

DETROIT, Mich. — The Detroit Pistons announced early this week that they have placed Rod Roche on reserve.

Roche, who was injured in the action "He's too good to give to some other club. This way if I need him because of an injury or otherwise, he's available to us immediately."

McMillon was a star at Bradley University last year.

Jones the winner by score of 30-10!

WASHINGTON

Willie Jones settled a controversy Wednesday night. The five foot nine inch American University junior got old Georgetown's highly touted Brian (Puddy) Sheehan both in points scored and in overall play, leading his Eagles to a dramatic 94 - 67 triumph over the Hoyas.

Jones scored 30 points to Sheehan's 10.

The game, played before 7,300 at Fort Myer, Va., drew wide public interest because of the sidelight showdown between the area's top two college basketball players, Jones and Sheehan. Sheehan has drawn overwhelming publicity during the few weeks because of his fast, aggressive brand of basketball. Like Jones, he stands a mere five foot nine.

It had been claimed that "Puddy" could easily overshadow Wee Willie in a showdown.

Sheehan went into the game with a per-game average of slightly over 30 points, as compared with Jones' formidable 28, fifth best in the country among college players.

• • •

WEE WILLIE is the Mason-record holder with 41 and holds the American University per game record with an average of 21 points set last year. The former Dunbar cager is a strong candidate for the Little All-American basketball lineup.

Jones got Wednesday afternoon another score for the Eagles. It was the first time in their 17-game rivalry that American had beaten Georgetown in basketball.

The first half of the game was nip and tuck, with the Eagles leading by a scant 38-36. But in the second, American U. put on the steam and walked away with all the honors.

Jones, scoring for the Eagles was Dicky Wells, formerly of Spingarn, who was the star of the American's big scoring attack in the second half.
