Sweet potatoes score in a pie

With sweet potatoes in full supply, now is a good time for that old-fashioned delicacy, sweet potato pie.

You will need four tablespoons butter, a half cup sugar, three tablespoons lemon juice, a tablespoon grated lemon rind, three eggs, separated, a fourth teaspoon cinnamon, two cups mashed sweet potatoes, a cup top milk and one unbaked pastry shell.

CREAM BUTTER until soft, add sugar gradually and cream well blended.

Add lemon juice and rind, time to cream until sugar is dissolved. Add beaten egg yolks, cinnamon, potatoes and milk. Mix thoroughly. Fold in stiffly beaten egg whites.

Pour into pastry-lined pie plate. Bake in hot oven for 10 minutes, then lower temperature to moderate and continue baking for about 40 minutes longer or until a knife inserted in the center comes out clean.

Now is time to bake that fruit cake

Now's the time to bake fruit cake. Time goes by so rapidly in busy households these days it's hard to realize the holiday season is not far off.

Home baked fruit cakes just can't be beat. They seem so rich and moist so luscious-ly filled with dried and candied fruits, peels and nuts. They all have a spell-binding aroma of that secret ingredient — love — which seems to insure success.

"Golden West Fruit Cake" is a delicious light and dark cake — one that is certain to please almost everyone. Rich golden and dark seedless raisins, dried figs, fresh dates and almonds are among the numerous ingredients which fill this Cake. Bake "Golden West Fruit Cake" early and allow time for it to mellow slowly and blend the rich flavors.

• • •

FOR GOLDEN West Fruit Cake use three cups light or dark raisins, one cup golden dried figs, two cups pitted fresh dates, one cup unblanched almonds, one cup pecans, one cup cut preserved orange peel, one - half cup cut citron, one - half cup cut candied cherries, plus one - fourth cup apricot whole fruit nectar, one - fourth cup honey, one cup shortening, one and one fourth cups brown sugar (packed), four eggs, two cups sifted all - purpose flour, one teaspoon salt, one fourth teaspoon soda, one teaspoon cinnamon, one - half teaspoon allspice, and one - fourth teaspoon cloves.

• • •

RINSE RAISINS and drain thoroughly. Clip off stems and chop figs, chop dates. Combine fruits, chopped nuts, orange peel, citron and cherries. Combine nectar and honey and pour over fruit nut mixture. Cream shortening and sugar together thoroughly.

Blend in well-beaten eggs. Sift together flour, salt, soda and spices. Add to creamed mixture, blending well. Pour over fruit mixture and blend thoroughly.

Turn into 2 loaf pans (about 8½ x 4½ x 2½ inches) lined with two layers of greased brown paper and one of greased waxed paper. Bake in slow oven (275 degrees F.) about three and one - half hours with shallow pan of hot water in bottom of oven.

Makes about five and one-half pounds cake.

Colts try to shake slump vs. Packers

MILWAUKEE, Wisc. — The Colts and Packers will both be endeavoring to snap losing streaks when the clubs collide here in County Stadium on Sunday.

In their last two outings the Hosses have been edged by the Cleveland Browns and Washington Redskins, while coach Vince Lombardi's Green Bay crew has dropped its last four contests after three straight victories.

• • •

BALTIMORE rebounded in spectacular fashion the last time it lost two in a row, jolting the New York Giants, 33-17 in the 1958 title game after successive setbacks by the Los Angles Rams and San Francisco 49ers. They'll be hopeful of recapturing that championship form to break out of their current slump.

There's no doubt that the Steeds will have to play like champions to defeat a Green Bay squad that will also be intent on bouncing back into the win column in its return to home territory after three weeks on the road.

OUT OF LAST Sunday's loss to the Redskins the Colts salvaged an encouraging performance by Lenny Moore. The swift striding halfback flashed his finest form of 1959 as he carried the ball 12 times for 77 yards, snared four passes for 109 yards and threw a 12-yard touchdown pass, his first in league competition.

The Reading Rocket has had difficulty blasting off from scrimmage this fall and his 77 yard output topped by 24 yards his best previous effort five weeks ago in Detroit.

• • •

MOORE, whose seasonal record now shows 246 yards rushing and 537 yards receiving, collaborated with quarterback John Unitas on a 66-yard pass play in the last three minutes of action at Washington that led to the deadlocking TD loss that Lenny flipped to rookie end Jerry Richardson.

The Redskins, however, stormed back to boot the decisive field goal with only seven seconds remaining.

—Colt stories

(Continued from page 1)

have such a wide collection of racial strains.

"Mr. Rosenbloom is Jewish. Some of the biggest stars are colored — Lenny Moore and Big Daddy Lipscomb. Gino Marchetti, the captain, is Italian, and we have top players of Irish descent, Danish, Polish and what have you."

(Milt Davis, defensive halfback, is part Indian-Ed Note).

• • •

MR. YOUNG added:—

"There has been an isolated use of a word offensive to colored players, just as there has been a bad choice of nick names for the Italian and others.

"But in each instance, the slur was not intended, and there definitely was no lingering resentment."

The AFRO began scouting the dissenion rumors on Monday. It learned that the club officials, disturbed by the stories, had called a meeting at Memorial Stadium for Tuesday, and spent most of the morning discussing matters.

Present with Mr. Rosenbloom were General Manager, Don Kellett; Head Coach, Weeb Ewbank and the assistant coaches, and Personnel chief, Keith Molesworth.

Following the stadium meeting, Rosenbloom telephoned Young and asked him to make the trip here with him. The purpose was to further discuss the situation with Buddy.

Efforts to reach the Colts' owner at his Empire State Building office on Wednesday were unavailing. Nor had the AFRO succeeded in contacting him up to a late hour Thursday.
