CONVERSATION IN HAITI — U.S. Senators Homer E. Capehart (R., Ind.) and Frank Carlson (R., Kan.) are shown talking with Gen. Pierre Merceron, (left) Haitian military chief, and Philip Williams, U.S. Embassy attache. The occasion was a reception at Port-au-Prince for the visiting senators.

Mrs. Douglass, on the stand, admitted that Mr. Shaw had telephoned her about seeing his wife in company with Mr. Douglass.

She described her knowledge of their friendship as 'hearsay.'

A — Certainly not immediately. No.

Q — But you did talk to him about it?

A — Eventually.

Q — Mrs. Douglass, do you recollect going to the home of Mrs. Shaw with Mr. Shaw and waiting outside and seeing your husband come out with Mrs. Shaw?

A — Anything I say, would be hearsay in that direction.

* * *

ALTHOUGH Mrs. Douglass testified she did not recall a trip and waiting outside of Mrs. Shaw's home, Norman Sellman, a tailor, testified as follows:

Q — Do you know Odell Smith?

A — Yes, since he was 14 or 15 years old.

Q — Do you know his wife, Jeannine Shaw?

A — Yes, about twice or four times.

Q — Do you recall a time when Mr. Shaw picked up his wife in a car and Mrs. Douglass was in it?

A — Our time he came and asked me to take a ride with him and Mrs. Douglass. We went three days later after appearing in police courts. He asked me where I was going and he took me and Mrs. Douglass on Eliglass Ave. — in the 2200 block. When I got in, Mrs. Douglass and Odell were in the car and another lady, but I don't know her.

Q — What happened then?

A — We parked... It was about eleven o'clock.

Q — What happened while you were there?

A — The first thing I saw, as two ladies come out to the trash out. Then this man came out and Mrs. Douglass identified him as her husband.

"He got in a car and we left for Wilde. Odell was in Mrs. Douglass home twice soon as he drove up to my house. Mr. Douglass was sitting in car and Mrs. Douglass went in. I left and at Pennsylvania and Pa.

REPORT TO HAITI

US help for Haiti promised by solons

By LYNN GROSSBERG

PORT AU PRINCE, Haiti—U.S. Senators Homer Capehart of Indiana and Frank Carlson of Arkansas met last week with President Duvalier, Ministers of Finance and Foreign Affairs, Andre Theard and Dr. Louis Mars and other top Haitian Government officials, senators and business men.

Senator Capehart appeared before the Haitian Senate last Friday before his departure and then was honored at a reception at Hotel Oloffa.

"Top Haitian personalities also had occasion to mingle socially with the Senators and American businessmen who were in Capehart's entourage at a reception in the home of the acting U.S. Ambassador Philip Williams.

Senator Capehart declared that he intended to put his influence behind efforts to bolster the weakened economy. Senator Carlson said "friendly" Haiti would receive priority consideration in U.S. sugar quotas.

CLEMENT BARBOT is expected back from Germany this week where he flew with his wife to visit his son who became ill while studying there. President Duvalier saw him off at the airport personally when he left.

He is considered the man closest to the President and therefore the second most powerful man in Haiti.

A recent article on Haiti sent the more sensitive Haitians to bed with a sick heart. The article in an American magazine was a mockery of the Haitian Army and hit the Haitians where it hurt the most—their dignity.

It like like another "Bolivia" at least under the surface. Bolivia exploded when the magazine reported an American official as saying that country should be divided up among its neighbors.

It is sure that Point IV officials here who have been working so hard behind the scenes to help, giving the Haitians credit were chagrined.

President Duvalier has also ended what had been referred to as a national scandal—that of the Artibonite Valley, where more than 100,000 persons were to have benefited from power and irrigation produced by the $14 million Peligre Dam.

Waste, corruption and inefficiency ran the cost of the dam up to $30 million before the generators were installed.

He has sliced the country's 1960 budget almost 15 per cent to $28 million. He has brought about the imposition of new excise taxes on such items as imported canned goods, autos gasoline and cigarettes, which should increase revenues by more than $1 million.

THERE ARE many indications that Haiti has experienced a change for the economic and political better in recent months.

President Duvalier, while viewed as a harsh taskmaster and a tough administrator, has begun to win a grudging respect as a result of steps which he has initiated.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne*) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use in hospitals, clinics.

This new healing substance is offered in *suppository or ointment form* called *Preparation H.** Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with 'applicator' tube. Preparation H is sold at all drug counters. Satisfaction guaranteed or money refunded.

for Christmas by providing food baskets.

If so, you can call Mrs. Santa at Mulberry 5-6015 she can give you the names of as many deserving families as you desire.

* * *

OR PERHAPS you don't have the time to fix a basket.

If this IS the case, then you can send a check or money order to the AFRO's Mrs. Santa Fund here at the AFRO 638 N. Eutaw St., and the money will be used to help the needy at Christmas.

Already cash donations have been received from a number of persons and Mrs. Santa certainly hopes that the number will increase.

All gifts will be acknowledged and you can be certain that they will go to deserving families.

One of the biggest gifts this week came from the Douglass Evening High School through Wardell Richardson, vice principal.

The school has 30 baskets which it is now distributing to needy families through Mrs. Santa.

That's going to be a mighty big boost to the project and Mrs. Santa just knows there are other organizations in town who will make similar gesture.

Listed below are the latest wants of Mrs. Santa and she hopes that you will find one or more in the list that you care to help.

[illegible]

HELPING PATIENTS in the various hospitals to have a merry Christmas has become an annual thing with Mrs. Hazel Hughes, 105 N. Carrollton Ave. Here she is seen with 225 pairs of bedrooms slippers which she has started delivering to the hospitals, including Crownsville State Hospital. She started the project several years ago when she visited hospitals and talked with patients and observed them in the wards.

Mrs. Santa's ready for her lavish Christmas Eve show

One of the top instrumental groups in the city, the Bim Bam Boo Trio, headed by Cornell Muldrow, will provide the big beat for the AFRO's Christmas Eve Show for underprivileged children at the Regent Theatre.

A dynamic group, capable of playing anything from the rock-ingest rock and roll to a tender ballad, the trio is currently featured at the Lucky Number Night Club.

The young leader, a Baltimorean, is a man of many talents playing not only the piano and the organ like a house afire but also turning in a first rate job with his voice.

This show for which the Bim Bam Boo Trio will play will be one of the liveliest ever to grace a local stage—and that's for real.

It is being presented by the AFRO's Mrs. Santa for youngsters who might otherwise find the holidays a very dull and lonely time.

* * *

A NUMBER of the top entertainment personalities in the city have already volunteered their services for the show and the management of the Regent Theatre has cooperated by providing a setting and also a delightful line.

Over 1,500 boys and girls will be in the Regent on Christmas Eve morning, all those not within walking distance will receive free bus tickets courtesy of the Baltimore Transit Co.

In addition to the Bim Bam Boo trio, other artists lined up include Jeff Dane, Miss Ethel Ennis, Mrs. Geraldine Clemmons, Hot Red Hubert and the ever popular Dancing Mothers of the Rose vett PTA.

Between now and show time, the
