Where I have lived for nearly a year, but prior to Dec, 1, 1914, I lived in the neighborhood of the real estate mentioned in this case and I worked on this farm and know it well. I know the late Evan J.Aldridge he is dead, he died on or about January, 1910, anf lefta widow surviving him Mary Ellen Aldridge, who died July 2nd, 1915, during the past summer, and he also left the following children, Vis!-David C.Aldridge an adult son whose wifes name is Sadie R.Aldridge, both of whom are adults and reside in Frederick Maryland, a daughter Bertie Brashear, whosehusbands name is Irving Brashear both of whom are adults and reside in Frederick County Maryland, John G.Aldridge, a son whose wifes name is Estella Aldridge both of whom are ad ults and David C.Aldridge, one of the plaintiffs, produced on behalf of the plaintiffs, having first been duly sworn, deposes and says!-

My name is David C.Aldridge I am 49 years of age, I reside in Frederick Cety, Maryland, I am one of the plaintiffs in the proceedingsand know all the parties to this suit-My father Evan J.Aldridge died on January 1910, I dont know the exact date, and left a widow my mother Mary Ellen, who died in July 1915. The following children survive, David C.Aldridge, the present witness whose wifes name is Sadie R.Aldridge, both of us are adults residing in Frederick City, Maryland, Bertie Brashear a daughter whosehusbands name is Irving Brashear, both of whom are adults and reside in Frederick County, MdJohn G.aldridge, a son whose wifes name is Estella Aldridge, both of whom are adults and reside in Frederick County Maryland, Mary P.Brown, a daughter whose husband's name is Bushear Brown, both are adults residing in Howard Co, Md. Charles T.Aldridge, an adult son Newark Ohio is his home, his wife's name is Clara Aldridge and they are both adults, There was annother daughter who survived Father, her name was Jane Brown, her Husbands name was Walter Brown and he is about 39 years of age. she died about March, 1915, and in addition to leaving the surviving husband, she left two children, Viz, Emery Aldridge aged 11 years and Charlws M.Brown, aged about 2 years. They are both infants residing in Frederick County, Maryland. She died intestate. The infant Charles M.Brown is now in Howard Co, Md. My father Evan J.Aldridge died intestate, leaving no Will and at the time of his death he was seized of two tracts of land, in Woodvill District in Frederick County, Maryland. and contained in the aggregate about 92 acre of land. I look at the two Exhibits A. and B. filed in this case and they correctly describe this real estate. The two tracts lie adjacent to each other and constitutes a small farm with one set of farm buildings. They consist of a small barn, a two story and basement dwelling house, log weatherbearded, hog pen and some other outbuildings. This Farm is not succeptable of division or partition among the parties interested with out or injury to them, becauseit consists of a farm with one set of buildings and there is no way it could be done to make any general distribution or division of it, and it would be to the benefit and advantage of all the parties, especially to the benefit of the two children, the infants that this property should be sold and the proceeds be sold and the proceeds of sale be devided among these according to their respective interests. The buildings need repairs and painting the fences need repairs and the rows are growing up in bushes. This farm is worth about $20, to $25. per acre. To the Gen, Int!-Answer, No Sir!-

David C.Aldridge.
