Blue Cross announces enrollment

Maryland Blue Cross and Blue Shield has announced an open enrollment period for their special Blue Cross and Blue Shield 65 Program with run through March 31.

The 65 Program combines with Medicare to provide broad hospital and medical care protection at a low cost. Medicare covers most hospital expenses and 80 per cent of medical expenses for those age 65 and over.

Blue Cross and Blue Shield 65 covers most of the deductible and co-insurance features built into the Federal program.

Benefits under the 65 Program were expanded, cover substantial increase in all of the deductable and co-insurance payments required of Medicare beneficiaries under Part A (hospital insurance) of the Federal program.

This was the third time benefits were increased for Blue Cross and Blue Shield members since the program went into effect in 1966.

Aliens must register

All aliens residing in Maryland are reminded by H. L. Woolwine, District Director of the Immigration and Naturalization Service in Baltimore that January is the month during which they must report their address under the annual Alien Address Report Program.

Nearly 50,000 aliens reported their address in Maryland last year and the figure for 1970 is expected to approach 55,000.

The Immigragion pointed out that the address reports are required by law and willful failure to comply with these requirements may lead to serious consequences. Jan. 31 is the last day on which this report may be made.
