Career Appointments for Engineers, Physical Scientists

APPLIED PHYSICS LABORATORY

The Johns Hopkins University

The Applied Physics Laboratory, a division of The Johns Hopkins University, operates under contract with the Bureau of Naval Weapons. The development of the Navy's Terrier, Talos, and Tartar guided missiles, the development and fabrication of guidance for the Navy and NASA, and the test and evaluation of guided and ballistic missile systems are among its principal assignments.

At the present time, the Laboratory has a number of interesting openings for electrical and mechanical engineers, physicists, and mathematicians interested in career opportunities. Specific openings include computer programming, thermal engineering, analog and digital circuit design, structures design and analysis, missile system test and analysis, operations research, and propulsion engineering (rocket and rocket).

The Laboratory's principal locations are in Silver Spring (a suburb of Washington, D. C.) and in Howard County, midway between Baltimore and Washington. These exceptionally complete facilities contain large-scale computers, well equipped laboratories, libraries and cafeterias.

Address your inquiry to:

Mr. W. S. Kirby

AREA DIRECTOR
MODEL CITIES NEIGHBORHOOD COUNCIL

Area "D" (an area bordered by Mount Royal, Lake Drive, Monroe, North, and Fulton Avenues) Community Council has a position available for a full time director who will administer the council's activities and programs, assume responsibility for a very large multipurpose community center, and attempt to coordinate the activities of other agencies working within the model neighborhood. The director will supervise a staff of 3 to 6 persons. Base salary $8,000-$12,000 per year commensurate with qualifications and experience. The individual should be personable, self-starting, and able to communicate effectively both verbally and in writing. Qualifications and experience are open; however proven and demonstrated experience in community work, and/or social welfare programs, or community organization and development is preferred. All applicants will be interviewed by a committee. Area residents will be given special consideration; however, all interested parties are urged to apply to:
