N. B. A good Store-House well situated in the said Town to be LET.

To be SOLD at PUBLIC VENDUE on Monday the 9th Day of May *next, pursuant to an Act of the General Assembly of* Virginia, *for enlarging the Town of* Alexandria, 2

FIFTY-EIGHT Lots, or Half Acres of Land. This Town is beautifully situated near the Falls of *Patowmack*, one of the finest Rivers in *North-America*; it affords good Navigation for the largest Ships in *Europe*, up to the Town, where there is an excellent Harbour. The Country back is very extensive, and the Soil capable of producing Tobacco, Corn, Wheat, Flax, Hemp, *&c.* in great Perfection.

It's equal Convenience for Transporting any Commodity to the Waters of the *Ohio*, is obvious to any one that will give themselves the Trouble of examining the Draughts of the Country.

To be SOLD, on Tuesday the 19th Day of April *next ensuing, at* Alexandria, *being Court-Day,*

TWO LOTS, or one Acre, in the said Town, known by the Name of the *Long Ordinary*, consisting of one Dwelling-house, about 90 Feet long, and 24 wide. Six Rooms below, all with Fire-places, and Six Rooms above; a good Cellar, Kitchen, Meat-House, *&c.* The whole well pailed in, with a Garden distinct.

At the same Time is to be SOLD, One LOT, with a good neat Brick House, about 36 Feet by 24; a good Cellar, Kitchen, and other Out-houses; the Lot is well pailed in. They are both well accustomed Public Houses.

Any Person inclinable to purchase before the Time, may know the Terms, by applying to

2 CARLYLE *and* DALTON.

AT the repeated Solicitations of several Persons, the *OHIO* COMPANY have agreed to lay off a Number of LOTS for a TOWN at Fort *Cumberland*, near the Mouth of *Wills*'s Creek, on *Patowmack* River, in the Province of *Maryland*; and that each Purchaser may have an Opportunity of attending, and choosing the Lots he may judge most convenient, they will be SOLD to the Highest BIDDERS on Friday the 15th of *April* next.

Any one who will consult the Maps must see that Fort *Cumberland*, from it's natural Situation and Contiguity to that very extensive and fertile Country on the *Ohio* and its Waters, must be the Key to all that valuable Settlement; it being the highest and most convenient Landing-place for the Inhabitants on the other Side the *Allegheny* Mountains, on all the River *Patowmack*, which affords a Water-Carriage, that with a very inconsiderable Expence, might be rendered safe, certain and easy, at all Seasons of the Year, from the Great Falls to the Spot now proposed for a Town. It is about 75 Miles Land-Carriage to the *Monongahela*, which is navigable to the *Ohio* for flat-bottomed Boats or Battoes; and not more than 65 Miles to the *Youghiogeny*, where the Road, as it is at present cleared to *Pittsburg*, crosses; to which Place the *Indians* frequently, before the War, brought up their Battoes loaded with Skins: And all who are acquainted with the Country agree, that a very good Waggon Road may be made to that very Spot, or even a few Miles lower down the River, which would reduce the Distance from thence to Fort *Cumberland* at least 15 Miles. The Land-Carriage from *Pinkert*'s Warehouse, at the Little Falls, which is the highest Tide Water of *Patowmack*, to the Great Falls, does not exceed 12 Miles; and the Manufactures of *Great-Britain* may be transported by the *Patowmack* to the *Ohio*, and it's Produce or Furs remitted through the same Channel, with only 90 Miles Land-Carriage at the most.

Fort *Cumberland* is about 115 Miles from *Pittsburg*, 30 from Fort *Bedford*, 60 from *Winchester*, Land-Carriage, good Waggon Roads, and 100 Miles Water-Carriage from the Mouth of *Conococheague* Creek in *Maryland*.

The Day the LOTS are Sold the *OHIO* COMPANY will LET to the highest Bidder, for a Term of Years, Two very good Store-Houses, opposite to Fort *Cumberland*, in *Virginia*, one 45 by 25, with a Counting-Room and Lodging-Room at one End, the other 44 by 20, with proper Conveniences for a Family to live in, two Stories high each, besides Garrets, with good Cellars fit for storing Skins, the whole Size of the Houses; and a Kitchen, Stable for 10 Horses, Meat-House and Dairy; there are Two good Battoes, which will be given to the Person who Rents the Houses. The whole entirely new, and will be completely finished, and fit to enter upon immediately; and the Person who takes the Store-Houses, may also have a Lease, for a Term of Years, if he must. Least dispute to them as he chooses. Any one desirous to meet primarily for the Store-houses, *&c.* before the Day of Sale, or the Town Lots, may know the Terms by applying to the Subscriber, who will attend at Fort *Cumberland* on the 25th Day of *April* before-mentioned, to deliver the Purchasers Deeds for their Lots. There is great Plenty of good Timber and Limb-Stone on the Lands, on each Side of the River; and the Company are building a Saw and Grist Mill, within a Mile of the Spot proposed for the Town. GEORGE MERCER.

THERE is at the Plantation of *Hugh Pope*, near *Patowmack* River, in *Frederick* County, taken up as a Stray, a Grey Horse about 12½ Hands high, has no perceivable Brand, a short Mane, bob Tail, Trots, and is about 6 Years old.

ANNAPOLIS RACES.

On Thursday, the 21st of April *next, will be Run for, on the Race-Ground in the City of* Annapolis, *a Purse of* FIFTY PISTOLES, *free for any Horse, Mare, or Gelding, on the following Terms.*

EVERY Horse, Mare, or Gelding, that runs for the said Purse, shall, if rising Four next Grass, carry eight Stone, if Five, eight Stone ten Pounds, if Six, nine Stone six Pounds, and Aged, ten Stone: Horse Plates, and Shoes, not allowed in the Weight.

Every Person that puts in a Horse, Mare, or Gelding, for the said Purse, shall enter the same with Mr. JONAS GREEN, on the Tuesday preceding the Race, with whom he shall leave satisfactory Vouchers of his or her Age, and at the same Time shall pay Two Pistoles Entrance, or Half that Sum, if a Subscriber to the Race; and such Horses, Mares, or Geldings, of whose Ages satisfactory Vouchers are not produced, shall be deemed Aged.

The Horse, Mare, or Gelding, that wins any two Heats, wins the Purse; each Heat to be four Times round the Poles; but if three several Horses, Mares or Geldings, win each of them a Heat, then those three, and only they, to run a fourth Heat, and the Horse, Mare, or Gelding, that wins the fourth Heat, shall win the Purse; any Horse, Mare, or Gelding, that wins the first and second Heats, shall be obliged to start again, if required by any of the other Riders, and must save his Distance, to entitle him to the Purse: No Distance a fourth Heat.

In running the Heats, if it cannot be decided, which Horse, Mare, or Gelding, has his or her Head at the ending Post first, that Heat goes for nothing, and they may all Start again, except it be in the last Heat, and the Doubt between two Horses, Mares, or Geldings, if either of which had won, the Purse would have been decided, then they only shall start again.

Every Rider shall after each Heat is run, come to the Scales with his Horse, Mare, or Gelding, then and there to alight and not before, and to weigh to the Satisfaction of the Judges, and in case of Neglect or Refusal thereof, or want of Weight, the Horse, Mare, or Gelding, of such Rider, shall have no Share in the Purse, nor be permitted to start again: But as a Rider may (unknown to the Judges) alight previous to his coming to the Scales, and by them, for want of timely Information, be permitted to start again, such Horse, Mare, or Gelding, shall take Place, the same as if it had not happened.

If a Rider falls from his Horse, and the Horse is rode in by another, that is of sufficient Weight, he will take Place the same as if it had not happened, provided he goes back to the Place where the Rider fell.

If any Rider shall cross, jostle, strike, or use any foul Play, the Horse, Mare, or Gelding, he rides, shall be deemed distanced.

Every Horse, Mare, or Gelding, that runs on the wrong Side of the Poles, and does not turn back, or is distanced in any of the Heats, shall have no Share in the Purse, nor be permitted to run any more.

The Entrance Money to be paid to the second best Horse, Mare, or Gelding, that shall start for the Purse.

If there are three Heats run, the Horse, Mare, or Gelding, is second best, that wins one, and if the Purse is won by two Heats, the Preference to be determined by the Place they are in at the second Heat.

The Time of Starting will be between One and Three o'Clock in the Afternoon, and Half an Hour will be allowed between each Heat to run.

All Disputes that shall arise to be finally determined by Messieurs *Thomas Sprigg*, *Kesley Johns*, and *Jonas Green*, who are appointed Judges for that Purpose.

☞ The next Day will be run for, a Purse of TWENTY-FIVE PISTOLES, free for any Horse, Mare, or Gelding, rising Four next Grass, to carry eight Stone, each Heat to be three Times round the Poles, and to be entered on the Day preceding the Race, with Mr. *Jonas Green*, to whom they shall pay One Pistole Entrance, or Half that Sum, if a Subscriber to the Race; the winning Horse of the Day before, to be excluded; all the other Terms (hereto applicable) to be the same as in the preceding Race.
