Hamm's is coming! The beer refreshing as the land of sky blue waters!

Theo. Hamm Brewing Co., St. Paul, Minn., San Francisco, Los Angeles, Baltimore.

Talk about being particular:

Hamm's President personally brews our first beer in Baltimore!

This man is William C. Figge. He is president of HAMM'S. He is personally brewing the first Hamm's Beer to be brewed in our recently purchased Baltimore plant.

Bill Figge was Master Brewer at Hamm's long before he became president of the brewery, and his father and grandfather were Hamm's Master Brewers before him.

Figges have been brewing beer at Hamm's since 1878. Bill Figge is personally responsible for that unique, clean-cut flavor that is Hamm's and Hamm's alone.

Baltimore-brewed Hamm's won't be available until sometime next spring because it has to be fully aged and mellowed.

But when it *is* available, you can be sure it will be superb—with the same crisp character that has made Hamm's one of the fastest-growing beers in America.

Bill Figge is making certain of that!

You've never tasted a beer just like Hamm's. Now being fully aged in Baltimore... yours at LOCAL PRICES!

Spraggins' 40-point surge regains CIAA scoring lead

By JOHN A. HOLLEY

DURHAM, N.C., (CIAA News Service) — Bruce Spraggins, Virginia Union's 6-5 junior captain, turned loose with a 40-point effort against Lincoln last week to move into the CIAA's scoring lead ahead of Winston-Salem's Cleo Hill.

Smith's Golden Bulls upped their offensive output to remain ahead of Hampton's Pirates in team figures.

* * *

SPRAGGINS, A rugged pivotman from Williamsburg, Va., has 274 points in 10 contests for the Panthers, giving him an average of 27.4 points per game. He ranks three-tenths of a point ahead of Hill, last week's scoring leader.

The Winston-Salem ace has potted the most individual points this season, 462 points in 17 games. However, he fell short of Spraggins' per game total with a 27.1 mark.

Smith, team offense leaders all season, increased their mark to 86.9 points per game on 1,391 in 16 games to stay ahead of pursuing Hampton, which has now broken the 80-point scoring mark. Frank Entz's Pirates have scored 398 points in 11 tilts for an average of 81.6.

Both of these quintets are jockeying for the 15th CIAA tournament slated for Greensboro War Memorial Coliseum, Feb. 25-27.

* * *

DEFENSIVELY, Hampton's quint tops the league, allowing their opponents only 61.1 points per game on a total of 612 points scored in 11 tilts.

Winston-Salem held down second place for the second successive week, permitting its 7 opponents only 65.7 points per game.

FROM THE floor, Virginia State's five maintained the top ring as the loop's field goal percentage leaders. The Trojans have cooped in 442 of 915 attempts in 15 games for a .483 accuracy mark. A and T is right on the Trojan heels with a .481 shooting accuracy with 568 of 1176 field goals attempted.

Smith's Bulls maintained their free-throw shooting lead, connecting on 359 of 513 attempts for a .699 percentage. But Union's Panthers continue in pursuit as they dropped in 272 of 391 gift tosses for an accuracy mark of .695.

* * *

A. AND T.'S Herbie Gray tailed off some in the rebounds department, but still grabbed enough to lead with a 22.8 average per game. The 6-6 junior from Washington, D.C., has grabbed 388 in 17 games.

His nearest competitor is Union's jumping Jackie Jackson, who has snatched 282 for an average of 20.1 per contest.

* * *

AL ATTLES, A and T's floor general, occupied the league's top spot in field goal percentage for the 4th straight week, potting 133 of 203 attempts for a .655 scoring percentage. Trailing him is Spraggins with 109 of 187 field goals for a .582 percentage.

From the free-throw line, Union's Roger Gibbs maintains his lead over Hampton's Jimmy (Baltimore) Brown. Gibbs has poured 67 of 82 free throws through the hoop for an .817 shooting mark, while Brown has scored 65 of 81 for an .805 accuracy count.

Wilbur (Deucy) Smith of Maryland State and Hampton's William Ward moved along the single-game scoring leaders with 37 and 38 point performances respectively last week. Smith scored his season high total against Delaware, while Ward forced in his top production total against A. and T.

'WRONG' CLUB IS RIGHT — Al Thompson, president of the 100 Percent Wrong Club in Atlanta, proves the organization can make a right selection. He presents citation to Jesse Owens, all-time great in track, at the annual Wrong Club dinner last week. Owens and Joe Louis were among list of honorees that included Branch Rickey, Althea Gibson, etc.

Whiskey Quality Facts Save More Than $1 A Fifth

By Wilfred Van Ryn

Everyone knows that distilling is strictly regulated, quality controlled. But few act on the knowledge.

Truth is, liquor experts throughout the industry identify whiskey blend quality with 3 ratings (A, B or C). The top rating is obvious, yet you can buy an A blend for less than B or C.

Reason is, $1 or so of highly advertised whiskey costs goes into things not important in quality: freight, warehousing, big ads, jobbers markups.

Why pay for things you don't get? Under industry-wide standards PRIDE OF BALTIMORE Blended Whiskey is rated "A"—on the same level as the highest priced A blends.

PRIDE OF BALTIMORE, bigotted and bottled here, saves you the $1 or so a fifth others must spend on things that can't affect whiskey quality.
